**Restoring Democracy to America** John F. M. McDermott, 2015-11-04 If the current economic malaise accomplishes nothing else it should help awaken us all to the realization that our country has been on a path of self destructive behavior for several decades a reversal of the progressive path that had made major gains in economic and political equality for a large majority of the U S population starting in the 1870s It is John McDermott s purpose in this ambitious book to explain why that reversal happened how society has changed in dramatic ways since the 1960s and what we can do to reverse this downward spiral In Part 1 he endeavors to lay out the overall narrative of change from the 1960s to the present emphasizing how a novel social structure came to be developed around corporate America to form what he calls corporate society Part 2 analyzes what the nature of this corporate society is

how it is a special type of fabricated structure and why it came to dominate society generally eventually including the government and university systems which themselves became increasingly corporatized The aim of Part 3 is to outline a path of reform that can if all its parts can be integrated sufficiently to be effective put us on the path to restarting the progressive movement

across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson

**Hoodlums** William L. Van Deburg, 2013-10-21 Martin Luther King Jr Malcolm X Muhammad Ali When you think of African American history you think of its heroes individuals endowed with courage and strength who are celebrated for their bold exploits and nobility of purpose But what of black villains Villains just as much as heroes have helped define the black experience Ranging from black slaveholders and frontier outlaws to serial killers and gangsta rappers Hoodlums examines the pivotal role of black villains in American society and popular culture Here William L Van Deburg offers the most extensive treatment to date of the black badman and the challenges that this figure has posed for race relations in America He first explores the evolution of this problematic racial stereotype in the literature of the early Republic documents in which the enslavement of African Americans was justified through exegetical claims Van Deburg then probes antebellum slave laws minstrel shows and the works of proslavery polemicists to consider how whites conceptualized blacks as members of an inferior and dangerous race Turning to key works by blacks themselves from the writings of Frederick Douglass and W E B Du Bois to classic blaxploitation films like Black Caesar and The Mack Van Deburg demonstrates how African Americans have combated such negative stereotypes and reconceptualized the idea of the badman through stories of social bandits controversial individuals vilified by whites for their proclivity toward evil but revered in the black community as necessarily insurgent and revolutionary Ultimately Van Deburg brings his story up to date with discussions of prison and hip hop culture urban rioting gang warfare and black on black crime What results is a work of remarkable virtuosity a nuanced history that calls for both whites and blacks to rethink received wisdom on the nature and prevalence of black villainy Proud to be Different Robert A. Fox, Nina K. Buchanan, 2014-01-23 This is a book about ethnocentric niche charter schools What are they When did they first appear From where did the term come How do they differ from regular charter schools and from district run traditional public schools Each subject chapter was created by a team consisting of at least one educational researcher and at least one charter school practitioner The goal is to make the book readable for everyone policymakers parents teachers older students while providing a framework of rigor from which to view each charter school Hence the teams We took special pains to create a book which exhibits the objectivity of the educational researcher while at the same time inviting the reader into each school by painting a human picture of its ethos Each chapter contains a description of the school told by people who actually taught or learned or sent their children there

**Advanced Concepts in Defensive Tactics** Chuck Joyner, 2010-12-16 This ground breaking book is the first law enforcement defensive tactics publication that realistically addresses the limited training that law enforcement officers currently receive This book concentrates on avoiding the initial attack moving to safety deploying a secondary weapon and surviving the attack Concepts are based upon extensive research a landmark study by the International Association of Chiefs of Police and street experience The book stresses core concepts proper body mechanics and proven survival principles Each chapter ends with drills to increase mental awareness

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
