Selected and Translated by A.F. Davidson** Alexandre Dumas,Arthur Fitzwilliam DAVIDSON,1891      *The Memoirs of Alexandre Dumas (Pere)* A. F. Davidson,2002-11-01 Mes Memoires are written characteristically de omnibus rebus et quibusdam aliis They are however primarily a biography of Dumas himself and of himself especially as a man of letters they are also a record of the literary life of the time and they are finally a gallery of portraits sketched a storehouse of anecdotes related with that inimitable skill and humour which makes Dumas the prince of all raconteurs the best possible story teller in print One or other of these considerations will explain most of the selections here given At the same time it would be impossible to apply the principle rigorously in every case Thus though there is no reason in the nature of things for the insertion of so much of Dumas account of his father as is included in these pages it would be quite unpardonable to omit altogether as graphic and thrilling a story as can be found anywhere in
