Presidents Private Eye:

The President's Private Eye Tony Ulasewicz, Stuart A. McKeever, 1990 THE PRESIDENT S PRIVATE EYE is the amazing story of one man s journey into history From New York s Lower East Side to the White House this episodic memoir tells of the orbit traveled by Tony Ulasewicz the Runyonesque ex detective who retired from the NYPD to become President Nixon s private investigator the first ever hired by a President of the United States Tony U carried the badge of a New York City cop for twenty seven years twenty of those years as a detective with the Bureau of Special Service the conspiracy to blow up the Statue of Liberty by the Black Liberation Front the effort of George Lincoln Rockwell his American Nazi Party to march on New York finally Chappaquiddick Watergate the bookends of Tony s career as President Nixon s private eye **Hollywood Through Private Eyes** Philip Kiszely, 2006 Revision of the author s thesis Ph D University of Manchester 2003 The Presidents We Imagine Jeff Smith, 2009-03-19 In The Presidents We Imagine Jeff Smith examines the presidency s ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation s real politics **The President's Ladies** Bernard F. Dick, 2014-04-14 Ronald Reagan a former actor and one of America s most popular presidents married not one but two Hollywood actresses This book is three biographies in one discovering fascinating connections among Jane Wyman 1917 2007 Ronald Reagan 1911 2004 and Nancy Davis b 1921 2016 Jane Wyman who married Reagan in 1940 and divorced him seven years later knew an early life of privation She gravitated to the movies and made her debut at fifteen as an unbilled member of the chorus then toiled as an extra for four years until she finally received billing She proved herself as a dramatic actress in The Lost Weekend and the following year she was nominated for an Oscar for The Yearling and soon won for her performance in Johnny Belinda in which she did not speak a single line Other Oscar nominations followed along with a Golden Globe for her portrayal of Angela Channing in Falcon Crest Conversely Nancy Davis led a relatively charmed life the daughter of an actress and the stepdaughter of a neurosurgeon Surrounded by her mother s friends Walter Huston Spencer Tracy Katharine Hepburn Lillian Gish and Alla Nazimova her godmother Davis started in the theater then moved on to Hollywood where she enjoyed modest success and finally began working in television When she married Reagan in 1952 she unwittingly married into politics eventually leaving acting to concentrate on being the wife of the governor of California and then the wife of the president of the United States In her way Davis played her greatest role as Reagan s friend confidante and adviser in life and in politics This book considers three actors who left an indelible mark on both popular and political culture for more than fifty years The Progressive Presidents Charles River Editors, 2025-05-06 For a man who grew up to become the Bull Moose Theodore Roosevelt was a sickly child suffering from asthma and other maladies But his physical weakness actually drove him to be more active which also fostered an interest in nature It also helped that Teddy s family

was wealthy allowing him privileges including home school and the ability to attend Harvard where he was an athlete and took an interest in naval affairs After finishing at Harvard Teddy entered politics but it didn't stop him from writing *The Naval War of 1812* in 1882 establishing himself as a professional writer and historian In the 1890s it was Teddy's turn to make history leading the Rough Riders during the Spanish American War and being decorated for his service with a Medal of Honor He parlayed his glory into the governorship of New York and then the Vice Presidency under William McKinley When McKinley was assassinated in 1901 young Teddy was thrust into the presidency one that would earn him a place on Mount Rushmore Roosevelt's Square Deal domestic policies favored average citizens while busting trusts and monopolies Roosevelt also promoted conservation as an environmental stance while his speak softly and carry a big stick foreign policy is still an oft used phrase today Roosevelt even earned a Nobel Prize during his presidency As one of the most influential men of the 20th century there is no shortage of adjectives to use when describing Woodrow Wilson's two terms as president of the United States Wilson was a pioneer of the Progressive movement both before and during his presidency becoming a populist champion a generation before Franklin Roosevelt's New Deal He ran for reelection by touting his neutrality during World War I only to lead his nation into the war and become the architect of a world body that would lead to greater inter connection among nations Today Wilson is best remembered for his Fourteen Points one of the most forceful arguments for an idealistic foreign policy in American history and his fight for the League of Nations which set the model for today's United Nations Wilson's presidency was monumentally consequential but it is not without its critics nor is the man himself Even as Wilson has come to be viewed as one of America's greatest presidents perception of Wilson and his administration as racist have also taken hold Despite being one of the early 20th century's most forceful proponents of a globalized foreign policy Wilson's personal views and comments were ardently anti immigration and Wilson's administration entrenched and expanded segregation in the federal government Franklin Delano Roosevelt might be America's greatest 20th century president but there's no question that he was the most unique A well connected relative of Theodore Roosevelt FDR was groomed for greatness until he was struck down by what was widely believed to be polio at the time Nevertheless he persevered rising through New York politics to reach the White House just as the country faced its greatest challenge since the Civil War beginning his presidency with one of the most iconic lines ever spoken during an inaugural address For over a decade President Roosevelt threw everything he had at the Great Depression and then threw everything the country had at the Axis powers during World War II Ultimately he succumbed to illness in the middle of his fourth term just before the Allies won the war Kennedy has been nostalgically and fondly remembered for his youth vigor and sense of unfinished potential but it would be President Johnson who would bring much of the agenda to fruition He pushed through a progressive social agenda that formed the backbone of modern American society Known as the Great Society the legislation included the landmark Civil Rights Act of 1964 as well as the establishment of Medicare environmental protection and more *Bringing Down a*

