David E. Lewis

Presidents And The Politics Of Agency Design

Ladner, Andreas, Sager, Fritz

Presidents And The Politics Of Agency Design:

Presidents and the Politics of Agency Design David Lewis, 2003 How this administrative state is designed its coherence its responsiveness and its efficacy determine in Robert Dahl's phrase who gets what when and how This study of agency design thus has implications for the study of politics in many areas

Presidents and the Politics of Agency Design David E. Lewis, 2004-09-02 The administrative state is the nexus of American policy making in the postwar period The vague and sometimes conflicting policy mandates of Congress the president and courts are translated into real public policy in the bureaucracy As the role of the national government has expanded the national legislature and executive have increasingly delegated authority to administrative agencies to make fundamental policy decisions How this administrative state is designed its coherence its responsiveness and its efficacy determine in Robert Dahl's phrase who gets what when and how This study of agency design thus has implications for the study of politics in many areas The structure of bureaucracies can determine the degree to which political actors can change the direction of agency policy Politicians frequently attempt to lock their policy preferences into place through insulating structures that are mandated by statute or executive decree This insulation of public bureaucracies such as the National Transportation Safety Board the Federal Election Commission and the National Nuclear Security Administration is essential to understanding both administrative policy outputs and executive legislative politics in the United States This book explains why when and how political actors create administrative agencies in such a way as to insulate them from political control particularly presidential control

Presidents and the Politics of Agency Design: Political Insulation in the United States Government Bureaucracy, 1946-1997 David Eric Lewis, 2000

The Politics of Presidential Appointments David E. Lewis, 2010-12-16 In the wake of Hurricane Katrina many questioned whether the large number of political appointees in the Federal Emergency Management Agency contributed to the agency's poor handling of the catastrophe ultimately costing hundreds of lives and causing immeasurable pain and suffering The Politics of Presidential Appointments examines in depth how and why presidents use political appointees and how their choices impact government performance for better or worse One way presidents can influence the permanent bureaucracy is by filling key posts with people who are sympathetic to their policy goals But if the president's appointees lack competence and an agency fails in its mission as with Katrina the president is accused of employing his friends and allies to the detriment of the public Through case studies and cutting edge analysis David Lewis takes a fascinating look at presidential appointments dating back to the 1960s to learn which jobs went to appointees which agencies were more likely to have appointees how the use of appointees varied by administration and how it affected agency performance He argues that presidents politicize even when it hurts performance and often with support from Congress because they need agencies to be responsive to presidential direction He shows how agency missions and personnel and whether they line up with the president's vision determine which agencies presidents target with appointees and he sheds

