Briny to the Blue Bernard W. Peterson, 1992

Memoirs of a Kamikaze Kazuo Odachi, Shigeru Ohta, 2020-09-15

Independent Publisher Book Award IPPY Winner An incredible untold story of survival and acceptance that sheds light on one of the darkest chapters in Japanese history This book tells the story of Kazuo Odachi who in 1943 when he was just 16 years old joined the Imperial Japanese Navy to become a pilot A year later he was unknowingly assigned to the Kamikaze Special Attack Corps a group of airmen whose mission was to sacrifice their lives by crashing planes into enemy ships Their callsign was ten dead zero alive By picking up *Memoirs of a Kamikaze* readers will experience the hardships of fighter pilot training dipping and diving and watching as other trainees crash into nearby mountainsides They ll witness the psychological trauma of coming to terms with death before each mission and breathe a sigh of relief with Odachi when his last mission is cut short by Japan s eventual surrender They ll feel the anger at a government and society that swept so much of the sacrifice under the rug in its desperation to rebuild Odachi s innate samurai spirit carried him through childhood WWII and his eventual life as a kendo instructor police officer and detective His attention to detail unwavering self discipline and impenetrably strong mind were often the difference between life and death Odachi who is now well into his nineties kept his Kamikaze past a secret for most of his life Seven decades later he agreed to sit for nearly seventy hours of interviews with the authors of this book who know Odachi personally He felt it was his responsibility to finally reveal the truth about the Kamikaze pilots that they were unsuspecting teenagers and young men asked to do the bidding of superior officers who were never held to account This book offers a new perspective on these infamous suicide pilots It is not a chronicle of war nor is it a collection of research papers compiled by scholars It is a transcript of Odachi s words Over There James J. Curtis, 2005-01-01

Combat Reporter Don Whitehead, 2009-08-25 No one bore witness better than Don Whitehead this volume deftly combining his diary and a previously unpublished memoir brings Whitehead and his reporting back to life and 21st century readers are the richer for it from the Foreword by Rick Atkinson Winner of two Pulitzer Prizes Don Whitehead is one of the legendary reporters of World War II For the Associated Press he covered almost every important Allied invasion and campaign in Europe from North Africa to landings in Sicily Salerno Anzio and Normandy and to the drive into Germany His dispatches published in the recent *Beachhead* Don are treasures of wartime journalism From the fall of September 1942 as a freshly minted A P journalist in New York to the spring of 1943 as Allied tanks closed in on the Germans in Tunisia Whitehead kept a diary of his experiences as a rookie combat reporter The diary stops in 1943 and it has remained unpublished until now Back home later Whitehead started but never finished a memoir of his extraordinary life in combat John Romeiser has woven both the North African diary and Whitehead s memoir of the subsequent landings in Sicily into a vivid unvarnished and completely riveting story of eight months during some of the most brutal combat of the war Here Whitehead captures the fierce fighting in the African desert and Sicilian mountains as well as rare insights into the daily grind of reporting from a

war zone where tedium alternated with terror In the tradition of cartoonist Bill Mauldin's memoir *Up Front* Don Whitehead's powerful self portrait is destined to become an American classic

My Memoirs Taras Hunczak, 2016 The first part of the book reflects the context of life within the totalitarian systems of Communism and Nazism The author witnessed the mass deportations under Communism and mass executions of Jews known as the Holocaust and other tragic events during WWII which left their mark on our consciousness The memoir is a revealing story of the life of deportees who spent two years in a camp working with the prisoners of war and then after their liberation by the American Army spent four years in Displaced Persons Camps These life experiences constituted not only a period of various limitations but also a time of psychological and intellectual development The book conveys many details of those experiences and provides an insight into the complexities and a joyful success in the free society in the U S A

Soldiers' Stories Myra Miller, 2020-11-13 Here are the mysteries of courage the terrors of violence and the cruelties and coincidences of war Here also are reminders of the humorous events and day to day life during World War II History is alive

For All It Was Worth Bernhard Teicher, 2017-08-04 This is the true personal account of a German soldier's experiences in Nazi Germany before during and after the War A story of combat and captivity of courage deception and survival FOR ALL IT WAS WORTH provides piercing insights into the indoctrination of the German people into Nazi ideology and addresses the issues facing German World War II veterans The author was born in Dresden in 1924 the year Hitler's *Mein Kampf* was published Growing up during the pre War Nazi years he joined the Hitler Jugend Following harsh basic training he was sent to the Eastern Front where he saw combat near Kursk Captured by the Russians he escaped and was transferred to the Italian Campaign With his acquired knowledge of Italian and local conditions he volunteered for the special forces Division Brandenburg where he was trained in sabotage and intelligence gathering operating behind enemy lines and wreaking havoc with the enemy's command communication and logistical structures Arriving on leave in Dresden during the February 1945 firebombing he recounts the terrible aftermath including the extrication and burial of his father from the ruins of Dresdner Bank one of the most devastating and controversial attacks of the Second World War Following his return to Italy and the subsequent capitulation of German forces he was detained as a PoW in Northern Italy for almost two years Battle hardened and disillusioned he used all his clandestine and organisational skills to initiate successful Black Market operations while working as an interpreter for the British Army Imprisoned in Austria as an escapee he finally returned to a shattered Germany in 1947 where he elected to remain illegally in the US zone of Occupation What follows is a gripping story of survival and an insight into the hardships and privations facing the German people leading to the Wiederaufbau Much more than a military narrative the author presents a candid view into the mind and soul of the German people FOR ALL IT WAS WORTH is an account of Hitler's Germany and its consequences and is a remarkable document of value to post War generations as well as historians and students of World

