President Wilson's State Papers and Addresses United States. President (1913-1921 : Wilson), Woodrow Wilson, 1918

Den amerikanske mission Lars Erslev Andersen, 2023-10-10 I Den amerikanske mission analyserer Lars Erslev Andersen USA's ambition om at være en unipolær global magt og han argumenterer for at den truer med at splitte USA og den vestlige civilisation indefra Bogen er den første samlede undersøgelse på dansk af amerikansk sikkerhedspolitisk historie fra USA's grundlæggelse og frem til den aktuelle rivalisering med Kina Forfatteren trækker sikkerhedspolitikken tilbage til USA's ekspansion i 1800-tallet og gennem en læsning af Woodrow Wilsons forfatterskab fra 1800-tallets slutning dokumenterer han at politikeren og den senere præsidents tanker om en fred til at slutte al krig mere var funderet i en religiøs vision end i et politisk gennemført projekt Den amerikanske mission ser politiske myter som en nøgle til forståelse af selve national identitet som internationale konflikter I civilisationsbegreber vover mytologi og magt sig ufravigeligt ind i hinanden

Ethnic Interest Groups and U.S. Foreign Policy Fron Nahzi, 2025-10-29 In 1999 Albanian American community leaders sat with President Bill Clinton in the White House discussing NATO's intervention in Yugoslavia a moment that played a pivotal role in Kosovo's path to independence How did a small ethnic community of roughly 250 000 people gain such remarkable political influence in the United States Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements offers a front row seat to the evolution of Albanian American political activism uncovering the strategies movements and relationships that helped shape U S foreign policy Drawing from exclusive interviews firsthand observations and declassified documents it traces the three defining political movements of Albanian Americans from an early 20th century struggle for Albanian statehood to the grassroots movement's political access and influence at the highest levels today With deep analysis and untold stories Ethnic Interest Groups and U S Foreign Policy The Albanian American Movements reveals how a determined diaspora transformed its influence from the fringes of U S politics to the heart of American foreign policy The book is essential reading for scholars and students studying the impact of interest groups on

American foreign policy Balkan history and contemporary issues diaspora movements and immigration and ethnic identity development generally *Life After Power* Jared Cohen, 2024-02-13 This informative highly readable The Wall Street Journal New York Times bestselling book from the author of the bestseller *Accidental Presidents* explores what happens after the most powerful job in the world President of the United States Former presidents have an unusual place in American life King George III believed that George Washington's departure after two terms made him the greatest character of the age But Alexander Hamilton worried former presidents might wander among the people like ghosts They were both right *Life After Power* tells the stories of seven former presidents from the Founding to today Each changed history Each offered lessons about how to decide what to do in the next chapter of life This book follows the exceptional lives of past presidents including Thomas Jefferson whose time after the White House saw him shaping public debates and founding the University of Virginia an accomplishment he included on his tombstone unlike his presidency John Quincy Adams who served in Congress and became a leading abolitionist passing the torch to Abraham Lincoln Grover Cleveland who was the only president in American history to serve a nonconsecutive term William Howard Taft who became Chief Justice of the Supreme Court Herbert Hoover who shaped the modern conservative movement led relief efforts after World War II reorganized the executive branch and reconciled John F Kennedy and Richard Nixon Jimmy Carter who had the longest post presidency in American history advancing humanitarian causes human rights and peace George W Bush who made a clean break from politics bringing back George Washington's precedent and reminding the public that the institution of presidency is bigger than any person Jared Cohen explores the untold stories in the final chapters of these presidents lives offering a unique and fascinating look at how seven individuals made the transition from the most powerful position in the world to consequential and fulfilling lives post presidency Condoleezza Rice 66th Secretary of State He tells how they handled very human problems of ego finances and questions about their legacy and mortality He shows how these men made history after they left the White House **The Moralist** Patricia O'Toole, 2019-04-16 Acclaimed author Patricia O Toole's superb The New York Times account of Woodrow Wilson one of the most high minded consequential and controversial US presidents A gripping USA TODAY biography *The Moralist* is an essential contribution to presidential history Booklist starred review In graceful prose and deep scholarship Patricia O Toole casts new light on the presidency of Woodrow Wilson Star Tribune Minneapolis *The Moralist* shows how Wilson was a progressive who enjoyed unprecedented success in leveling the economic playing field but he was behind the times on racial equality and women's suffrage As a Southern boy during the Civil War he knew the ravages of war and as president he refused to lead the country into World War I until he was convinced that Germany posed a direct threat to the United States Once committed he was an admirable commander in chief yet he also presided over the harshest suppression of political dissent in American history After the war Wilson became the world's most ardent champion of liberal internationalism a democratic new world order committed to peace collective security and free trade With Wilson's

leadership the governments at the Paris Peace Conference in 1919 founded the League of Nations a federation of the world s democracies The creation of the League Wilson s last great triumph was quickly followed by two crushing blows a paralyzing stroke and the rejection of the treaty that would have allowed the United States to join the League Ultimately Wilson s liberal internationalism was revived by Franklin D Roosevelt and it has shaped American foreign relations for better and worse ever since A cautionary tale about the perils of moral vanity and American overreach in foreign affairs The Moralist does full justice to Wilson s complexities The Wall Street Journal **A Companion to First Ladies** Katherine A.S. Sibley,2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady
