Radical History Review: Volume 55 Cambridge University Press, 1993-04-08 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history *Radical History Review* Cambridge University Press, Radical History Review, 1995-04-01 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective **Radical History Review: Volume 59** Marjorie Murphy, 1994-10-27 This issue examines Latin American labour and includes coverage of topics such as the organization amongst San Marcos coffee workers during Guatemala's National Revolution 1944-1954 the myth of the history of Chile the Araucanians and the representation of class and populism in Sao Paulo Radical History Review: Volume 69, 1998-04-02 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective **Radical History Review: Volume 52** Barbara Smith, 1992-11-12 This is volume 52 of the Radical History Review series It deals specifically with new directions in gender history and the history of sexuality **Radical History Review: Volume 65** Rhr Collective, 1996-04-26 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective **Radical History Review: Volume 61, Winter 1995** Calvin B. Holder, Dewar MacLeod, 1995-04-13 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history Radical History Review: Volume 70, 1998-06-04 Feature articles in this issue include Women and Guilds in Bologna The Ambiguities of Marginality by Dora Dumont Unpacking the First Person Singular Negotiating Patriarchy in Nineteenth Century Chile by Andy Daitzman Culture Wars Won and Lost Part II Ethnic Museums on the Mall by Fath Davis Ruffins a continuation of an article published in RHR 68 and All the Intensity of My Nature Ida B Wells and African American Women's Anger in History by Patricia A Schechter Feminism and Empire Clare Midgley, 2007-09-28 Feminism and Empire establishes the foundational impact that Britain's position as leading imperial power had on the origins of modern western feminism Based on extensive new research this study exposes the intimate links between debates on the woman question and the constitution of colonial discourse in order to highlight the centrality of empire to white middle class women's activism in Britain The book begins by exploring the relationship between the construction of new knowledge about colonised others and the framing of debates on the woman question among advocates of women's rights and their evangelical opponents Moving on to examine white middle class women's activism on imperial issues in Britain topics include the anti slavery boycott of Caribbean sugar the campaign against widow burning in colonial India and women's role in the foreign missionary movement prior to direct

employment by the major missionary societies Finally Clare Midgley highlights how the organised feminist movement which emerged in the late 1850s linked promotion of female emigration to Britain's white settler colonies to a new ideal of independent English womanhood This original work throws fascinating new light on the roots of later imperial feminism and contemporary debates concerning women's rights in an era of globalisation and neo imperialism

A History of Disinformation in the U.S. Joseph R. Hayden, 2024-06-07 This volume recounts notable episodes of distortion throughout American media history It examines several of the lurid hoaxes and conspiracy theories that have inspired press coverage as well as some of the political lies promoted by partisan gladiators whether of the eighteenth century or today The book moves beyond the sensational stories to show the enduring and systemic nature of media manipulation that occurs on far more consequential issues It exposes persistent and deeply destructive falsehoods that have been told about women people of color immigrants the LGBTQ community unions commercial products highlighting how longstanding bipartisan myths have effectively marginalized certain groups of Americans Alongside these cases the author carefully dissects the changing nature of institutions technologies and practices of journalism in America Attention is given to the evolution of newspapers in the eighteenth and nineteenth centuries the role of broadcasting in the twentieth and the impact of the internet and social media at the dawn of the twenty first This book will appeal to readers interested in American history journalism communication studies political science and sociology

William Appleman Williams Paul Buhle, Edward Rice-Maximin, 2013-09-13 Williams controversial volumes The Tragedy of American Diplomacy Contours of American History and other works have established him as the foremost interpreter of US foreign policy Both Williams and others deeply influenced by him have recast not only diplomatic history but also the story of pioneer America's westward movement and studies in the culture of imperialism At the end of the Cold War when the US no longer faces any great enemy the lessons of William Appleman Williams life and scholarship have become more urgent than ever before This study of his life and major works offers readers an opportunity to introduce or re introduce themselves to a major figure of the last half century

The History of French Literature on Film Kate Griffiths, Andrew Watts, 2020-12-24 French novels plays poems and short stories however temporally or culturally distant from us continue to be incarnated and reincarnated on cinema screens across the world From the silent films of Georges Méliès to the Hollywood production of Gustave Flaubert's Madame Bovary directed by Sophie Barthes The History of French Literature on Film explores the key films directors and movements that have shaped the adaptation of works by French authors since the end of the 19th century Across six chapters Griffiths and Watts examine the factors that have driven this vibrant adaptive industry as filmmakers have turned to literature in search of commercial profits cultural legitimacy and stories rich in dramatic potential The volume also explains how the work of theorists from a variety of disciplines literary theory translation theory adaptation theory can help to deepen both our understanding and our appreciation of literary adaptation as a creative practice Finally this volume seeks to make clear that adaptation is never a simple transcription of an

earlier literary work It is always simultaneously an adaptation of the society and era for which it is created Adaptations of French literature are thus not only valuable artistic artefacts in their own right so too are they important historical documents which testify to the values and tastes of their own time Fathers and Children Michael Paul Rogin,1991-01-01 Rogin shows us a Jackson who saw the Indians as a menace to the new nation and its citizens This volatile synthesis of liberal egalitarianism and an assault on the American Indians is the source of continuing interest in the sobering and important book

