Excerpt CHAPTER XII WINCHESTER AND ROMNEY EXPEDITION 1861 1862 We will now follow General Jackson to Winchester which he made his headquarters during the winter of 1861 1862. He had been ordered to the command of the Valley District without troops being assigned to him, having as we have seen to leave behind him his chief reliance in battle his invincible Stonewall Brigade. He found at Winchester only a small force consisting of a part of three brigades of militia and a few companies of cavalry all of which were imperfectly organized and poorly equipped and with but little training or experience. He lost no time in calling out all the remaining militia of the district and in a few weeks his little army was increased to about three thousand men. To the instruction and

drilling of these new recruits he devoted himself with the utmost energy and already forming plans for a vigorous forward movement he sent a petition to the government for reinforcements In response to this request he had the great gratification of having his own Stonewall Brigade sent to him about the middle of November together with the Rockbridge Battery now commanded by Captain McLaughlin The attachment which General Jackson felt for the men that had been trained under him and his pride in them were fully reciprocated as one of them expressed it Wherever the voice of our brave and beloved general is heard we are ready to follow I have read of the devotion of soldiers to their commanders but history contains no parallel case of devotion and affection equal to that of the Stonewall Brigade for Major General Jackson We do not look upon him merely as our commander do not regard him as a severe disciplinarian as a politician as a man seeking *Memoirs of Stonewall Jackson* Mary Anna Jackson,2013-12 Thomas Jonathan Jackson is one of the most famous generals of the Civil War but the man who earned the nickname Stonewall was killed before he had the chance to tell his Civil War experiences in memoirs or post war writings As a result the man who became a legend at places like Bull Run the Shenandoah Valley and Chancellorsville had to have his story told by others This has led to a log of mythologizing and fanciful tales that depict Stonewall as an incredibly pious and occasionally quirky general Of all the people who wrote about him none knew them as well as his own widow Mary Anna Jackson who wrote a memoir about the famous general This work also includes an introduction by General John Gordon and tributes to Jackson penned by fellow Confederates *Memoirs of Stonewall Jackson by His Widow, Mary Anna Jackson - Scholar's Choice Edition* Mary Anna Jackson,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **MEMOIRS OF STONEWALL JACKSON B** Mary Anna 1831-1915 Jackson,2016-08-29 *Memoirs of Stonewall Jackson (1895)* Mary Anna Jackson,2014-08-07 This Is A New Release Of The Original 1895 Edition **Memoirs of Stonewall Jackson** Arthur Wyllie,Mary Anna Jackson,2011
