

Presidents and Their Parties: Leadership or Neglect? (American political parties and elections)

Harmel, R.

Note: This is not the actual book cover

Presidents And Their Parties Leadership Or Neglect

Jon R. Bond, Richard Fleisher

Presidents And Their Parties Leadership Or Neglect:

Presidents and Their Parties Robert Harmel, 1984 Integrating historical analyses of the Presidency from Washington to Reagan with political analyses these articles analyze the relationships of American Presidents with their national political parties The authors examine the behavior of Presidents toward the party as organization and the party in government They describe Presidential party leadership Presidential neglect and domination of the parties Includes proposals for strengthening the relationship of President and party including recommendations that would require changes through procedural reform ISBN 0 03 062012 0 26 95 Guide to the Presidency and the Executive Branch Michael

Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions **Historical Dictionary of United States Political Parties**

Harold F. Bass Jr., 2020-01-26 For over two centuries political parties have competed in encouraging organizing and directing

political activity in the United States This volume compiles the key concepts terms labels and individuals central to identifying and comprehending these key roles political parties have played in American political life The dictionary contains brief biographies of party leaders major party presidential tickets noteworthy minor party presidential nominees congressional party leaders including Speakers of the House of Representatives presidents pro tempore of the Senate and floor leaders for both the majority and minority parties in each chamber and chairs of the national party committees of the Democratic and Republican Parties In addition to party leaders it also address the institutional offices they occupy and represent This third edition of Historical Dictionary of United States Political Parties contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on concepts terms labels and individuals central to identifying and comprehending the key roles political parties have played in American political life This book is an excellent resource for students researchers and anyone wanting to know more about United States Political Parties

The Party Politics of Presidential Rhetoric Amnon Cavari, 2017-03-10 By bringing together two bodies of literature the presidency and political parties this book makes two important contributions First it addresses the gap between presidential public actions and the perceived limited effect they have on public opinion By examining the short term effect of speeches of presidents on the entire public the long term effect of the speeches on their partisans and on the reputations of their parties for handling policy the book shows that presidents are effective leaders of public opinion Second the book adds to the scholarly interest in how political parties are viewed by the electorate in terms of policy substance It suggests that Americans possess coherent reputations of the parties for handling policy challenges and that these reputations contribute to the party identifications of Americans The effect of presidents on the reputations and in turn party attachments position them as leaders of the party system

Presidential Party Building Daniel J. Galvin, 2009-09-21 Modern presidents are usually depicted as party predators who neglect their parties exploit them for personal advantage or undercut their organizational capacities Challenging this view Presidential Party Building demonstrates that every Republican president since Dwight D Eisenhower worked to build his party into a more durable political organization while every Democratic president refused to do the same Yet whether they supported their party or stood in its way each president contributed to the distinctive organizational trajectories taken by the two parties in the modern era Unearthing new archival evidence Daniel Galvin reveals that Republican presidents responded to their party's minority status by building its capacities to mobilize voters recruit candidates train activists provide campaign services and raise funds From Eisenhower's Modern Republicanism to Richard Nixon's New Majority to George W Bush's hopes for a partisan realignment Republican presidents saw party building as a means of forging a new political majority in their image Though they usually met with little success their efforts made important contributions to the GOP's cumulative organizational development Democratic presidents in contrast were primarily interested in exploiting the majority they inherited not in building a new one Until their