War II **The Mighty Eighth in WWII: A Memoir** J. Kemp McLaughlin USAFR (Ret.), One of the great bomber pilots of World War II recalls his various missions over the European theater from bombing heavy water installations in Norway to the raid that nearly wiped out German ball bearing production **The Long Rangers** John Seymour Pangborn, 2007 The Long Rangers is the provocative WWII memoir of John Seymour Pangborn a young engineer in the United States Air Force Barely out of high school John enlists in the armed services but his eagerness to participate in the war effort is curtailed by endless training and red tape Still John dutifully learns the ropes participating in drills of skill and memory that will help him survive on the field of battle After spending a year in training camps in the Deep South the nation's heartland and on the golden coast of California John and his Air Force crew are finally summonsed to take part in Allied fight in the Far East Theatre As the war grinds on and the air battles become more intense John gets a first hand education about survival and man's inhumanity to man What follows is a clear and harrowing account of a group of noble young men flung into desperate missions for which they know there may be no return **Soldiers' Stories** PhD Myra Miller, Marshall Miller, 2016-12-07 This compilation of stories and photos contains accounts of the young men and women who risked their lives were wounded or lost their lives to save the lives of millions It is our honor to pass the stories of these brave men and women on to the next generation We must never forget The Miller Family Myra Ken Del Marshall and Lynette *Soldiers' Stories* PhD Myra Miller, 2016-12-07 This historical WWII page turner is a colorful compilation of 140 stories laced with illustrations and photos telling the personal accounts of young men and women who risked their lives were wounded or killed to save the lives of millions True stories depict their valor patriotism and day to day exploits during the 1940s We must never forget

Soldiers' Stories PhD Myra Miller, Marshall Miller, 2016-12 This compilation of stories and photos contains accounts of the young men and women who risked their lives were wounded or lost their lives to save the lives of millions It is our honor to pass the stories of these brave men and women on to the next generation We must never forget The Miller Family Myra Ken Del Marshall and Lynette *No One Ever Asked Me* Hollis Dorion Stabler, 2005-01-01 As a young adolescent Hollis Dorion Stabler underwent a Native ceremony in which he was given the new name Na zhin thia Slow to Rise It was a name that no white person asked to know during Hollis's tour of duty in Anzio his unacknowledged difference as an Omaha Indian adding to the poignancy of his uneasy fellowship with foreign and American soldiers alike Stabler's story coming of age on the American plains going to war facing new estrangement upon coming home is a universal one rendered wonderfully strange and personal by Stabler's uncommon perspective which embraces two worlds and by his unique voice Stabler's experiences during World War II tours of duty in Tunisia and Morocco as well as Italy and France and the loss of his brother in battle are at the center of this powerful memoir which tells of growing up as an Omaha Indian in the small town Midwest of Nebraska Iowa Kansas and Oklahoma in the 1920s and 1930s A descendant of the Indians who negotiated with Lewis and Clark on the Missouri River Stabler describes a childhood that was a curious mixture of progressivism and Indian tradition

and that culminated in his enlisting in the old horse cavalry when war broke out a path not so very different from that walked by his ancestors Victoria Smith of Cherokee Delaware descent interweaves historical insight with Stabler's vivid reminiscences providing a rich context for this singular life

Lost Victories Erich Manstein, 2004-08-22 Originally published in Germany in 1955 and in England and the United States in 1958 this classic memoir of WWII by a man who was an acknowledged military genius and probably Germany's top WWII general is now made available again Field Marshal Erich von Manstein described his book as a personal narrative of a soldier discussing only those matters that had direct bearing on events in the military field The essential thing as he wrote is to know how the main personalities thought and reacted to events This is what he tells us in this book His account is detailed yet dispassionate and objective Nothing is certain in war when all is said and done But in Manstein's record at least we can see clearly what forces were in action In retrospect perhaps his book takes on an even greater significance

WWII Memoirs Brenda Love, 2022 [Soldiers' Stories](#) Myra Miller, Marshall Miller, 2016-12-07 This historical WWII page turner is a colorful compilation of 140 stories laced with illustrations and photos telling the personal accounts of young men and women who risked their lives were wounded or killed to save the lives of millions True stories depict their valor patriotism and day to day exploits during the 1940s We must never forget

[A Patriot's Memoirs of World War II](#) Luciano Louis Charles Graziano, 2018-12-23 It was January 1943 when twenty year old Louis Graziano received a letter from Uncle Sam ordering him to report to Fort Niagara New York for a physical Although he knew the United States was at war he had no idea what was ahead of him After making a promise to dutifully defend his country Louis never realized how much his military experience would change the course of his life In a memoir that reveals the good bad and ugly of war and beyond Louis leads others through his life experiences via personal stories and historical photographs that provide a candid glimpse into what it was like to be a young soldier before during and after World War II While revealing his experiences and thoughts Louis demonstrates how he exhibited courage amid heartbreaking loss trusted God to protect him and found love with a beautiful fellow soldier Among his documented experiences were landing with the third wave on D Day on Omaha Beach fighting the Battle of the Bulge and witnessing the signing of the Instrument of Surrender at the Little Red Schoolhouse Included are personal letters and commendations as well as interesting historical facts A Patriot's Memoirs of World War II shares a veteran's personal story and photographs that document his experiences during the biggest and deadliest war in history

Captured : Memoir of World War II James D. Pascoe, 2014-08-29 Two years after the United States entered the Second World War 21 year old college student James D Pascoe was drafted into the U S Army Air Force The California native trained as a tail gunner and was assigned to a B 26 Marauder On his 11th mission the young airman was shot down over the French countryside Passed by local families to the Resistance Pascoe spent weeks on the run Betrayed he was captured and imprisoned by the Germans This memoir based on the daily journal he kept through the war tells the story of an ordinary American from civilian to POW and back again

The Enigmatic Realm of **Memoirs Of Wwii**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