President Andrea Balis, Elizabeth Levy, 2019-08-06 A middle grade retelling of Richard Nixon's downfall *Bringing Down A President* The Watergate Scandal is an inventive and timely look at one of the biggest scandals to ever rock our nation by Andrea Balis and Elizabeth Levy featuring graphic novel style illustrations by Tim Foley Comprised almost completely of primary source quotes good thing Nixon's recorder was on and interspersed with contextual narrative this captivating account of the trials and tribulations of the Nixon Administration has been rendered screenplay style offering an extraordinarily immediate narrative of one of America's most turbulent eras *The Secret Plot to Make Ted Kennedy President* Geoff Shepard, 2008-06-17 The controversial book that will change how people think about Watergate Drawing on his insider knowledge and previously unpublished documents Geoff Shepard shows that it didn't take long for Ted Kennedy and his allies to smell blood after the Watergate break in They set out to exaggerate and prolong the scandal not merely to destroy Richard Nixon but to undermine the entire Republican Party and pave the way for another Kennedy presidency in 1976 In the process working closely with a willing media they pioneered the politics of personal destruction which has tarnished our country ever since Shepard reveals how this Kennedy conspiracy included members and staffs of the Senate the House the Justice Department and the Special Prosecutor's office They used delay tactics and obfuscation to postpone the indictments and avoid trials of the handful of real Watergate criminals Shepard argues that the abuses of power by Kennedy's cronies dwarf those of the administration they savaged Among those he singles out for reevaluation are Republican turncoat John Dean Mark Deep Throat Felt reporter Bob Woodward and a young lawyer for the House Judiciary Committee named Hillary Rodham *Lula-Mae Kid Detective Saves the President* m.r. robinson, 2014-03-04 Kid Detective Lula Mae Honeycupp is at it again A simple 2nd grade class field trip to the White House turns into an adventurous attempt to save the President **The Eye That Never Sleeps** Marissa Moss, 2018-11-06 This wonderfully illustrated children's biography of the great nineteenth century detective evokes a mysterious and exciting old fashioned tale of espionage School Library Journal Everyone knows the story of Abraham Lincoln but few know anything about the spy who saved his life on the way to his 1861 inauguration In *The Eye That Never Sleeps* award winning author and illustrator Marissa Moss reveals the true story of Allen Pinkerton A poor Scottish immigrant Pinkerton became the first police detective in Chicago before opening the country's most successful detective agency He solved more than 300 murders and recover millions of dollars in stolen money However his greatest contribution was foiling an assassination plot against Abraham Lincoln *The Eye That Never Sleeps* is illustrated with a contemporary cartoon style mixing art and text in a way that appeals to readers of all ages The book also includes a bibliography and a timeline *Mr. President, Private Eye* Professor Francis M Nevins, Francis M. Nevins, Martin Harry Greenberg, 2004-09-28 Eleven award winning world class mystery writers have set aside their history books to create these diabolically clever tales of conspiracy menace murder and detection featuring 13 former U S presidents from George Washington to Gerald Ford *Police Against the Movement* Joshua Clark Davis, 2025-10-07 A bold retelling of the 1960s

civil rights struggle through its work against police violence and a prehistory of both the Black Lives Matter and Blue Lives Matter movements that emerged half a century later *Police Against the Movement* shatters one of the most pernicious myths about the 1960s that the civil rights movement endured police violence without fighting it Instead as Joshua Clark Davis shows activists from the Congress of Racial Equality and the Student Nonviolent Coordinating Committee confronted police abuses head on staging sit ins at precinct stations picketing outside department headquarters and blocking city streets to protest officer misdeeds In return organizers found themselves the targets of overwhelming political repression in the form of police surveillance infiltration by undercover officers and retaliatory prosecutions aimed at discrediting and derailing their movement The history of the civil rights era abounds with accounts of physical brutality by county sheriffs and tales of political intrigue and constitutional violations by FBI agents Turning our attention to municipal officials in cities and towns across the US North South East and West Davis reveals how local police bombarded civil rights organizers with an array of insidious weapons More than just physical violence these economic legal and reputational attacks were designed to project the illusion of color blind law enforcement The civil rights struggle against police abuses is largely overlooked today the victim of a willful campaign by local law enforcement to erase their record of repression By placing activism against state violence at the center of the civil rights story *Police Against the Movement* offers critical insight into the power of political resistance in the face of government attacks on protest [Advances in Research on Illicit Networks](#) Martin

