BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Army Chaplaincy*, 1995 *Lectionary Worship Workbook, Series II, Cycle C* Wayne H. Keller, 2000-06 The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness He is bold in demanding that we his colleagues in liturgical leadership plan worship that has to do with the reality of our congregations experience in the world rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week He is bold in challenging us to bring that real world with its pains and its pleasures its hungers and its feasts its beauty and its ugliness to exposure before the living God And he is bold in helping us shine the strong exposing light of the transforming Word on our real lives and on that real world so that we may move beyond planning worship as a nice safe feel good routine from which we depart the same people we were when we arrived We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship Thank God for Wayne Keller and for his deep respect for the central act of the Christian community the blessed and life transforming experience of the worship of God Richard Avery and Donald Marsh Port Jervis New York Wayne Keller's method creates not only a contemporary appeal but also effects a congregational involvement so necessary today within the liturgical context His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background Keller has the ability to appeal to the everydayness of congregational experience Donald Macleod Francis L Patton Professor Emeritus Princeton Theological Seminary The good humor of Wayne Keller's work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves Wayne

s work encourages hope and faith with the way we are Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union A cascade of insights ideas suggestions and plans for stimulating the working pastor s imagination and guiding in worship planning Robert Coote Professor San Francisco Theological Seminary Editor Mustard Seed Churches Wayne Keller elevates us to an authentic bring your warts and smiles encounter with the living God a remarkable year round resource for the entire worship team Paul Hackett Former pastor and member First Presbyterian Church Puyallup Washington Keller says I have seen people bored to death in worship seemingly because they come to worship as spectators not as participants For me no spectators are allowed Soren Kierkegaard s analogy of worship as drama has guided my thinking and planning Wayne H Keller graduated from Monmouth College in Monmouth Illinois and Pittsburgh Theological Seminary He has served pastorates in Pennsylvania Washington and Oregon and has also been the director of a halfway house for recovering mental patients A member of the Presbyterian Writers Guild Keller has published several books and numerous articles and has been a columnist for the Bellingham Herald He has also appeared frequently on radio and television programs and co hosted a call in counseling program and talk show *Subject Guide to Books in Print* ,2001

Carver McGriff,1998 Preachers must understand the teaching techniques of parable and hyperbole not to mention having a good background in systematic theology in order to understand what the Bible s writers really meant But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations can take away a saving word from the Preface E Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought provoking research on the lectionary texts ever made available Included for each scriptural lesson in the lectionary are A listing of the applicable Revised Common Roman Catholic and Episcopal lectionary texts A description of the Psalm of the day A prayer for the day Commentary that is more than academic exegesis McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality Suggested sermon titles for each of the three texts for each Sunday Themes and suggested directions for preaching on

each text Several additional illustrations to enliven your preaching Known in the Indianapolis community as a preacher with extraordinary gifts it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching Carver looks at the texts with a freshness that is sure to stimulate the thought process Careful use of these suggestions will bring serendipities to preacher and congregation George H Tooze Senior Minister First Baptist Church Indianapolis Indiana One of America s premiere preachers E Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University Following a career as a salesman and business owner McGriff entered Garrett Theological Seminary where he was voted Best Preacher by the faculty and graduated with distinction During his 26 year ministry at St Luke s Methodist Church in Indianapolis McGriff spearheaded his congregation s remarkable growth in membership from 900 to 4 400 with average Sunday attendance increasing from 300 to over 1 850 McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus of the year by Christian Theological Seminary McGriff was also honored in 1993 by the Governor of Indiana with the Sagamore of the Wabash His sermons have been distributed nationwide by the United Methodist Publishing House **Ancient-Future Time ()** Robert E. Webber,2004-10-01 Millions of Christians worldwide follow the liturgical Christian calendar in their worship services and in their own personal devotions The seasons of the Christian year connect believers of diverse backgrounds and offer the sense of unity Jesus desired Robert Webber believes that we can get even more out of the Christian calendar He contends that through its rich theological meanings the Christian year can become a cycle for evangelism and spiritual formation He offers pastors church leaders and those of the younger evangelical mind set practical steps to help achieve this end including preaching texts and worship themes for Lent Easter Pentecost Advent and Christmas **Sunday Worship, a Planning Guide to Celebration** Kevin W.
