READING **PARFIT** ON WHAT MATTERS

EDITED BY
SIMON KIRCHIN

Reading Parfit

Mark Johnston

Reading Parfit:

Reading Parfit Jonathan Dancy, 1997-08-15 Reading Parfit brings together some of the most distinguished scholars in the field to discuss and critique Derek Parfit's outstanding work *Reasons and Persons* **Reading Parfit** Simon Kirchin, 2017-03-16 Derek Parfit was one of the world's leading philosophers. His *On What Matters* was the most eagerly awaited book in philosophy for many years. Reading Parfit: *On What Matters* is an essential overview and assessment of volumes 1 and 2 of Parfit's monumental work by a team of international contributors and includes responses by Parfit himself. It discusses central features of Parfit's book including the structure and nature of reasons, the ideas underlying moral principles, Parfit's discussions of consequentialism, contractualism, and Kantian deontology, and his metaethical ideas and arguments. Reading Parfit will be central reading for students of ethics and anyone seeking a deeper understanding of one of the most important works of philosophy published in the last fifty years. **Derek Parfit's *Reasons and Persons*** Andrea Sauchelli, 2020-02-12 Derek Parfit 1942-2017 is widely considered to be one of the most important moral philosophers of the twentieth century. *Reasons and Persons* is arguably the most influential of the two books published in his lifetime and hailed as a classic work of ethics and personal identity. Derek Parfit's *Reasons and Persons: An Introduction and Critical Inquiry* is an outstanding introduction to and assessment of Parfit's book with chapters by leading scholars of ethics, metaphysics, and of Parfit's work. Part I provides a much needed introduction to key topics and themes in *Reasons and Persons* that will be useful for those new to Parfit's complex work. These include Parfit's idea of self-defeating theories, rationality and time, personal identity, future generations, and well-being. Part II explores various debates generated by *Reasons and Persons*, including its connections with Buddhism, metaethics, theory of rationality, transformative choices, and further developments in personal identity and metaphysics, such as conativism. Combining clear exposition of the major topics and arguments in *Reasons and Persons* with scholarly perspectives on more advanced themes, this book is ideal for students of ethics, metaethics, metaphysics, and anyone interested in Derek Parfit's philosophy. *Personal Identity* Ellen Frankel Paul, Fred Dycus Miller, Jeffrey Paul, 2005 What is a person? What makes me the same person today that I was yesterday or will be tomorrow? Philosophers have long pondered these questions. In Plato's Symposium, Socrates observed that all of us are constantly undergoing change: we experience physical changes to our bodies as well as changes in our manners, customs, opinions, desires, pleasures, pains, and fears. Aristotle theorized that there must be some underlying substratum that remains the same even as we undergo these changes. John Locke rejected Aristotle's view and reformulated the problem of personal identity in his own way: is a person a physical organism that persists through time, or is a person identified by the persistence of psychological states by memory? These essays, written by prominent philosophers and legal and economic theorists, offer valuable insights into the nature of personal identity and its implications for morality and public policy. *Parfit's Ethics* Richard Yetter Chappell, 2021-05-13 Derek Parfit 1942-2017 was one of the most important and influential moral

philosophers of the late 20th and early 21st centuries This Element offers a critical introduction to his wide ranging ethical thought focusing especially on his two most significant works *Reasons and Persons* 1984 and *On What Matters* 2011 and their contribution to the consequentialist moral tradition Topics covered include rationality and objectivity distributive justice self defeating moral theories Parfit's Triple Theory according to which consequentialism contractualism and Kantian ethics ultimately converge personal identity and population ethics The Oxford Handbook of Consequentialism Douglas W. Portmore,2020 Provides an authoritative and comprehensive overview of consequentialism today Includes a brief summary of the anthology's four parts and a concise primer on the nature and importance of the consequentialism nonconsequentialism distinction Relates consequentialism to the significant reform movements calling for environmentalism effective altruism animal liberation and women's liberation Book jacket **Oxford Studies in Normative Ethics** ,2025-06-05 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical theory Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions from analysis of competing approaches to normative ethics including moral realism constructivism and expressivism to questions of how we should act and live well OSNE is an essential resource for scholars and students working in moral philosophy **The Oxford Handbook of Moral Realism** Paul Bloomfield,David Copp,2023 Morality seems to play a special role in human life distinct from conventional norms like those of etiquette or simple preferences based on subjective tastes There are various theories of the foundations of morality some of which treat morality as subjective in an important way Moral realism is however a family of theories that take morality to have an objective factual basis such that morality is not up to us and is not under our control The contributions in this Oxford Handbook explore the central ideas and themes constituting moral realism and defend particular views about it Deontology, Responsibility, and Equality Kasper Lippert-Rasmussen,2005 Three questions that loom large in moral and political philosophy are these Can deontological moral constraints be justified When if ever are we morally responsible for what we do How is the ideal of equality best configured Deontology Responsibility and Equality deals with selected aspects of these three broad questions It critically discusses certain attempts by Frances Kamm and Thomas Nagel among others to account for the impermissibility of minimizing violations in terms of moral status Also it challenges the view that there is a morally relevant difference between doing and allowing harm and especially between killing and letting die In relation to the second question it concentrates on recent developments within compatibilist accounts of moral responsibility prompted by the work of Harry Frankfurt It challenges his purported refutation of the principle of alternative possibilities as well as certain positive compatibilist identification based accounts of respon *Surviving Death* Mark Johnston,2010-01-24 Johnston presents an argument for a form of immortality that divests the notion of any supernatural elements The book is packed with illuminating philosophical reflection on the question of what we are and what it is for us to persist over time

