Carter,1998 **The Naked Minotaur Trilogy Book 1** A. A. Michael,2019-01-07 This trilogy is a memoir about real events and real characters with fictitious names to protect the guilty When I first wrote Book 1 The Odyssey it became apparent that the reader would not understand the back story that led to Michael's odyssey after the sad dissolution of his marriage of thirty years so I wrote a prequel called Book 2 The Ivory Tower which detailed the ongoing events at Charity University during the Odyssey then I wrote an earlier prequel Book 3 The Birth of the Minotaur which explained the events in Michael's life that lead up to the launching of his odyssey This is Book 1 The Odyssey of the Naked Minotaur Trilogy The Naked Minotaur is my erotic alter ego who helped me focus my feelings to cry then laugh to love and to prevail in my passage through the perilous waters of mid life Being middle aged was hard the realization that my youthful virility and apparent immortality had abandoned me leaving behind the traumatic symbols of man's frailty unachievable goals graying baldness prostate problems perceived impotency well you get the picture Mary Renault portrayed the Minotaur as the grown son of King Minos of Crete who donned a bull mask during palace rituals and was caught up in the puppetry of a

decaying court that ruled the Minoan people through the politics of fear and intrigue I too wear a mask it is the only true glimpse of my inner emotions that I allow anyone to see My knees shiver forlornly against the chill Kicked out of my marriage of thirty years for my failures I am about to embark on a ten year odyssey scared about the new adventures the pleasures and delights the hardships and the calamities that will surely befall me as I try to prevail through the perilous waters of midlife Rhonda s sumptuous feline body is imprisoned within the soft moonlit edges of the shadowy bars God I need her now We were two ageless lovers on Crete s southern shore wily old Odysseus and his abducted young thighed Angelika She is gone from my life forever poor Jana I had no love to give her Tears of sadness well up in my eyes my memorable love affair with Astrid in Crete still glows sadly in my mind Could I have lived in two alternate universes at the same time and space one in which I loved Laurel and the other in which I loved Lillian and was hired by LIGO That seems too bizarre to have happened but quantum physics is very weird Maybe the Minotaur is just a misunderstood victim of the judgment of mythology what if his mask were removed and his true desires and loves were laid naked This is my story **The Naked Minotaur Trilogy**

Hammer,2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926 95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son s life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill s chronicles of love loss and the poignant personal journey they record **The Memoirs of Vidocq**
