Messerschmidt,2018-08-06 James W Messerschmidt s Masculinities and Crime quickly became a classic text for social
scientists examining the relationship between masculinities and crime The book is completely revised and unique in its focus
on Messerschmidt s most important research and theorizing accomplished over the last twenty five years as well as for its
emphasis on selected studies by other scholars that represent the diversity of contemporary research on masculinities and
crime This anniversary edition brings together a combination of the old and the new to examine what insight each have to
offer scholars in terms of knowledge about the social construction of masculinities and crime *The Bride Next Door* Hope
