 Questions Have Questions Comments     *Expectant Parents* Suzanne Hadley Gosselin,2014-09-30 Many books focus on  
 prenatal development and the health of a mom to be While *Expectant Parents* does touch on important issues of pregnancy  
 its core purpose is help expectant parents understand key issues related to the arrival of a new child in the home offering  
 practical assistance as they prepare themselves for long term family success It s often said that babies don t come with an  
 instruction manual This book actually provides parents with information and practical steps for writing their own as they  
 work to create the kind of home and family they choose to build This includes strengthening their own marriage relationship  
 setting plans and expectations for parenthood increasing communication and preparing for the new stage of their family life  
 that is just ahead Ideal for first time parents this book would also be helpful for couples wanting to explore and prepare for  
 the emotional physical and spiritual life changes that come with the arrival of any new child into the family     *Parenting  
 Begins Before Conception* Carista Luminare-Rosen,2000-05 Prospective parents learn how they can lay the foundations for a  
 healthy happy family life even before their children are conceived This guide shows parents how they can optimize children s
