Spirit-Filled Protestantism Luther Jeremiah Oconer, 2017-10-12 In Spirit filled Protestantism Luther Oconer shows how holiness and Pentecost themed revival meetings called culto Pentecostal helped form the development of Methodism in the Philippines He focuses on these revival meetings their theological content and the spiritual culture they helped perpetuate The resulting narrative provides a rich rendering of both male and female American Methodist missionaries their Filipino counterparts and their followers that both celebrates and critiques them Oconer also offers a unique perspective on Philippine Protestantism which has often been dismissed for being too intellectual and formal He defies the stereotype by demonstrating how culto Pentecostal revivals with their emphasis on holiness and the baptism of the Holy Spirit made Methodism the most innovative and successful of all Protestant denominations in the country prior to the Second World War Accordingly Oconer's treatment explains why Methodism provided a fertile seedbed for the emergence of
