Has the Pulpit in the Judea-Christian Church Lost Its Relevance Dr. George B. Bailey Jr.,2014-02-03 HAVE THE PULPIT IN THE JUDEA CHRISTIAN CHURCH LOST ITS RELEVANCE Historical and contemporary evidence reveals there are more Christian Churches in the United States of America than any other nation and there is a pulpit in each of these churches but it evident the messages being preached from each Church is not the same as God has ordained It is not that Americans do not know where the local churches are located and what Jesus Bride the Judea Christian Church was established by Him to be the Salt of the earth that is seasoning power to encourage godly living for this was demonstrated in living colors during 9 11 2000 during a vicious attack on our nation by our sworn enemy radical Islam for three months the local Judea Christian churches were capacity filled ever Sunday morning for regular worship services Criminal activity inside and outside the correction systems was reframed but as soon as it was realized that America was not going to be destroyed in the foreseeable future you guessed it we returned to our corrupt and criminal conduct As I travel our nation I visit local Christian churches and here the men and women preaching from behind the pulpit but the messages being preached are not at all in many instances the message God has ordained for the healing our nation What Why When Where and How did we allow false preaching to become acceptable from behind Gods consecrated pulpit in the Judea Christian Church The results are NO JESUS CHRIST NO CHRISTIAN CHURCH NO CHRISTIAN CHURCH NO OBLIGATION TO GOD The Judea Christian communities have began to ignore the Holy Bible Gods inerrant Word and is replaced with entertainment instead of worship and praise unto God and the Word o God has been watered down to meet the standards of the world It is imperative that the pulpit in the Judea Christian Church return to preaching the gospel as God has ordained for only the Word of God can change the heart mind of men women boys and girls from the flesh desires to the desires of the Holy Spirit **Messiah Pulpit** ,1896 Contains text of sermons delivered by M J Savage and others in New York City *Experiencing The Presence Of God (4 In 1 Anthology)* Charles Finney,2000-06-14 Does your heart long to live in God s presence Do you struggle to maintain a daily relationship with Him Learn to continually be found in the very presence of God as Charles Finney reveals how you can receive power from on high rest in true obedience overcome sin live in the freedom of faith and know God s will for your life Strength to overcome the things of this world can be yours as you daily experience the presence of God Sacramental Presence Ruthanna B. Hooke,2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body s experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic

Preaching draws participants into Christ's dying and rising and hence into a mode of power known in vulnerability. Calling hearers into the eschatological event of the resurrection, preaching inherently moves toward proclamation on political and ethical issues. Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism. The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event.

Religious Refugees in the Early Modern World Nicholas Terpstra, 2015-07-28 This book examines the emergence of the religious refugee as a mass phenomenon from the fifteenth through the eighteenth centuries. It considers how Europeans pictured a range of threats as social contagions and how they dealt with these threats by purging ideas, objects, and people.

Presence J. Alexander Sider, Isaac S. Villegas, 2011-06-17 As God's eternal life flows through us, we learn to let go of our pretensions of control and rest into the new life offered in Jesus Christ. This book is an invitation for you to become nonresistant to this movement of God's love for you and the world. Through a variety of sermons and meditations, Sider and Villegas bear witness to a grace that disarms our guardedness and makes room for us to fall into the love of God. Preaching becomes a dispossessive practice as each person is invited to give and receive God's transforming power. The proclamation of the gospel, Villegas and Sider say, should display the priesthood of all believers. Thus the call to preach belongs to the whole congregation and its conversation rather than to the lone preacher and her or his sermon.

Presence: Giving and Receiving God draws on the Mennonite tradition of the *Zeugnis* conversation to explore how the preached Word echoes through all of our voices.

God's Word and Our Words W. Hulitt Gloer, Shawn E. Boyd, 2019-09-18 Written by nationally and internationally known homiletics and preachers, this book offers a fascinating survey of the significant developments in preaching beginning with the Old Testament, moving through the history of preaching, and concluding with a look into the future, all while offering practical suggestions for meeting the challenges that lie ahead. In a unique way, it addresses both the academic issues raised during each period and the practical implications for preaching today and in the future.

Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of *Handbook of Contemporary Preaching* is a comprehensive textbook on preaching and teaching the Bible. Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching.

Stand-Up Preaching Jacob D. Myers,2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance *Reading in the Presence of Christ: A Study of*

Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman,2021-02-11 Bonhoeffer s writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer s biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ **The Present testimony, and**
