Communicating at Work Tony Alessandra, 1993-08-16 In today's competitive workplace, your ability to communicate is your most important business skill. This valuable handbook to better business communication can help you develop the skills you need to succeed. Using real-life examples, it offers practical, easy-to-use instruction in writing effective memos and reports, making memorable presentations, and leading productive meetings. It also introduces key telephone skills, shows you how to interpret body language, and personal communication styles, and teaches you the critical listening and questioning skills you need to get ahead. Whether you're a top manager trying to lead a large organization or one of the millions of people who actually get the work done, *Communicating at Work* can help you be more effective, get more of what you want out of work, and improve your chances for success. *Management* Arthur G. Bedeian, William F. Glueck, 1983 *The Business Communication Workbook* Emily Goenner, 2018-11-15 The *Business Communication Workbook: Skills and Strategies for the Working World* is an interactive textbook that introduces students to the critical business communication skills they need to succeed in the working world. Filled to the brim with relevant readings and related activities, students are encouraged to study the ins and outs of successful business communication and then practice what they've learned. The text is broken into four units: *Foundations of Business Communication*, *Theories of Organizational Structure and Process* John B. Miner, 1982 *Management* Arthur G. Bedeian, 1993 *Business Communication*,
