## **President Angel:**

The President's Angel Carla Bruce, 2011-03-30 When their candidate for president dies from a massive heart attack on the eve of the party's convention the committee scrambles to find a replacement They agree that the cowboy charm of Drummond Wakefield junior senator from Wyoming is their best bet Appalled at first at the idea of becoming a replacement candidate and with only hours to make a decision Drum weighs the options and decides to go for it A major factor in his decision is the opportunity to run a campaign with no negative or derisive comments about the opposition This creates problems for the party chairman but Drum stands firm Three days after winning the election by a narrow margin he and his team fly to the family ranch in Wyoming to relax On a horseback ride to his favorite place in the mountains an angel appears to Drum and informs him that God has an important role for him to play in the restoration of godly values in America The idea of a God so vitally and personally involved in his life continually keeps Drum off balance He must deal with the puzzled reactions of his wife and others He reveals his renewed commitment to God but does not broadcast the story of the angels visit His boldness to propose new ways to deal with old issues upsets the status quo and a blackmail attempt forces him to admit and deal with an incident from his past As the light that has entered the president's life shines brighter penetrating the darkness of people and situations around him opposition escalates and culminates with an assassination attempt The President's Angel Sophy Burnham, 2016-03-08 The angel appeared in the White House without warning no blowing of trumpets or rushing of wings It stood by the President's bed radiant white Its eyes were pools of love Its light flooded the bedroom surrounding and engulfing the President The angel faded without saying a word but its appearance forever changed the fate of the world Millions of readers have come to cherish Burnham's glorious *A Book of Angels and Angel Letters* Now in her deeply moving novel *The President's Angel* Burnham weaves the divine grace of angelic apparition into a compelling tale of politics passion a spiritual awakening and the world on the brink of annihilation Matthew Adams is the popular vital President of the United States Wars rage Drought and famine spawn violence and migrations Weapons of mass destruction tempt mad generals Fear and despair clamp a stranglehold on the spiritual life in America In a world gone mad the human race sullenly awaits its doom And then an angel appears to the President This is the story of what happens when the most powerful man on earth experiences a spiritual enlightenment His colleagues think he has gone crazy Some plan a coup Woven throughout the book are what Burnham calls commentaries the world as seen from the point of view of angels Christ or God A novel about the eternal dualities of salvation and despair joy and terror love and brutality It unfolds in a great uplifting rush of inspiration Burnham has heard the laughter of angels and fathomed the dark mysteries of the human heart In *The President's Angel* she gives a work to treasure and to muse on in our minds and hearts *Mr. President* Miguel Ángel Asturias, 2022-07-12 A brilliant translation Electrifying vividness animates every page Claire Messud Harper's Magazine A formidable new English translation The New Yorker A masterful translation The Washington Post Nobel Prize
