Presidential Leadership Rating The Best And The Worst In The White House

David Mark

Presidential Leadership Rating The Best And The Worst In The White House:

Presidential Leadership James Taranto, Leonard Leo, 2004-07-30 What makes a president great Two of America's most prominent institutions The Wall Street Journal and the Federalist Society with the help of a wide array of eminent scholars, journalists and political leaders tackle this question in Presidential Leadership the definitive ranking of our nation's chief executives Based on a survey conducted by the Federalist Society and the Journal Presidential Leadership examines presidential performance in this collection of provocative enlightening essays written by a distinguished and diverse group of authors The survey included seventy-eight liberal and conservative scholars balancing the sample to reflect the political makeup of the U.S. population as a whole It represents the first national survey in book form that provides a complete ranking of the presidents along with an appendix that explains the methodology in detail and includes a wide range of valuable data The result is an important fresh and engaging book rating the presidents from Washington to Clinton and including an early assessment of George W. Bush's presidency by Journal editorial page editor Paul Gigot Nearly fifty contributors provide their insights with one essay on each president or on a broader issue of presidential leadership Among them Forrest McDonald on Thomas Jefferson Lynne Cheney on James Madison Douglas Brinkley on James Polk Christopher Buckley on James Buchanan Jay Winik on Abraham Lincoln John McCain on Theodore Roosevelt Robert Dallek on Lyndon B. Johnson Peggy Noonan on John F. Kennedy Paul Johnson on Bill Clinton Their compelling essays packed with fascinating and often surprising insights analyze the best and worst of our commanders in chief Presidential Leadership is the lively result at once a valuable reference and a tremendously readable collection

[The Hardest Job in the World](#) John Dickerson, 2021-03-23 NEW YORK TIMES BESTSELLER From the veteran political journalist and 60 Minutes correspondent a deep dive into the history, evolution and current state of the American presidency and how we can make the job less impossible and more productive featuring a new post-2020 election epilogue This is a great gift to our sense of the actual presidency a primer on leadership Ken Burns Imagine you have just been elected president You are now commander in chief chief executive chief diplomat chief legislator chief of party chief voice of the people first responder chief priest and world leader You're expected to fulfill your campaign promises but you're also expected to solve the urgent crises of the day What's on your to-do list Where would you even start What shocks aren't you thinking about The American presidency is in trouble It has become overburdened misunderstood almost impossible to do The problems in the job unfolded before Donald Trump was elected and the challenges of governing today will confront his successors writes John Dickerson After all the founders never intended for our system of checks and balances to have one superior Chief Magistrate with Congress demoted to the little brother who can't keep up In this eye-opening book John Dickerson writes about presidents in history such as Washington Lincoln FDR and Eisenhower and in contemporary times from LBJ and Reagan and Bush Obama and Trump to show how a complex job has been done and why we need to reevaluate how we view the presidency how we choose our presidents and what we