Self and Subjectivity Kim Atkins,2008-04-15 Self and Subjectivity is a collection of seminal essays with commentary

that traces the development of conceptions of self and subjectivity in European and Anglo American philosophical traditions including feminist scholarship from Descartes to the present

Rethinking the Good Larry S. Temkin, 2014-12-04 In choosing between moral alternatives choosing between various forms of ethical action we typically make calculations of the following kind using the principle of transitivity A is better than B B is better than C therefore A is better than C Larry Temkin shows is that if we want to continue making plausible judgments we cannot continue to make these assumptions

Sidgwick and Contemporary Utilitarianism M. Nakano-Okuno, 2011-09-02 A rare academic study on what John Rawls Peter Singer and Derek Parfit acknowledge as the finest book in ethics The Methods of Ethics With a rather shocking conclusion that none of us can match Sidgwick Mariko Nakano Okuno lucidly analyzes Henry Sidgwick s impacts on contemporary ethics

What is this thing called Metaphysics? Brian Garrett, 2017-04-04 How did our universe come to be Does God exist Does time flow What are we Do we have free will What is truth Metaphysics is concerned with the nature of ourselves and the world around us This clear and accessible introduction covers the central topics in metaphysics in a concise but comprehensive way Brian Garrett discusses the crucial concepts and arguments of metaphysics in a highly readable manner He addresses the following key areas of metaphysics God Existence Modality Universals and particulars Facts Causation Time Puzzles of material constitution Free will determinism Fatalism Personal identity Truth This third edition has been thoroughly revised Most chapters include new and updated material and there are now two chapters devoted to attacks on free will and fatalism What is this thing called Metaphysics contains many helpful student friendly features such as a glossary of important terms study questions annotated further reading and a guide to web resources Text boxes provide bite sized summaries of key concepts and major

philosophers and clear and interesting examples are used throughout The Ontology of Well-Being in Social Policy and Welfare Practice Steven R. Smith, 2022-11-11 This book provides important philosophical insights concerning the kind of creatures we are such that we can experience something we understand as well being with these insights then being applied to various areas of social policy and welfare practice The author defends what he calls The Ontology of Well Being Thesis TOWT addressing ontological questions about the human condition and how these questions are fundamental to issues concerning what we might know about human well being and how we should promote it Yet surprisingly these ontological questions are often side lined in academic political and policy and practice based debates about well being Addressing these questions head on six features of the human condition are identified via TOWT human embodiment finiteness sociability cognition evaluation and agency The main argument of the thesis is that these features reveal the conflicting character of human experiences which can in turn have a profound bearing on our experience of well being Notably it is our conflicting experiences of time emotion and self consciousness which can potentially help us experience well being in complex and multi dimensional ways The author then applies these insights to various social policies and welfare practices concerning for example pensions disability bereavement counselling social prescribing within health settings the promotion of mental health and co production practices This book is of importance to philosophers social policy analysts and welfare practitioners and is also relevant to the fields of psychology sociology politics and the health sciences *What Matters in Survival* Douglas Ehring, 2021-05-06 This study is about what matters in survival about what relation to a future individual gives you a reason for prudential concern for that individual For common sense there is such a relation and it is identity but according to Parfit common sense is wrong in this respect Identity is not what matters in survival In *What Matters in Survival* Douglas Ehring argues that this Parfitian thesis does not go far enough The result is the highly radical view Survival Nihilism according to which nothing matters in survival Although we generally have motivating reasons to have prudential concern and perhaps even indirect normative reasons for such concerns there is no relation that gives you a basic foundational normative reason for prudential concern This view goes beyond what Parfit calls the Extreme View It is the More Extreme View and is in effect something like an error theory about prudential reason as a special kind of normative reason *Inwardness and Morality* Eric Wolf Fried, 2005-01-01 This book reminds us that in inwardness I am in myself It defines our experience in terms of subjectivity private self awareness and complex relationships between interiority and outwardness The book shows that our inwardness need not confine us to narcissistic self absorption but may expand our capacity for richer more sympathetic relations with others

Yeah, reviewing a books **Reading Parfit** could add your near contacts listings. This is just one of the solutions for you to be successful. As understood, feat does not suggest that you have fantastic points.

Comprehending as skillfully as concord even more than extra will manage to pay for each success. next-door to, the declaration as competently as perspicacity of this Reading Parfit can be taken as capably as picked to act.

Reading Parfit Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reading Parfit has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Parfit has opened up a world of possibilities. Downloading Reading Parfit provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Parfit has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Parfit. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Parfit. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Parfit, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Parfit has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Reading Parfit Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reading Parfit is one of the best book in our library for free trial. We provide copy of Reading Parfit in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reading Parfit. Where to download Reading Parfit online for free? Are you looking for Reading Parfit PDF? This is definitely going to save you time and cash in something you should think about.
