Premieres Loges:

Merridew's illustrated Guide to Boulogne-sur-Mer and its environs; ... Revised and enlarged by R. B. Hinchliffe. Second edition Henry Melville MERRIDEW, 1866 **Galignani's New Paris Guide; Thirteenth Edition, Etc** A. and W. Galignani (Firm), 1830 Galignani's new [afterw.] illustrated Paris guide (1827, 39, 44), 53-55, 60, 63, 64, 79-94 Galignani A. and W., 1879 **L'Architecture** Claude-Nicolas Ledoux, 1983 Few architects have had a vision of architecture as provocative as that of Claude Nicolas Ledoux In 1847 Daniel Rame assembled 300 plates by Ledoux in two volumes The Rame edition is now scarce but has been reproduced here in a one volume format Princeton Architectural Press's Reprint Series was established in 1981 to make rare volumes on architecture available to a wider audience The books beautiful reproductions and finest quality printing and binding match those of the originals while their 9 by 12 inch format makes them accessible and affordable New introductions bring a modern voice to these classic texts updating them to become invaluable contemporary resources These critically acclaimed books are an essential addition to any library **Gentleman's Magazine and Historical Review**, 1809 *A Cultural History of Tragedy in the Age of Enlightenment* Mitchell Greenberg, 2021-05-20 The period covered by this volume in the Cultural History of Tragedy set is bookended by two shockingly similar historical events the beheading of a king Charles I of England in 1649 and Louis XIV of France in 1793 The period between these two dates saw enormous political social and economic changes that altered European society's cultural life Tragedy which had dominated the European stage at the beginning of this period gradually saw itself replaced by new literary forms culminating in the gradual decline of theatrical tragedy from the heights it had reached in the 1660s The dominance of France's military and cultural prestige during this period is reflected in the important almost exclusive space dedicated in this volume to the French stage This book covers the tragedies of France's two greatest playwrights Pierre Corneille 1606-84 and Jean Racine 1639-99 which would dominate not only the French stage but through translations and adaptations became the model of tragic theater across Europe finding imitators in England Dryden Italy Alfieri and as far afield as Russia This dominance continued well into the 18th century with the triumph of Voltaire's tragedies This volume also examines how the writings of Diderot and Lessing changed the direction of theatre and how after the Revolution in the writings of Goethe Schiller Hegel tragedy and the tragic were reimagined and became the sign of European modernity Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality The Gentleman's Magazine, 1809 The Gentleman's magazine section is a digest of selections from the weekly press the Trader's monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month's new publications and a calendar of forthcoming trade fairs **From Plantation to Paradise?** David M. Powers, 2014-05-01 In 1764 the first printing press was established in the French Caribbean colonies launching the official documentation of operas and plays

performed there and marking the inauguration of the first theatre in the colonies A rigorous study of pre French Revolution performance practices in Guadeloupe Martinique and Saint Domingue now Haiti Powers s book examines the elaborate system of social casting in these colonies the environments in which nonwhite artists emerged and both negative and positive contributions of the Catholic Church and the military to operas and concerts produced in the colonies The author also explores the level of participation of nonwhites in these productions as well as theatre architecture d cor repertoire seating arrangements and types of audiences The status of nonwhite artists in colonial society the range of operas in which they performed their accomplishments praise criticism and the use of cr ole texts and white actors singers visage noirs with blackened faces present a clear picture of French operatic culture in these colonies Approaching the French Revolution the study concludes with an examination of the ways in which colonial opera was affected by slave uprisings the French Revolution the emergence of patriotic theatres and their role in fostering support for the king as well as the impact on subsequent operas produced in the colonies and in the United States

Identity and Ideology Julie Candler Hayes,1991 In a study drawing on contemporary and 18th century literary theory and philosophy social history and history of the theatre Hayes presents a reading of the dramas of Diderot and Sade and argues for a new understanding of the genre as a whole