majority disappeared during Bill Clinton's presidency Democratic presidents eschewed party building and expressed indifference to the long term effects of their actions Bringing these dynamics into sharp relief **Presidential Party Building** offers profound new insights into presidential behavior party organizational change and modern American political development Roosevelt Sean J. Savage, 2014-10-17 FDR the wily political opportunist glowing with charismatic charm a leader venerated and hated with equal vigor such is one common notion of a president elected to an unprecedented four terms But in this first comprehensive study of Roosevelt's leadership of the Democratic party Sean Savage reveals a different man He contends that far from being a mere opportunist Roosevelt brought to the party a conscious agenda a longterm strategy of creating a liberal Democracy that would be an enduring majority force in American politics The roots of Roosevelt's plan for the party ran back to his experiences with New York politics in the 1920s It was here Savage argues that Roosevelt first began to perceive that a pluralistic voting base and a liberal philosophy offered the best way for Democrats to contend with the established Republican organization With the collapse of the economy in 1929 and the discrediting of Republican fiscal policy Roosevelt was ready to carry his views to the national scene when elected president in 1932 Through his analysis of the New Deal Savage shows how Roosevelt made use of these programs to develop a policy agenda for the Democratic party to establish a liberal ideology and most important to create a coalition of interest groups and voting blocs that would continue to sustain the party long after his death A significant aspect of Roosevelt's leadership was his reform of the Democratic National Committee which was designed to make the party's organization more open and participatory in setting electoral platforms and in raising financial support Savage's exploration of Roosevelt's party leadership offers a new perspective on the New Deal era and on one of America's great presidents that will be valuable for historians and political scientists alike **Remaking the Democratic Party** Hanes Walton, Pearl K. Ford, Josephine Allen, 2016-08-09 Examining Southern support for Johnson throughout his political career and his transformative leadership of the Democratic Party

The American Presidency Sidney M. Milkis, Michael Nelson, 2015-03-03 The American Presidency examines the constitutional foundation of the executive office and the social economic political and international forces that have reshaped it along with the influence individual presidents have had Authors Sidney Milkis and Michael Nelson look at each presidency broadly focusing on how individual presidents have sought to navigate the complex and ever changing terrain of the executive office and revealing the major developments that launched a modern presidency at the dawn of the twentieth century By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States this award winning book offers perspective and insight on the limitations and possibilities of presidential power In this Seventh Edition marking the 25th anniversary of The American Presidency's publication the authors add new scholarship to every chapter reexamine the end of George W Bush's tenure assess President Obama's first term in office and explore Obama's second term **Historical Dictionary of United States Political Parties** Harold

Bass,2000-06-14 This book consists of concise entries on the parties major and minor past and present and their leaders including all presidents and vice presidents **The President as Party Leader** James W. Davis,1992-03-30 Analysis of relationship between presidents political parties plus potential effect of reforms *Guide to the Presidency* Michael Nelson,2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office *Roosevelt's Purge* Susan Dunn,2012-05-07 In his first term in office Franklin Roosevelt helped pull the nation out of the Great Depression with his landmark programs In November 1936 every state except Maine and Vermont voted enthusiastically for his reelection But then the political winds shifted Not only did the Supreme Court block some of his transformational experiments but he also faced serious opposition within his own party Conservative Democrats such as Senators Walter George of Georgia and Millard Tydings of Maryland allied themselves with Republicans to vote down New Deal bills Susan Dunn tells the dramatic story of FDR s unprecedented battle to drive his foes out of his party by intervening in Democratic primaries and backing liberal challengers to conservative incumbents Reporters branded his tactic a purge and the inflammatory label stuck Roosevelt spent the summer months of 1938 campaigning across the country defending his progressive policies and lashing out at conservatives Despite his efforts the Democrats took a beating in the midterm elections The purge stemmed not only from FDR s commitment to the New Deal but also from his conviction that the nation needed two responsible political parties one liberal the other conservative Although the purge failed at great political cost to the president it heralded the realignment of political parties that would take place in the 1960s 1970s and 1980s By the end of the century the irreconcilable tensions within the Democratic Party had exploded and the once solidly Democratic South was solid no more It had taken sixty years to resolve the tangled problems to which FDR devoted one frantic memorable summer **The Presidency A-Z** Michael Nelson,2013-11-26 An illustrated reference guide that offers quick answers to readers questions about the American presidency and the individuals who have served it all American presidents are included Abundant charts tables illustrations and a detailed index enhance more than 300 alphabetical entries that bring to

life the history processes and personalities connected to America's highest office This Second Edition includes information up through the 1996 election and President Clinton's second term *The American Presidency Under Siege* Gary L.