expect from them once they are in office Think of the presidential campaign as a job interview Are we asking the right questions Are we looking for good campaigners or good presidents Once a candidate gets the job what can they do to thrive Drawing on research and interviews with current and former White House staffers Dickerson defines what the job of president actually entails identifies the things that only the president can do and analyzes how presidents in history have managed the burden What qualities make for a good president Who did it well Why did Bill Clinton call the White House the crown jewel in the American penal system The presidency is a job of surprises with high stakes requiring vision management skill and an even temperament Ultimately in order to evaluate candidates properly for the job we need to adjust our expectations and be more realistic about the goals the requirements and the limitations of the office As Dickerson writes Americans need their president to succeed but the presidency is set up for failure It doesn't have to be Perspectives on Presidential Leadership Michael Patrick Cullinane, Clare Frances Elliott, 2014-02-18 In 2011 Barack Obama invited ten distinguished biographers to the White House to ask them one question which past American president should I emulate This was not the first time Obama asked scholars this but the answer he received would differ as presidential legacies waxed and waned In 2008 Obama chose Lincoln in 2009 Reagan and in 2010 Theodore Roosevelt Perspectives on Presidential Leadership is an examination of presidential legacy and in particular an analysis of the first ever UK ranking of American presidents which took place in 2011 In thirteen chapters thirteen individual presidential administrations are assessed Some presidents have been considered a success others a failure both types are featured in these thirteen case studies in a measured attempt to understand how the perception of presidential leadership evolves shifts and contorts across three centuries of American politics The case studies also derive from the expertise of the collected British Irish and Canadian authors all of whom are leading scholars in their fields and many of which took part in the 2011 survey At a time when understanding presidential legacy is in high demand this book offers a unique international perspective Through extended commentary and inter disciplinary study of the UK perspective it provides groundbreaking research *The Enduring Reagan* Hugh Heclo, James W. Ceaser, George H. Nash, Stephen F. Knott, Paul G. Kengor, Andrew E. Busch, Stephen F. Hayward, Michael Barone, 2009-09-04 Essays on the fortieth president and how he changed our world Hands down the finest compilation on Ronald Reagan that exists Robert G Kaufman author of In Defense of the Bush Doctrine A former Sunday school teacher and Hollywood actor Ronald Reagan was an unlikely candidate for president but his charisma conviction and leadership earned him the governorship of California from which he launched his successful bid to become the fortieth president of the United States in 1980 Reagan's political legacy continues to be the standard by which all conservatives are judged In *The Enduring Reagan* editor Charles W Dunn brings together eight prominent scholars to examine the political career and legacy of Ronald Reagan This anthology offers a bold reassessment of the Reagan years and the impact they had on the United States and the world Includes contributions by Charles W Dunn Hugh Heclo James W Ceaser George H Nash

Stephen F Knott Paul G Kengor Andrew E Busch Steven F Hayward Michael Barone **The Development of the American Presidency** Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons **The End of Greatness** Aaron David Miller, 2014-10-07 The Presidency has always been an implausible some might even say an impossible job Part of the problem is that the challenges of the presidency and the expectations Americans have for their presidents have skyrocketed while the president s capacity and power to deliver on what ails the nation has diminished Indeed as citizens we continue to aspire and hope for greatness in our only nationally elected office The problem of course is that the demand for great presidents has always exceeded the supply As a result Americans are adrift in a kind of Presidential Bermuda Triangle suspended between the great presidents we want and the ones we can no longer have The End of Greatness explores the concept of greatness in the presidency and the ways in which it has become both essential and detrimental to America and the nation s politics Miller argues that greatness in presidents is a much overrated virtue Indeed greatness is too rare to be relevant in our current politics and driven as it is by nation encumbering crisis too dangerous to be desirable Our preoccupation with greatness in the presidency consistently inflates our expectations skews the debate over presidential performance and drives presidents to misjudge their own times and capacity And our focus on the individual misses the constraints of both the office and the times distorting how Presidents actually lead In wanting and expecting our leaders to be great we have simply made it impossible for them to be good The End of Greatness takes a journey through presidential history helping us understand how greatness in the presidency was achieved why it s gone and how we can better come to appreciate the presidents we have rather than being consumed with the ones we want Politically Incorrect Guide to the Presidents, Part 2 Steven F. Hayward, 2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **The Development of the American Presidency** Richard Ellis, 2022-05-02 A full understanding of

the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

Polk Walter R. Borneman, 2009-04-14 In *Polk* Walter R Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment James K Polk occupied the White House for only four years from 1845 to 1849 but he plotted and attained a formidable agenda He fought for and won tariff reductions reestablished an independent Treasury and most notably brought Texas into the Union bluffed Great Britain out of the lion s share of Oregon and wrested California and much of the Southwest from Mexico On reflection these successes seem even more impressive given the contentious political environment of the time In this unprecedented long overdue work and all look at Polk s life and career we have a portrait of an expansionist president and decisive statesman who redefined the country he led and we are reminded anew of the true meaning of presidential accomplishment and resolve

Where They Stand Robert W. Merry, 2012 Merry examines how and why presidents succeed and fail by recounting the judgments of historians and comparing them to how the voters saw things

America William J. Bennett, 2007-10-16

Confidence and Character James A. Pingel II, 2014-12-09 His birthday was once celebrated as a

national holiday and his portrait once adorned the walls of almost every classroom in the United States He was a victorious Revolutionary War general a crucial influence in the creation of the Constitution and the first President of the United States Today unfortunately many only know America's first hero and the Father of His Country as a slaveholder with wooden teeth or as the somber looking man on the one dollar bill To many he remains a distant mysterious and unapproachable figure from a day long gone The truth about George Washington however is much different He was America's most successful venerated and indispensable founding father So who was this man What made him such a singularly successful leader What lessons can be learned from his life Confidence and Character The Religious Life of George Washington examines religion's impact on the private and public man Too often ignored underemphasized suppressed or distorted Washington's religious faith fundamentally inspired and nurtured his worldview vocational performance and leadership This is the Washington we need to get to know and learn from even today

