Presidents from Adams Through Polk, 1825-1849, 2005 **Presidents from Adams through Polk, 1825-1849** David A. Smith, 2005-06-30 It was the Era of Good Feelings but all was not well with the young Republic From 1825 to 1849 presidents John Quincy Adams Andrew Jackson Martin Van Buren William Henry Harrison John Tyler and James K Polk grappled with the legacy of the Monroe Doctrine Indian removal territorial expansion the National Bank tariffs economic depressions War with Mexico near war with Great Britain and the place of slavery in the growing nation As one would expect from confident citizens of the burgeoning young country conflicting arguments swirled around the hot button issues of the day This rich resource of primary documents enables students to read these arguments first hand and feel the passions and study the logic driving their often forceful positions All of the primary documents are annotated and placed into historical context A thorough index concludes the work *Presidents from Eisenhower through Johnson, 1953-1969* John King, John R. Vile, 2005-12-30 Throughout the 1950s and 1960s Communism and the Cold War pervaded almost every aspect of American policy and concern Eisenhower s Highway Act sought to strengthen America with the sort of roads system and military advantage Germany s Autobahn provided in World War II Kennedy looked to space the Peace Corps and the schools to improve America s actual and perceived status in the eyes of the world LBJ continually found concerns about Southeast Asia pressing in upon him notwithstanding his desire to found a new Great Society in the United States However despite the Cold War and demands of international politics these three presidents were continually involved in critical debates about the domestic future of America and their roles and victories in these debates have left deep impressions upon American society This volume provides readers with access to the primary documents both foreign and domestic that reflect the debates that have had such a strong influence in shaping the United States This resource covers thirty two key issues and initiatives of the Eisenhower Kennedy and Johnson presidencies An introductory overview of each president s administration provides a useful window through which to assess the specific debates and documents addressed and each of these individual issues is also supplemented by a brief introductory discussion Among the issues covered are Eisenhower s attempt to establish a new look for national defense the Eisenhower doctrine and the National Defense Education Act Kennedy s Alliance for Progress and Peace Corps programs his role in Cuba his plans for America in space and his work on arms control and the Limited Test Ban Treaty and Johnson s Civil Rights Act Model Cities Program war on poverty and role in the ground and air wars in Vietnam A timeline provides a chronological backdrop for the subject and recommended readings following each section offer helpful direction for further study [The Presidents](#) Fred L. Israel, 1996 Volume 2 *The Royal Family vs 'The Crown'* Catherine Curzon, 2025-03-30 Uncover the truth behind Netflix s The Crown with this guide separating royal fact from dramatic fiction For six seasons royal watchers across the globe have been hooked on Netflix s smash hit factual drama The Crown Over sixty episodes multiple casts and headline grabbing storylines The Crown has promised to throw open the closed doors of Britain s

Project President Ben Shapiro, 2010-02-22 *Project President* is a hilarious romp through American electoral history From short fat bald John Adams wig throwing tantrums during the 1800 election to Abraham Lincoln s decision to grow a beard in 1860 from John F Kennedy s choice to forgo the fedora at his inauguration to John Kerry s decision to get Botoxed for the 2004 race from the Golden Age of Facial Hair 1860 1912 to the Age of the Banker 1912 1960 from Washington s false teeth to George W Bush s workout regimen *Project President* tells the story of America s love affair with presidential looks and appearance why that often matters more than a politico s positions on the issues and what might well be coming next I m constantly citing the power of dress It s semiotics our clothes send a message about how we want to be perceived and where is this more powerful and evident than in elected offices In *Project President* Ben Shapiro captures presidential semiotics with a potent narrative and deft analysis It s simultaneously fascinating and hilarious Tim Gunn *Project Runway* Liz Claiborne Inc Ben Shapiro takes a romp through American history and shows how personality and even haircuts have elected or defeated presidential candidates It s a tour through history that fans of both parties will enjoy and can learn from Michael Barone Resident scholar American Enterprise Institute Senior Writer U S News World Report Co author *The Almanac of American Politics* Presidential politics has always been more superficial than we d like to admit With a stylish and likeable touch befitting a strong candidate Ben Shapiro takes us deep into the shallowness that has shaped American history Jonathan Alter *Newsweek* Shapiro deftly explains how height hair and handsomeness can affect a candidate s campaign as much as issues A fun informative read Glenn Beck Nationally syndicated talk show host Host of CNN s *The Glenn Beck Show* A hilarious and illuminating journey through America s centuries long fascination with presidential image making Whether you re left right moderate or apathetic this lively book will get you ready for the packaging of the 08 races Jim Hightower This is a perceptive witty sometimes hilarious look at the realities behind the faces and the facades the slogans and the character assassinations of each presidential campaign from George Washington to today with much for us to ponder for tomorrow Sir Martin Gilbert Official biographer of Winston Churchill An entertaining and illuminating romp through the politics of symbolism and personality in our presidential politics If you re thinking of running for president read this book before you spend a dime on a political consultant Rich Lowry *National Review*

James Alexander Hamilton Samantha Wilcoxson, 2025-03-30 James Alexander Hamilton son of Alexander influenced U S history advising leaders and supporting abolition with personal historical insights Born in the year of the Constitutional Convention James Alexander Hamilton was uniquely positioned to observe the early republic era and the formation of the experimental United States government His father Alexander Hamilton had been the first US Treasury Secretary an outspoken and controversial character who was killed in a duel when James was a teenager With a lifelong devotion to his father s memory James advised men from Andrew Jackson and Martin Van Buren to Abraham Lincoln and Salmon P Chase on banking and constitutional matters Through his own talents and with the advantage of his father s name James served as temporary Secretary of State and District Attorney of New York James enjoyed a close knit family life with his wife Mary Morris at his Hudson River home named Nevis for his father s birthplace He was part of the crew of the yacht America for which the America s Cup is named and on the committee for New York s Crystal Palace in 1853 More importantly he served his country through the War of 1812 Western Expansion and the bloody Civil War His first hand account of these transformative events gives readers a priceless look at America s past James supported the abolition of slavery and wrote a draft of the Emancipation Proclamation before settling down to write his own Reminiscences that cover the first seventy five years of US history This biography makes James A Hamilton s life and observations accessible to the modern reader and will leave you with a new appreciation for the Founders heirs who inherited the difficult work of building a nation Cover portrait images Ellie Spaulding Raymond

The Politics of Torture T. Lightcap, 2011-08-15 Why did it happen Why did the United States begin to torture detainees during the War on Terror Instead of an indictment this book presents an explanation Crises produce rare opportunities for overcoming the domestic and foreign policy logjams facing political leaders But what if the projects used to address the crisis and provide cover for their domestic policy initiatives come under serious threat from clandestine opponents Then the restraints on interrogation can be overwhelmed leading to the creation of informal institutions that allow the official establishment of torture These ideas are tested using comparative historical narratives drawn from two cases where torture was adopted the War on Terror and the Stalinist Terror and one where it was not the Mexican War The book concludes with some thoughts about how the United States can avoid the legal establishment of torture in the future