Bouchard,2016-04-14 Social network analysis finally reached a critical mass of scholars in the field of criminology The proven track record of network theory and methods in fostering new advances in our understanding of crimes and criminals has extended the web of researchers willing to integrate this approach to their work It is more than just a fad once you adopt a network approach it almost inevitably becomes the main lens through which you see crime The insights learned from analysing matrices of relations among offenders from exploiting the interdependence among actors instead of finding ways to avoid it are simply too great to ignore This book provides a state of the art assessment into network research currently being conducted in criminology and beyond pushing the field further in multiple ways A series of contributions tackle themes and offending types that had yet to be previously empirically investigated including political conspiracies steroid distribution methamphetamine production illicit marketplaces on the Internet and small arms trafficking Advances are also found in the data sources used to extract illicit networks and the methods used to analyse them This book was originally published as a special issue of *Global Crime* *New York Magazine* ,1990-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea [Marriage of Rich: Rascally President](#) Dai Mengxiaoxiami,2019-12-09

She who had a sweet appearance and had just graduated from university accidentally walked into the wrong room and had a one night stand with Mu Yi Chen He had a stern face a calm personality and a strong desire for possession These two people had completely different personalities It just so happened that they were bound together causing love to spark in the process of getting along with each other There are still many twists and turns in front of them waiting for them they can defend their own love to cultivate the positive results

Burying the Lead Mal Jay Hyman,2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy s murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation s greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us

Silent Coup Len Colodny,2015-09-22 This is the true story of betrayal at the nation s highest level Unfolding with the suspenseful pace of a le Carre spy thriller it reveals the personal motives and secret political goals that combined to cause the Watergate break in and destroy Richard Nixon Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president Their revelations shocked the world and forever changed our understanding of politics of journalism and of Washington behind closed doors Dismantling decades of lies Silent Coup tells the truth

The Fifth Revenge Carl Burcham,2000-12 A modern day Sioux warrior is on the warpath avenging five of his most famous ancestors by killing contemporary white leaders When the pinto riding Indian Avenger brutally murders the Secretary of the Interior before thousands of onlookers at a Native American gathering on the Washington Mall President Elizabeth Chamberlain decides to intervene But instead of relying on federal authorities she turns to local D C detective Quinn Shannon a Harley riding beer swilling over the hill cop with retirement on his mind To track the assassin Shannon relies on one of the Indian s own an old Sioux Sundancer named Ben Soaring Eagle It s a race against time as Shannon and Soaring Eagle try to stop the Sioux assassin before he completes the fifth revenge

The 1996 Russian Presidential Election Jerry F. Hough,Evelyn Davidheiser,Susan Goodrich Lehmann,2010-12-01 The 1996 Russian presidential election is a crucial referendum on the policy of economic reform that had been conducted over

the previous five years This book written before the election on the basis of two major public opinion surveys at the time of the 1993 and 1995 Duma elections explores the evolution in Russian thinking the positions and strategies of the candidates and the dilemma of the centrists choosing between a president they profoundly dislike and a Communist party they do not trust In the 1990s the northern regions of Russia supported free trade reform and the southern regions protectionism but this reversed the more normal pattern found in Russian politics a century ago As the book looks at the psychological and sociological factors that produced the politics of the early 1990s and began to transform it in a more normal direction in the mid 1990s it goes beyond a simple analysis to discuss the more enduring problems of economic and political reform in Russia

A Brookings Occasional Paper **Troubled Memory, Second Edition** Lawrence N. Powell, 2019-01-09 This powerful book tells the story of Anne Skorecki Levy a Holocaust survivor who transformed the horrors of her childhood into a passionate mission to defeat the political menace of reputed neo Nazi and Ku Klux Klan leader David Duke The first book to connect the prewar and wartime experiences of Jewish survivors to the lives they subsequently made for themselves in the United States Troubled Memory is also a dramatic testament to how the experiences of survivors as new Americans spurred their willingness to bear witness Perhaps the only family to survive the liquidation of the Warsaw Ghetto as a group the Skoreckis evaded deportation to Treblinka by posing as Aryans The family eventually made their way to New Orleans where they became part of a vibrant Jewish community Lawrence Powell traces their dramatic odyssey and explores the events that eventually triggered Anne Skorecki Levy s brave decision to honor the suffering of the past by confronting the recurring specter of racist hatred

American Fuehrer Frederick James Simonelli, 1999 The founder of the American Nazi party and its leader until he was murdered in 1967 George Lincoln Rockwell was one of the most significant extremist strategists and ideologists of the postwar period His influence has only increased since his death A powerful catalyst and innovator Rockwell broadened his constituency beyond the core Radical Right by articulating White Power politics in terms that were subsequently appropriated by the one time klansman David Duke He played a major role in developing Holocaust revisionism now an orthodoxy of the Far Right He also helped politicize Christian Identity America s most influential right wing religious movement and welded together an international organization of neo Nazis All of these extremist movements continue to thrive today Frederick Simonelli s biography of this powerful and enigmatic figure draws on primary sources of extraordinary depth including declassified FBI files and manuscripts and other materials held by Rockwell s family and associates The first objective assessment of the American Nazi party and an authoritative study of the roots of neo nazism neo fascism and White Power extremism in postwar America American Fuehrer is shocking and absorbing reading