The Unitary Executive Steven G. Calabresi, Christopher S. Yoo, 2008-10-01 This book is the first to undertake a detailed historical and legal examination of presidential power and the theory of the unitary executive This theory that the Constitution gives the president the power to remove and control all policy making subordinates in the executive branch has been the subject of heated debate since the Reagan years To determine whether the Constitution creates a strongly unitary executive Steven G Calabresi and Christopher S Yoo look at the actual practice of all forty three presidential administrations from George Washington to George W Bush They argue that all presidents have been committed proponents of the theory of the unitary executive and they explore the meaning and implications of this finding

America-The Last Best Hope (One-Volume Edition) William J. Bennett, 2019-10-22 A single volume edition of William J Bennett's bestselling series thoroughly revised and updated The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett's wonderfully readable book is so important Walter Isaacson A decade ago William J Bennett published a magisterial three volume account of our nation's history Now Bennett returns to that bestselling trilogy revising and condensing his epic tale into one volume a page turning narrative of our exceptional nation In Bennett's signature gripping prose Washington Franklin Lincoln Roosevelt Reagan and others reemerge not as marble icons or dust dry names in a textbook but as full blooded heroic pioneers whose far reaching vision forged a nation that attracted and still attracts millions yearning to breathe free In this riveting volume Bennett covers America's greatest moments in breath taking detail from the heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War from the fall of the Berlin Wall and the collapse of global Communism to the attacks of 9/11 and the war on terror William J Bennett captures the players personalities and pivotal moments of American history with piercing insight and unrelenting optimism In this gripping tale of a nation the story of what Lincoln referred to as the last best hope of earth comes alive in all its drama and personality

God Bless America Dean C. Coddington, Richard L. Chapman, 2007-08-01 Carefully reviewing

events from 1500 AD to 1830 AD Coddington and Chapman provide a persuasive list of examples of how they believe God favorably intervened in the establishment of the United States Regardless of whether you agree or disagree with their arguments you will be amazed at the number of times the margin between victory and defeat was determined by factors totally outside human control C Craig Williford PhD president Denver Seminary With the deep division in the United States today over religion and politics the question of religion s decisive role in shaping America s founding and heritage remains a pivotal one Dean Coddington and Richard Chapman bring a unique and highly informative contribution to this ongoing dialogue by examining religion s influence on early American history through such tools as probability analysis Coddington and Chapman question whether religion and a desire for independence worked together to establish and sustain early America They explore the connection through their comprehensive summaries of the American Revolution the first six presidencies the Louisiana Purchase and other historically significant events up until 1830 They also take a closer look at an often overshadowed component in the equation the first and second Great Awakenings religious revivals that effectively changed America s culture With detailed examples documented evidence and thoughtful conclusions God Bless America is a powerful addition to the growing collection of literature on this controversial topic

Top Ten Global Justice Law Review Articles 2008 Amos Guiora,2009-09-11 Top Ten Global Justice Law Review Articles 2008 is a thorough and accessible review of the most salient the most controversial and the most illuminating essays on security law in the previous calendar year In this edition Professor Amos Guiora presents the ten most vital and pertinent law review articles from 2008 written by both scholars who have already gained international prominence as experts in global justice as well as emerging voices in the realm of international criminal law and human rights These articles deal with issues of terrorism security law environmental law and the preservation of civil liberties in the post 9 11 world The chosen selections derive not just from the high quality and expertise of the articles authors but equally from the wide diversity of legal issues addressed by those authors Guiora combines the expertise of scholars from both eminent law schools and government agencies to provide a valuable resource for scholars and experts researching this important subject area This annual review provides researchers with more than just an authoritative discussion on the most prominent global justice debates of the day it also educates researchers on new issues that have received far too little attention in the press and in academia These expert scholars and leaders tackle and give voice to issues that range from the psychology of terrorism to the role of oil in the Sudanese genocide to the oppression of women in new Arab democracies to transnational environmental cooperation and beyond Together the vast knowledge and independent viewpoints represented by these ten authors make this volume a valuable resource for individuals new to the realm of global justice and for advanced researchers with a sophisticated understanding of the field Top Ten Global Justice Law Review Articles 2008 serves as a one stop guidebook on how both the U S and the world generally are currently grappling with fundamental principles of social and political life

