African American Literature in Transition, 1930-1940: Volume 10 Eve Dunbar,Ayesha K. Hardison,2022-04-07 The volume explores 1930s African American writing

to examine Black life culture and politics to document the ways Black artists and everyday people managed the Great Depression's economic impact on the creative and the social. Essays engage iconic figures such as Sterling Brown, Langston Hughes, Zora Neale Hurston, Dorothy West, and Richard Wright as well as understudied writers such as Arna Bontemps and Marita Bonner, Henry Lee Moon, and Roi Ottley. This book demonstrates the significance of the New Deal's Works Progress Administration, WPA, the Communist Party of the United States, CPUSA, and Black literary circles in the absence of white patronage. By featuring novels, poetry, short fiction, and drama alongside guidebooks, photographs, and print culture, *African American Literature in Transition, 1930-1940* provides evidence of the literary culture created by Black writers and readers during a period of economic precarity, expanded activism for social justice, and urgent internationalism. *Sojourner Truth* by Larry G. Murphy, 2011-01-20. This simple narrative of an extraordinary life explores the power of a disinterested commitment to right and truth. *Sojourner Truth: A Biography* traces this remarkable woman's life from her birth through adulthood and to her death in 1883. Drawing from public pronouncements, personal correspondence, and journalistic accounts of key historical actors, it follows her extraordinary career and sets the events of her life in the larger context of U.S. social and political history. The years during which Truth lived bore witness to tremendous social and religious ferment in the United States, including, of course, the Civil War. Truth was directly involved; indeed, an influential figure in many contentious issues of the period, from slavery and abolition to religious revivalism, women's rights, temperance, racial reconciliation, and more. Her story serves as a prism through which readers will better understand how these complex matters were adjudicated in 19th-century America. More than that, her life demonstrates what courage, character, and principle can accomplish against all odds.

Literary Theory: The Basics by Hans Bertens, 2017-07-14. This third edition of Hans Bertens' bestselling book is an essential guide to the often confusing and complicated world of literary theory. Now with updated case studies and further reading, this is an essential purchase for anyone who strives to understand literary theory today.

African American Culture by Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23. Covering everything from sports to art, religion, music, and entrepreneurship, this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States. According to the latest census data, less than 13 percent of the U.S. population identifies as African American. African Americans are still very much a minority group. Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music, the arts, and entertainment, in education, and in sports and in politics and business. *African American Culture: An Encyclopedia of People, Traditions, and Customs*

covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business