Rose, 1997-03-20 This book explores the failure of the modern American presidency a failure the author attributes to the development of a political system that impedes creative leadership The American presidency Gary L. Rose argues is under siege Surrounded and blockaded by a reactionary Congress an entrenched bureaucracy an aggressive media lobbyists political action committees and special interest groups American presidents fail not because of a lack of ability or character but because of the political system and style of politics inside the Beltway Rose ascribes this emergence of a political system that obstructs presidential leadership to the decline of political parties as electoral and governing mechanisms As political parties have declined presidents have lost vital political connections that historically have enhanced their capacity to lead He presents a variety of prescriptive measures including political party and legal reform that have the potential to restore political parties and the governing capacity of the presidency *Challenges to Party Government* John Kenneth

White, Jerome M. Mileur, 1992 Former British Prime Minister Benjamin Disraeli once commented that in times of great political change and rapid political transition it will generally be observed that political parties find it convenient to rebaptize themselves Fifty years after the publication of E. E. Schattschneider's *Party Government* and forty two years after the publication of *Toward a More Responsible Two Party System* distinguished scholars including Everett Carl Ladd Wilson Carey McWilliams John S. Jackson III Sidney M. Milkis and scholar congressmen David E. Price D. NC and William M. Thomas R. CA reevaluate the long standing assumptions that surround the responsible parties argument In this collection of essays edited by John Kenneth White and Jerome M. Mileur contributors voice their perspectives on the challenges confronting the party system of government in the United States Elections in which the party system fails to frame issues satisfactorily and the rise of an American state without the helping hand of parties to run it have all contributed to a political crisis of confidence in party government Indeed White recently termed Ross Perot's candidacy a wake up call for Democrats and Republicans Still while their analysis of current party government acknowledges problems these authors favor a resurgence of the party system arguing that political parties are the indispensable instruments of communication between our country's voters and their elected officials For those political scientists elected officials and voters who share their wish immersing these once grand institutions into the born again waters of a Disraeli type baptism remains the single most important challenge of the decade ahead **The Executive Branch** Joel D. Aberbach, 2005 Presents a collection of essays that provide

an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level

The Eisenhower Presidency Andrew J. Polsky, 2015-11-30 We are in the midst of a Dwight Eisenhower revival Today pundits often look to Eisenhower as a model of how a president can govern across party lines and protect American interests

globally without resorting too quickly to the use of force Yet this mix of nostalgia and frustration with the current polarized state of American politics may mislead us Eisenhower's presidency has much to teach us today about how a president might avert crises and showdowns at home or abroad But he governed under conditions so strikingly different from those a chief executive faces in the early 21st century that we need to question how much of his style could work in our own era The chapters in this volume address the lessons we can draw from the Eisenhower experience for presidential leadership today Although most of the authors find much to admire in the Eisenhower record they express varying opinions on how applicable his approach would be for our own time On one side they appreciate his limited faith in the power of his words to move public opinion and his reluctance to turn to the use of force to solve international problems On the other side it was plain that Ike's exercise of hidden hand leadership in Fred Greenstein's evocative term would not be possible in the modern media environment that makes Washington a giant fishbowl and instant revelation an acceptable norm Both Eisenhower admirers and skeptics and many of the authors are both will find much in these essays to reinforce their preconceptions and much that is unsettling Eisenhower emerges as an effective but flawed leader He was in many ways the right man for his time but limited because he was also a man of his time