History and the New Left Paul Buhle,1991-02-27 Madison Wisconsin has long been known as a dynamic cultural center and focus of political intellectual ferment in the middle of America This collection of essays and interviews traces the rise of an intellectual New Left from 1950 to 1970 as experienced by activists and scholars with ties to the University of Wisconsin Its thirty two contributors including prominent historians journalist scholars and veteran political activists re examine their own personal histories in different eras and draw fresh often surprising conclusions The city and campus of Madison provide a veritable laboratory for the study of deep continuities in American dissenting thought Photographs and cultural documents accompany these poignant candid oral histories The volume explores a crucial period of Madison s intellectual life as a crossroad of history and culture Interviews with the scholars and former students who politicized historical analysis in light of the Cold War McCarthyism nuclear and environmental holocaust civil rights and the Vietnam War recall the debates and alliances that kept Madison in a state of ferment Author note Paul Buhle is Director of the Oral History of the American Left Project at the Tamiment Library of New York University and teaches U S History at the Rhode Island School of Design

Guantanamo Jana K. Lipman,2008-12-02 Guantanamo has become a symbol of what has gone wrong in the War on Terror Yet Guantanamo is more than a U S naval base and prison in Cuba it is a town and our military occupation there has required more than soldiers and sailors it has required workers This revealing history of the women and men who worked on the U S naval base in Guantanamo Bay tells the story of U S Cuban relations from a new perspective and at the same time shows how neocolonialism empire and revolution transformed the lives of everyday people Drawing from rich oral histories and little explored Cuban archives Jana K Lipman analyzes how the Cold War and the Cuban revolution made the naval base a place devoid of law and accountability The result is a narrative filled with danger intrigue and exploitation throughout the twentieth century Opening a new window onto the history of U S imperialism in the Caribbean and labor history in the region her book tells how events in Guantanamo and the base created an ominous precedent likely to inform the functioning of U S military bases around the world **Science Fiction and the Historical Novel** Ian P. MacDonald,Kate Polak,2024-09-16 If you woke to realize that you could rewrite your yesterday without knowing the kind of tomorrow it would grant you would you do it Are the authors of our destiny working with an outline or spit balling confusing plotlines Since the past changes possible futures to what alighting butterfly should we pay the most heed This book explores the liminal space between speculative fiction and the historical novel Staged as a transnational multicultural conversation it takes up a call originally

made by Fredric Jameson in *Archaeologies of the Future* wherein he describes that flashpoint between speculative and historical genres as the symptom of a mutation in our relationship to historical time itself Drawing together postcolonial feminist cultural Indigenous and cognitive approaches Science Fiction and the Historical Novel asks what the past can offer a future oriented world and how the future can be imagined in relation to a past that seeks narratives of inevitability rather than possibility Engaged with the idea of the past as a model for the future authors in this volume probe the extent to which historical scripts delimit possibilities and how authors engaged with the practice of alternative pasts rewrite potentialities in the present

American Ethnic History Jason J. McDonald, 2007-05-25 This book provides a new framework for examining and comprehending the varied historical experiences of ethnic groups in the United States Thematically organized and comparative in outlook it explores how historians have grappled with questions that bear upon a key aspect of the American experience ethnicity How did the United States come to have such an ethnically diverse population What contribution if any has this ethnic diversity made to the shaping of American culture and institutions How easily and at what levels have ethnic and racial minorities been incorporated if at all into the social and economic structures of the United States Has incorporation been a uniform process or has it varied from group to group As well as providing readers with an accessible yet authoritative introduction to the field of American ethnic history the book serves as a valuable reference tool for more experienced researchers Key Features Adopts a comparative and thematic approach that helps to demystify this complex and controversial subject Provides an orderly and readable introduction to the main issues and debates surrounding the topic Detailed and broad ranging discussion of historiography enables readers to find more specialized works on topics in which they are interested

Workers' Culture in Imperial Germany Lynn Abrams, 2002-01-31 Workers Culture in Imperial Germany represents the first alternative approach to the study of workers culture in Imperial Germany It is also the first comprehensive historical analysis of the emergence of Germany's modern leisure industry The central concern of the book is the emergence of a distinct workers culture which provided a disparate and heterogeneous working class with a focus of identity in an alien and hostile society Lynn Abrams focuses on the leisure activities enjoyed by workers in the major cities of Bochum and Dusseldorf She provides a comprehensive coverage of a whole range of popular amusements and recreations on offer including festivals pubs Tingel Tangels dance halls clubs and cinema The book is also a major contribution to the social history of working class life in the nineteenth century contributing to the debate over the role of a working class culture in Imperial Germany
