about it a lot during the day A fantastic read Gripping moving characters you care about highly recommend Reader Review Packed with suspense I actually held my breath during some of the scenes and full of relatable characters this book will draw you in from the first page Highly recommend Reader Review The tension builds on every page the characters as always with this author s books are drawn beautifully I couldn t put it down and am looking forward greatly to Amanda Brookfield s next offering hopefully before too long Reader Review Brookfield is undoubtedly one of Britain s foremost chroniclers of human relationships It goes without saying that this novel is another page turner guaranteed to make you read the last 50 pages before sleep even though you know you have an early start in the morning but it is much much more Reader Review
