Collection Management John Kennedy, 2006-06-01 The rapidly increasing reliance on digital rather than print based resources has not diminished the importance of library collection management but

it has required significant modification in the thinking and the practice of collection managers who today usually have to consider their clients need for both print based and digital materials This updated edition aims to provide a concise overview of the major elements of contemporary collection management of print and digital resources including policy formulation selection acquisition evaluation preservation deselection and cooperative collecting in a way which aims to be of interest to the student and to any other reader seeking an understanding of a particularly dynamic area of librarianship Much that has been previously published on collection management focuses on academic libraries particularly those in North America This book places greater emphasis on the experiences of smaller public and special libraries and attempts to view its subject from the perspective of libraries in Australia and other countries geographically remote from North America and Western Europe Dr John Kennedy has taught collection management at Charles Sturt University for over a decade and has produced several previous publications on the subject Towards Federation 2001 National Library of Australia,1993 Collection of papers from the Towards Federation 2001 conference held in Canberra on 23 26 March 1992 and attended by 140 participants from libraries nationwide Includes the final report and resolutions along with agenda working and background papers Topics addressed include access to information by particular groups such as the Aboriginal community and the disabled and preservation of material Refers to a range of types of documentation such as cartographic material microforms machine readable records theses and oral history and folklore A Most Delicate Monster Jean Dartnall,1998-12-31 A Most Delicate Monster will be particularly useful for practitioners The focus is on the running of small special libraries and particularly the one person library A professional outlook is maintained without neglecting the full range of tasks required in a one person library The practical orientation is supported by the use of checklists Although the book is written with special librarians in mind others will find it useful especially solo librarians Directory of Library Schools and Lecturers in Librarianship in Australia and New Zealand Edward R. Reid-Smith,1994 Education for Librarianship, Australia ,1988 The Australian Library Journal ,1993 Libraries in Australia Peter Biskup,Doreen Mary Goodman,1994 An extensive account of library development in Australia and an analysis of specific collections and libraries is covered in this valuable reference Includes chapters on the National Library of Australia Libraries in Tertiary Institutions Special Libraries and Archival and Manuscript Repositories Indexed Guidelines for Preservation Microfilming in Australia & New Zealand ,1998 Covers types of microform establishing a preservation microfilming project selecting and preparing material including standards for subsequent digitisation quality control bibliographic control storage of masters management of existing microform collections including staff and user education and disaster plans Bibliography of Preservation Literature, 1983-1996 Robert E. Schnare (jr.),Susan G. Swartzburg,George M. Cunha,2001 Preservation encompasses both the prevention of damage and conservation the physical treatment of damaged objects Deteriorating books environmental control building maintenance housekeeping and storage electronic systems security and disaster planning and recovery are

some of the concerns faced by preservation managers Consequently collaboration between collection management conservators and scientists is essential to successfully safeguarding materials The Bibliography of Preservation Literature 1983 1996 highlights the organizations and other resources that will assist in all aspects of collection preservation from protective wrappers to magnetic media to acquisition and organization Professional organizations such as the American Library Association the Society of American Archivists the Guild Book Workers and the Association of Moving Image Archivists are cited While not shying away from controversial issues the comprehensive volume addresses the pragmatic concerns of modern collection preservation Provides access to the best strategies and advice available today in an organized easily accessible format **Australian national bibliography** ,1961 **New Zealand Libraries** ,1992