new light on the important role patronage plays in appointment decisions *New Directions in the American Presidency* Lori Cox Han, 2023-02-21 The third edition of *New Directions in the American Presidency* provides important updates on all topics throughout the text including new and relevant literature across the subfield of presidency studies within political science Significant changes have occurred within the political environment since the publication of the second edition Many scholars refer to the Trump presidency as a disruption to the political order and each chapter will assess the lessons and legacies of the Trump years and analyze how the Biden presidency is faring in the return to a more traditional style of presidential leadership New to the Third Edition Updated chapter on the 2020 presidential campaign and aftermath Assessment of the Trump years Presidential powers and management of executive branch use of social media relationship with Congress relationship with political parties public opinion domestic and foreign policy Supreme Court appointments Two new chapters unitary powers and intersectionality and the presidency **Living Legislation** William J. Novak, Jeffrey E. Cohen, Matthew Eshbaugh-Soha, Sean Gailmard, Christopher R. Berry, Barry C. Burden, William G. Howell, Forrest Maltzman, Charles R. Shipan, Amihai Glazer, David E. Lewis, Stuart Chinn, Vesla M. Weaver, David R. Mayhew, Sidney M. Milkis, 2020-03-04 Political scholars examine the dynamic evolution of laws over time in a volume that pushes the frontiers of knowledge about lawmaking in the US Choice Politics is at its most dramatic during debates over important pieces of legislation And while debates over legislative measures can rage for years or even decades before an item is enacted they also endure long afterward when the political legacy of a law eventually comes into focus With a diverse set of contributors including quantitative political scientists political development scholars historians and economists *Living Legislation* provides fresh insights into contemporary American politics and public policy Many of the contributors to this volume focus on the question of why some laws stand the test of time while others are eliminated replaced or significantly amended Others discuss how laws emerge from and effect change within coalition structures the effectiveness of laws at mediating partisan conflicts and the ways in which laws interact with broader shifts in the political environment An essential addition to the study of politics *Living Legislation* enhances understanding of democracy governance and power Harvard Law Review: Volume 129, Number 2 - December 2015 Harvard Law Review, 2015-12-10 The December 2015 issue Number 2 features these contents Article Intra Agency Coordination by Jennifer Nou Book Review Body Banking from the Bench to the Bedside by Natalie Ram Note A Prison Is a Prison Is a Prison Mandatory Immigration Detention and the Sixth Amendment Right to Counsel Note Bundled Systems and Better Law Against the Leflar Method of Resolving Conflicts of Law The issue also includes In Memoriam essays honoring the legacy of Professor Daniel J. Meltzer with contributions by Judge David J. Barron Richard H. Fallon Jr. Vicki C. Jackson Robert S. Taylor Justice Elena Kagan David F. Levi Martha Minow and Donald B. Verrilli Jr. In addition student commentary analyzes Recent Cases on retroactive application of Dodd-Frank whether the first-to-file rule of the False Claims Act is jurisdictional ancillary jurisdiction to expunge a criminal conviction and First Amendment issues

raised by a court ordered apology Student comments on Recent Legislation discuss state laws prohibiting local units from creating protected classes and state laws prohibiting local units from regulating fracking Further a student comment analyzes a Recent Adjudication in the EEOC defining discrimination on grounds of sexual orientation as protected sexual discrimination Finally the issue includes several comments on Recent Publications The Harvard Law Review is offered in a quality digital edition featuring active Contents linked footnotes active URLs legible tables and proper ebook and Bluebook formatting The Review is a student run organization whose primary purpose is to publish a journal of legal scholarship It comes out monthly from November through June and has roughly 2500 pages per volume Student editors make all editorial and organizational decisions This is the second issue of academic year 2015 2016

Governing Security Mariano-Florentino Cuéllar, 2013-01-09 *Governing Security* investigates the surprising history of two major federal agencies that touch the lives of Americans every day the Roosevelt era Federal Security Agency which eventually became today's Department of Health and Human Services and the more recently created Department of Homeland Security By describing the legal political and institutional history of both organizations Mariano Florentino Cuéllar offers a compelling account of crucial developments affecting the basic architecture of our nation He shows how Americans end up choosing security goals not through an elaborate technical process but in lively and overlapping settings involving conflict over statutory programs agency autonomy presidential power and priorities for domestic and international risk regulation Ultimately as Cuéllar shows ongoing fights about the scope of national security reshape the very structure of government and the intricate process through which statutes and regulations are implemented particularly during or in anticipation of a national crisis

Why Public Service Matters R. Durant, 2014-10-02 *Why Public Service Matters* conveys the importance purpose and nobility of a career as a civil servant in the United States It does so however with an unflinching eye on the realpolitik that drives public administration in America's compensatory state and on the pitfalls of reformers focus on bureaucratic rather than democratic administration The book links the nation's ability to handle contemporary policy problems with the strategic tactical and normative quality of public management In doing so it offers newcomers a rare concise and accessible overview of the field Readers will gain an appreciation for the challenges choices and opportunities facing public managers as they help advance a sense of common purpose informed by democratic constitutional values in twenty first century America