Leadership and the Bush Presidency Ryan J. Barilleaux, Mary E. Stuckey, 1992-09-17 George Bush's critics charge the president with paying undue attention to opinion polls focusing on symbol rather than substance and allowing the nation to drift at a time that loudly demands leadership In response Mr Bush's defenders applaud him for his prudence in the face of international instability his resolution in the face of Iraqi aggression and his realistic approach to national problems Each chapter of *Leadership and the Bush Presidency* addresses these issues with specific regard to the upcoming presidential election the potential for governance in a second term and the legacy of the Bush presidency for future presidents *Leadership and the Bush Presidency* offers the most comprehensive coverage of the Bush presidency to date It includes chapters by the nation's foremost political scientists on leadership executive branch relations Congress federalism public opinion the Republican Party conservatives domestic and foreign policy and civil rights This important book should appeal to the general reader seeking information about Bush's approach to the presidency and the conduct of his first term in office to scholars interested in leadership and the contemporary presidency to students seeking better understanding of the chief executive office in our times and to libraries with collections in American politics and history

The Presidency A to Z Gerhard Peters, John T. Woolley, Michael Nelson, 2012-06-15 The one stop reference on all aspects of the U.S. presidency *The Presidency A to Z* Fifth Edition is an authoritative and accessible volume providing all the basic information readers need to understand the executive branch This new and extensively revised fifth edition features important new entries on Barack Obama Michelle Obama John McCain Guantanamo Bay and War in Afghanistan It also includes updated entries on Campaign Finance Iraq War Presidents relationship with Congress and many more More 300 comprehensive easy to read entries offer quick information and in depth background on how the executive branch has

responded to the challenges facing the nation Readers will find Biographies of every president and many others important to the office Explanations of broader concepts and powers relating to the presidency Complete election coverage and analysis Discussions of relations with Congress the Supreme Court the bureaucracy political parties the media interest groups and the public Exploration of the policies of each president and their impact on U S and world history The President in the Legislative Arena Jon R. Bond, Richard Fleisher, 1990 In recent years the executive branch's ability to maneuver legislation through Congress has become the measure of presidential success or failure Although the victor of legislative battles is often readily discernible debate is growing over how such victories are achieved In The President in the Legislative Arena Jon R Bond and Richard Fleisher depart dramatically from the concern with presidential influence that has dominated research on presidential congressional relations for the past thirty years Of the many possible factors involved in presidential success those beyond presidential control have long been deemed unworthy of study Bond and Fleisher disagree Turning to democratic theory they insist that it is vitally important to understand the conditions under which the executive branch prevails regardless of the source of that success Accordingly they provide a thorough and unprecedented analysis of presidential success on congressional roll call votes from 1953 through 1984 Their research demonstrates that the degree of cooperation between the two branches is much more systematically linked to the partisan and ideological makeup of Congress than to the president's bargaining ability and popularity Thus the composition of Congress inherited by the president is the single most significant determinant of the success or failure of the executive branch

Presidents And Their Parties Leadership Or Neglect Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presidents And Their Parties Leadership Or Neglect free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presidents And Their Parties Leadership Or Neglect free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presidents And Their Parties Leadership Or Neglect free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presidents And Their Parties Leadership Or Neglect. In conclusion, the internet offers numerous platforms and websites that

allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidents And Their Parties Leadership Or Neglect any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presidents And Their Parties Leadership Or Neglect Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidents And Their Parties Leadership Or Neglect is one of the best book in our library for free trial. We provide copy of Presidents And Their Parties Leadership Or Neglect in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidents And Their Parties Leadership Or Neglect. Where to download Presidents And Their Parties Leadership Or Neglect online for free? Are you looking for Presidents And Their Parties Leadership Or Neglect PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidents And Their Parties Leadership Or Neglect. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Presidents And Their Parties Leadership Or Neglect are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidents And Their Parties Leadership Or Neglect. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Presidents And Their Parties Leadership Or Neglect To get started finding Presidents And Their Parties Leadership Or Neglect, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidents And Their Parties Leadership Or Neglect So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Presidents And Their Parties Leadership Or Neglect. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidents And Their Parties Leadership Or Neglect, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidents And Their Parties Leadership Or Neglect is available in our book collection an online access to it is set as public so you can download it instantly.
