Prescriptions for Success Catherine Towne-Coleman LPC, 2017-10-23 This book is designed to stimulate our thinking and to remind us of what we already know for the most part Hopefully it will help us develop a greater value system and recognize our self worth What really matters to you Each individual is ultimately accountable for himself So let's not waste time on trivial matters such as keeping up with the Joneses Decide what your primary purpose is here on earth and use your mind body and spirit toward accomplishing your purpose I believe that one of my life's purpose is to give back and share some of my life lessons Of course I have been doing this for years A few years ago I started giving my family members a booklet each Christmas with a potpourri of motivational information based on Christian values These words kept coming up in my spirit Tell the people And my answer to this was They will not listen and that's when it hit me to write it down and if they are not ready to hear it they can read it later I am concerned about my fellowman's health well being and soul My desire is to serve as a positive role model and motivator for others Plus the intrinsic rewards of helping others are great This book should serve as an introduction to a successful life It can be used as a resource I am a teacher from the heart and I believe in this Chinese proverb Give a man a fish and feed him for a day teach a man how to fish and feed him for a lifetime My favorite Bible verse is what gets me through life But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you Matthew 6:33