Bureaucrats, Politics And the Environment Richard W. Waterman, Amelia A. Rouse, Robert Wright, 2004-03-21 The bureaucracy in the United States has a hand in almost all aspects of our lives from the water we drink to the parts in our cars For a force so influential and pervasive however this body of all nonelective government officials remains an enigmatic impersonal entity The literature of bureaucratic theory is rife with contradictions and mysteries *Bureaucrats Politics and the Environment* attempts to clarify some of these problems The authors surveyed the workers at two agencies enforcement personnel from the U S Environmental Protection Agency and employees of the New Mexico Environment Department By examining what they think

about politics the environment their budgets and the other institutions and agencies with which they interact this work puts a face on the bureaucracy and provides an explanation for its actions Handbook on the Politics of Regulation David Levi-Faur, 2011-01-01 Political science has leap frogged law economics and sociology to become the dominant discipline contributing to regulatory studies David Levi Faur's volume taps the rich veins of regulatory scholarship that have made this the case It brings together the talented new network of politics scholars intrigued by the importance of the changing nature of state and non state regulation Their fresh insights complement important new work by established stars of the field Definitely a book to have on your shelf when in search of exciting theoretical approaches to politics John Braithwaite Australian National University Regulation in its manifold forms is the central process of contemporary governance as it seeks to blend the dynamism of market economies with responsiveness to political and normative demands for health safety environmental protection and fairness Understanding regulation's varieties vulnerabilities and virtues has become a significant focus of academic research and theory This volume provides an extraordinary survey of research in that field a survey remarkable in its comprehensiveness outstanding in the quality of the contributions by leading regulatory scholars from different nations and academic disciplines Robert A Kagan University of California Berkeley US An authoritative collection by a range of contributors with outstanding reputations in the field Michael Moran WJM Mackenzie Professor of Government This is an extraordinarily useful one stop shop for a wide range of traditions and approaches to the political aspects of regulation David Levi Faur has assembled a fine collection that by reporting on the state of the art also shows the way ahead for a discipline that has to capture and explain dramatic changes in real world regulatory philosophies and policies Claudio Radaelli University of Exeter UK This is an unusually impressive edited volume Its contributors include the leading academic experts on government regulation from around the world Its several clearly written and informative essays address the most important topics issues and debates that have engaged students of regulatory politics I strongly recommend this volume to anyone interested in understanding the breadth and depth of contemporary scholarship on the political dimensions of regulation David Vogel University of California Berkeley US This unique Handbook offers the most up to date and comprehensive state of the art reviews of the politics of regulation It presents and discusses the core theories and concepts of regulation in response to the rise of the regulatory state and regulatory capitalism and in the context of the golden age of regulation Its ten sections include forty nine chapters covering issues as diverse and varied as theories of regulation historical perspectives on regulation regulation of old and new media risk regulation enforcement and compliance better regulation civil regulation European regulatory governance and global regulation As a whole it provides an essential point of reference for all those working on the political social and economic aspects of regulation This comprehensive resource will be of immense value to scholars and policymakers in numerous fields and disciplines including political science public policy and administration international relations regulation international law business and politics European studies

