Preparing For Jesus:

Preparing for Jesus' Return A.W. Tozer, 2012-09-24 Just as in our day people under the teaching ministry of A W Tozer wondered about the end times How should we read the book of Revelation What does it mean for how believers live In this never before published book today s Christians can learn from one of the twentieth century church s most profound thinkers and pastors Tozer s teaching on Revelation offers a fresh and timely perspective on the purpose of prophecy which the renowned writer believed was to lift our gaze from the immediate to the eternal Preparing for Jesus Return offers readers a panoramic view of what is to come and explores what it means for individuals churches and the world **Preparing for Jesus** Walter Wangerin Jr., 2011-05-03 In Preparing for Jesus best selling author and master storyteller Walter Wangerin Jr recreates verbal images of the events surrounding the Advent of Christ offering a devotional journey into the heart of the Christmas season Through rich detail and vivid images these moving meditations make Christ s birth both intimate and immediate allowing us to see Christmas from its original happening to its perennial recurrence in our hearts Preparing for Jesus is sure to be a seasonal classic treasured year after year *Are You Prepared for the Coming Kingdom?* Randall E Griggs, Sr, 2020-06-02 We are truly living in the Last Days and the return of Jesus as King in his kingdom is closer than ever before The Signs of the Times are a clear indication of the coming kingdom In light of these times of uncertainty the world has not focused on the return of Jesus as King to reign in his kingdom In other words there is very little preparation for the Second Coming of Jesus Christ among our nations This book *Are You Prepared for the Coming Kingdom* is written to address the urgency for the gospel of the kingdom to be preached into all the world to all nations before Jesus appears in his glorious and eternal kingdom The emphasis is strictly on the importance of preparing our hearts for the return of King Jesus in his kingdom The world must recognize that the kingdom of God is a reality and the Church must understand the importance of preaching the gospel of the kingdom to all nations in the last days *Preparing for Christ's Return* Charles F. Stanley, 2009-07-28 The most exhilarating moment since the resurrection may happen today Are you ready This was the attitude of early Christians to be ready each moment for Christ s promised return dedicating themselves to His work on earth in the meantime The disciples and first century Christians eagerly anticipated Christ s second coming and talked about it daily like we talk about our team s chance for the Super Bowl In *Preparing for Christ s Return* Dr Charles Stanley will teach you how to live a life of satisfaction purpose meaning and readiness a life that brings great reward now and in eternity With over 1 million copies sold the Charles F Stanley Bible Study Series is a unique approach to Bible study incorporating biblical truth personal insights emotional responses and a call to action Each study draws on Dr Stanley s many years of teaching the guiding principles found in God s Word showing how we can apply them in practical ways to every situation we face Each of the ten lessons includes A brief look at what is covered in the lesson A teaching from Dr Stanley that unpacks the topic of the lesson Application and Bible study questions based on the key points Key takeaways to put into practice today and tomorrow

Preparing the Bride of Christ Alex Delpercio, 2014-03-18

Warning Do not read this book if you are not willing to be changed by the Lord This book uncovers the hidden truth of the preparation of the bride of Christ The message in this book is to help the Christian see some of the necessary elements the Lord uses in preparation for the marriage This teaching is based on Ephesians 5:27 That He Jesus might present it to himself a glorious church not having spot or wrinkle as well as other places in the Bible where this truth is concealed If this teaching is received the heart of the individual Christian will be open to the Lord enabling him to enter the process of preparation which is necessary for the union with Jesus Christ I know it is the earnest desire of the author that as you read this book you would find that pearl of great value that remains hidden until found by a seeking and hungry heart James Parnell Teacher at Cornerstone Bible Center

Dewey Mulholland, 1999-05-26
