Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the

Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Politics in America* ,1979 **The White House Vice Presidency** Joel K. Goldstein,2017-03-03 I am nothing but I may be everything John Adams the first vice president wrote of his office And for most of American history the nothing part of Adams s formulation accurately captured the importance of the vice presidency at least as long as the president had a heartbeat But a job that once was not worth a bucket of warm spit according to John Nance Garner became in the hands of the most recent vice presidents critical to the governing of the country on an ongoing basis It is this dramatic development of the nation s second office that Joel K Goldstein traces and explains in *The White House Vice Presidency* The rise of the vice presidency took a sharp upward trajectory with the vice presidency of Walter Mondale In Goldstein s work we see how Mondale and Jimmy Carter designed and implemented a new model of the office that allowed the vice president to become a close presidential adviser and representative on missions that mattered Goldstein takes us through the vice presidents from Mondale to Joe Biden presenting the arrangements each had with his respective president showing elements of continuity but also variations in the office and describing the challenges each faced and the work each did The book also examines the vice presidential selection process and campaigns since 1976 and shows how those activities affect and or are affected by the newly developed White House vice presidency The book presents a comprehensive account of the vice presidency as the office has developed from Mondale to Biden But *The White House Vice Presidency* is more than that it also shows how a constitutional office can evolve through the repetition of accumulated precedents and demonstrates the critical role of political leadership in institutional development In doing so the book offers lessons that go far beyond the nation s second office important as it now has become **Through the Maelstrom** Boris Gorbachevsky,2015-03-27 The monumental battles of World War II s Eastern Front Moscow Stalingrad Kursk are etched into the historical record But there is another hidden history of that war that has too often been ignored in official accounts Boris Gorbachevsky was a junior officer in the 31st Army who first saw front line duty as a rifleman in the 30th Army *Through the Maelstrom* recounts his three harrowing years on some of the war s grimmest but forgotten battlefields the campaign for Rzhev the bloody struggle to retake Belorussia and the bitter final fighting in East Prussia As he traces his experiences from his initial training through the maelstrom to final victory he provides one of the richest and most detailed memoirs of life and warfare on the Eastern Front Gorbachevsky s panoramic account takes us from infantry specialist school to the front lines to rear services areas and his whirlwind romances in wartime Moscow He recalls the shriek of Katiusha rockets flying overhead toward the enemy and the unforgettable howl of Stukas divebombing Soviet tanks And he conveys horrors of brutal fighting not recorded previously in English including his own participation in a human wave assault that decimated his regiment at Rzhev with piles of corpses growing the closer they got to the German trenches Gorbachevsky also records the sufferings of the starving citizens of Leningrad the savage execution of a Russian scout who turned in false information the killing of an innocent German trying

to welcome the Soviet troops and a chilling campfire discussion by four Russian soldiers as they compared notes about the women they d raped His memoir brims with rich descriptions of daily army life the challenges of maintaining morale and relationships between soldiers It also includes candid exposé of the many problems the Red Army faced the influence of political officers the stubbornness of senior commanders the attrition through desertions and the initial months of occupation in postwar Germany Through the Maelstrom features the swiftly moving narrative and rich dialogue associated with the grand style of great Russian literature Ultimately it provides a fitting and final testament to soldiers who fought and died in anonymity Guide to U.S. Elections Deborah Kalb,2015-12-24 The CQ Press Guide to U S Elections is a comprehensive two