Popular Government William Howard Taft, William Taft, The modern presidency is increasingly seen as in trouble by all sides of the political spectrum and by people of the most diverse political views Understanding why this is the case requires examining the basic principles of the presidency itself and there is no better place to start than William Howard Taft's Popular Government His views on executive power and constitutional interpretation of this power are not rooted in nostalgia Instead Taft describes how and why the Progressive Movement marked one of the major turning points in American political thought Taft wrote out of concern over the nature of the American system itself He sought to describe the founding principles of the country arguing that grasping these is essential for Americans understanding of themselves as a people and for their daily exercise of citizenship The concerns he addressed remain central today That is because Taft's quarrels with the liberal progressive tradition in politics have not yet completely played themselves out either in academic life or in the political arena In a brilliant new introduction Sidney Pearson argues that neither Roosevelt nor Wilson should be viewed as enemies of free government by any serious student of American political thought nor should Taft be so regarded either The concerns Taft engages remain important for any understanding of the problems that confront the American experiment in popular government Popular Government is a basic introduction to debate about the nature of

the presidency and the larger constitutional context in which such arguments take place There is no better way to gain perspective on the debate than reading this volume William Howard Taft served as the twenty third president of the United States from 1909 1913 and as Chief Justice of the Supreme Court from 1921 1930 He is the only person to have held the highest office in two of the three branches of American government He wrote numerous books including Our Chief Magistrate and His Powers The Anti Trust Act and the Supreme Court and The Covenant An American Exposition of the Covenant of the League of Nations Sidney A Pearson Jr is professor emeritus of political science at Radford University He is also the series editor of Library of Liberal Thought at Transaction Publishers

Going Dirty David Mark, 2009-04-16 Going Dirty is a history of negative campaigning in American politics and an examination of how candidates and political consultants have employed this often controversial technique The book includes case studies on notable races throughout the television era in which new negative campaign strategies were introduced or existing tactics were refined and amplified upon Strategies have included labeling opponents from non traditional political backgrounds as dumb or lightweight an approach that got upended when a veteran actor and rookie candidate named Ronald Reagan won the California governorship in 1966 setting him on a path to the White House The negative tone of campaigns has also been ratcheted up dramatically since the terrorist attacks of September 11 2001 Campaign commercials now routinely run pictures of international villains and suggest sometimes overtly at other times more subtly that political opponents are less than resolute in prosecuting the war on terror The book also outlines a series of races in which negative campaigning has backfired because the charges were not credible or the candidate on the attack did not understand the political sentiments of the local electorate they were trying to persuade The effect of newer technologies on negative campaigning is also examined including blogs and Web video in addition to tried and true methods like direct mail

In Defense of the Founders Republic Lonce H. Bailey, Jerome M. Mileur, 2015-03-12 Who were the Progressive reformers arguing with The answer might surprise you Drawing together a veritable powerhouse of scholars from across the political spectrum In Defense of the Founders Republic examines the historical roots of these critics as well as their potential contribution to current debates about government and role of politics and institutions in our constitutional republic Profiles and debates across a variety of progressive era dissenters including politicians community activists political scientists and socialists create a more complete picture of the national conversation and the development of this monumental American political era With clear contemporary relevance In Defense of the Founders Republic is required reading for anyone interested in the complete progressive debate

Presidential Leadership Rating The Best And The Worst In The White House Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presidential Leadership Rating The Best And The Worst In The White House has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Leadership Rating The Best And The Worst In The White House has opened up a world of possibilities. Downloading Presidential Leadership Rating The Best And The Worst In The White House provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Leadership Rating The Best And The Worst In The White House has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Leadership Rating The Best And The Worst In The White House. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Leadership Rating The Best And The Worst In The White House. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Leadership Rating The Best And The Worst In The White House, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Leadership Rating The Best And The Worst In The White House has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
