and Nation-Building in Latin America Scott Eastman, Natalia Sobrevilla Perea, 2022-07-29 Independence and Nation Building in Latin America Race and Identity in the Crucible of War reconceptualizes the history of the break up of colonial empires in Spanish and Portuguese America In doing so the authors critically examine competing interpretations and bring to light the most recent scholarship on social cultural and political aspects of the period Did American rebels clearly push for independence or did others truly advocate autonomy within weakened monarchical systems Rather than glorify rebellions and patriots the authors begin by emphasizing patterns of popular loyalism in the midst of a fracturing Spanish state In contrast a slave based economy and a relocated imperial court provided for relative stability in Portuguese Brazil Chapters pay attention to the competing claims of a variety of social and political figures at the time across the variegated regions of Central and South America and the Caribbean Furthermore while elections and the rise of a new political culture are explored in some depth questions are raised over whether or not a new liberal consensus had taken hold Through translated primary sources and cogent analysis the text provides an update to conventional accounts that focus on politics the military and an older paradigm of Creole peninsular friction and division Previously marginalized actors from Indigenous peoples to free people of color often take center stage This concise and accessible text will appeal to scholars students and all those interested in Latin American History and Revolutionary History

Contemporary Ethnic Geographies in America Christopher A. Airriess, 2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of the group's immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America's contemporary ethnic geographies

The Politics and Performance

of Mestizaje in Latin America Paul K Eiss, Joanne Rapport, 2018-12-07 The term mestizaje is generally translated as race mixture with races typically understood as groups differentiated by skin color or other physical characteristics Yet such understandings seem contradicted by contemporary understandings of race as a cultural construct or idea rather than as a biological entity How might one then approach mestizaje in a way that is not definitionally predicated on race or at least on a modernist formulation of race as phenotypically expressed biological difference The contributors to this volume provide explorations of this question in varied Latin American contexts Mexico Guatemala Bolivia Colombia Peru from the 16th century to the present They treat mestizo acts neither as expressions of pre existing social identities nor as ideologies enforced from above but as cultural performances enacted in the in between spaces of social and political life Moreover they show how mestizo acts not only express or reinforce social hierarchies but institute or change them seeking to prove or to dismantle genealogies of race blood sex and language in public and political ways The chapters in this book originally published as a special issue of Latin American and Caribbean Ethnic Studies