regional studies and development studies **The Particularistic President** Douglas L. Kriner, Andrew Reeves, 2015 As the holders of the only office elected by the entire nation presidents have long claimed to be sole stewards of the interests of all Americans Scholars have largely agreed positing the president as an important counterbalance to the parochial impulses of members of Congress This supposed fact is often invoked in arguments for concentrating greater power in the executive branch Douglas L Kriner and Andrew Reeves challenge this notion and through an examination of a diverse range of policies from disaster declarations to base closings to the allocation of federal spending show that presidents like members of Congress are particularistic Presidents routinely pursue policies that allocate federal resources in a way that disproportionately benefits their more narrow partisan and electoral constituencies Though presidents publicly don the mantle of a national representative in reality they are particularistic politicians who prioritize the needs of certain constituents over others **The Presidency and the Political System** Michael Nelson, 2020-07-17 The Presidency and the Political System showcases the best of presidential studies and research with top notch presidency scholars writing specifically for an undergraduate audience Michael Nelson rigorously edits each contribution to present a set of analytical yet accessible chapters and offers contextual headnotes introducing each essay Chapters represent the full range of topics institutions and issues relevant to understanding the American presidency covering approaches to studying the presidency elements of presidential power presidential selection presidents and politics and presidents and government This Twelfth Edition fully incorporates coverage of the Trump administration **Handbook on the Politics of Public Administration** Ladner, Andreas, Sager, Fritz, 2022-10-13 This innovative Handbook puts the politics of public administration at the forefront providing comprehensive insights and comparative perspectives of the different aspects of the field **Political Science Research Methods** Janet Buttolph Johnson, H. T. Reynolds, Jason D. Mycoff, 2015-08-24 Understand the how and the why behind research in political science Step by step Political Science Research Methods walks students through the logic of research design carefully explaining how researchers choose which method to employ The Eighth Edition of this trusted resource offers a greater emphasis on the ways in which particular methods are used by undergraduates expanded coverage of the role of the Internet in research and analysis and more international examples Practice makes perfect In the new fourth edition of the accompanying workbook Working with Political Science Research Methods students are given the perfect opportunity to practice each of the methods presented in the core text This helpful supplement breaks each aspect of the research process into manageable parts and features new exercises and updated data sets A solutions manual with answers to the workbook is available to adopters **Battleground: Government and Politics** Lori A. Johnson, Kathleen Uradnik, Sara Beth Hower Ph.D., 2011-09-23 Through a detailed exploration of the viewpoints involved this balanced and incisive work promotes understanding of the most divisive issues in American government today Government and politics is an area in which there are no right answers but much room for debate Battleground Government and Politics allows students

and general readers alike to consider key political debates from all sides and to arrive at their own considered convictions based on a firm understanding of the issues and points of view involved This two volume work explores dozens of the most contentious issues in contemporary life issues that impact how our government is run today and how it will be run in the future Each topic is examined in a balanced way providing not only an overview of the issues involved but an objective assessment of the stance of all sides Readers can use these entries as thorough and solid summaries of the most contentious controversies in contemporary society or as starting points for more in depth research into the debates

The Oxford Handbook of Political Science Robert E. Goodin, 2011-07-07 Drawing on the rich resources of the ten volume series of The Oxford Handbooks of Political Science this one volume distillation provides a comprehensive overview of all the main branches of contemporary political science political theory political institutions political behavior comparative politics international relations political economy law and politics public policy contextual political analysis and political methodology Sixty seven of the top political scientists worldwide survey recent developments in those fields and provide penetrating introductions to exciting new fields of study Following in the footsteps of the New Handbook of Political Science edited by Robert Goodin and Hans Dieter Klingemann a decade before this Oxford Handbook will become an indispensable guide to the scope and methods of political science as a whole It will serve as the reference book of record for political scientists and for those following their work for years to come

President George W. Bush's Influence over Bureaucracy and Policy C. Provost, P. Teske, 2009-03-30 This book investigates the methods used by the Bush Administration to control bureaucratic agencies including executive orders signing directives political appointments and others as well as the effects those methods have had on agency outputs

Making Policy Public Susan L. Moffitt, 2014-09-29 This book challenges the convention that government bureaucrats seek secrecy and demonstrates how participatory bureaucracy manages the tension between bureaucratic administration and democratic accountability

Encyclopedia of Public Administration and Public Policy - 5 Volume Set Domonic A. Bearfield, Evan Berman, Melvin J. Dubnick, 2020-08-14 Now in its third edition Encyclopedia of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy It includes entries for Budgeting Bureaucracy Conflict resolution Countries and regions Court administration Gender issues Health care Human resource management Law Local government Methods Organization Performance Policy areas Policy making process Procurement State government Theories This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study

Presidents And The Politics Of Agency Design Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presidents And The Politics Of Agency Design PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presidents And The Politics Of Agency Design PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Presidents And The Politics Of Agency Design free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Presidents And The Politics Of Agency Design Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidents And The Politics Of Agency Design is one of the best book in our library for free trial. We provide copy of Presidents And The Politics Of Agency Design in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidents And The Politics Of Agency Design. Where to download Presidents And The Politics Of Agency Design online for free? Are you looking for Presidents And The Politics Of Agency Design PDF? This is definitely going to save you time and cash in something you should think about.
