**Manifestos and Polemics in Latin American Modern Art** Patrick Frank, 2017-02-15 Document 34 What Is the Social Significance of Modern Architecture in Mexico Juan O Gorman

**Essays on 20th Century Latin American Art** Francine Birbragher-Rozencwaig, 2022-03-31 *Essays on 20th Century Latin American Art* provides a broad synthesis of the subject through short chapters illustrated with reproductions of iconic works by artists who have made significant contributions to art and society Designed as a teaching tool for non art historians the book's purpose is to introduce these important artists within a new scholarly context and recognize their accomplishments with those of others beyond the Americas and the Caribbean The publication provides an in depth analysis of topics such as political issues in Latin American art and art and popular culture introducing views on artists and art related issues that have rarely been addressed Organized both regionally and thematically it takes a unique approach to the exploration of art in the Americas beginning with discussions of Modernism and Abstraction followed by a chapter on art and politics from the 1960s to the 1980s The author covers Spanish speaking Central America and the Caribbean regions not usually addressed in Latin American art history surveys The chapter on Carnival as an expression of popular culture is a particularly valuable addition

This book will be of interest to students and scholars of Latin American history culture art international relations gender studies and sociology as well as Caribbean studies

**LatinX Voices** Katie Coronado, Erica Kight, 2018-07-16 LatinX Voices is the first undergraduate textbook that includes an overview of Hispanic LatinX Media in the U S and gives readers an understanding of how media in the United States has transformed around this audience Based on the authors professional and research experience and teaching broadcast media courses in the classroom this text covers the evolving industry and offers perspective on topics related to Latin American areas of interest With professional testimonials from those who have left their mark in print radio television film and new media this collection of chapters brings together expert voices in Hispanic LatinX media from across the U S and explains the impact of this population on the media industry today

**Art Journal** ,1960 *Globalizing the Avant-Garde* David Ayers,Joana Cunha Leal,Benedikt Hjartarson,Margarida Brito Alves,2024-12-16 How has the process of globalization shaped artistic practices on the one hand and art history and theory on the other The contributions in this volume approach this question from a range of perspectives taking into account the role of travel for example or practitioners increasing knowledge of other cultures art s increasing awareness of itself as existing on a global level literary translation the advance of technology and the ever changing grand narratives of art history As well as reflections on European avant gardes and neo avant gardes the collection features discussions of Japan Latin America Africa Asia and the Pacific As a whole the volume engages with broader current discourses about cultural globalization and features input from leading scholars around the world as well as some important novel interventions by early career researchers The authors not only make a major contribution to the evolution of avant garde studies but also offer valuable original points of view to art history and to the cultural theory of globalization more broadly

Cold War in the White Cube Delia Solomons,2023-04-28 In 1959 the very year the Cuban Revolution amplified Cold War tensions in the Americas museumgoers in the United States witnessed a sudden surge in major exhibitions of Latin American art Surveying the 1960s boom of such exhibits this book documents how art produced in regions considered susceptible to communist influence was staged on U S soil for U S audiences Held in high profile venues such as the Guggenheim Museum the Walker Art Center MoMA and the Art Institute of Chicago the exhibitions of the 1960s Latin American art boom did not define a single stylistic trend or the art of a single nation but rather attempted to frame Latin America as a unified whole for U S audiences Delia Solomons calls attention to disruptive artworks that rebelled against the curatorial frames purporting to hold them and reveals these exhibitions to be complex contact zones in which competing voices collided Ultimately through multiple means including choosing to exclude artworks with readily decipherable political messages and evading references to contemporary inter American frictions the U S curators who organized these shows crafted projections of Pan American partnership and harmony with the United States as leader interpreter and good neighbor during an era of brutal U S interference across the Americas Theoretically sophisticated and highly original this survey of Cold War era Latin American

art exhibits sheds light on the midcentury history of major U S art museums and makes an important contribution to the fields of museum studies art history and Latin American modernist art *British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain*, 2003

**Riding with Death** Jana Evans Braziel, 2017-06-22 On the southern end of the Grand Rue a major thoroughfare that runs through the center of Port au Prince waits the Haitian capital's automobile repair district This veritable junkyard of steel and rubber recycled parts old tires and scrap metal might seem an unlikely foundry for art Yet on the street's opposite end thrives the Grand Rue Galerie a working studio of assembled art and sculptures wrought from the refuse Established by artists Andr Eug ne and Jean H rard Celeur in the late 1990s the Grand Rue's urban environmental aesthetics defined by motifs of machinic urbanism Vodou bricolage the postprimitivist altermodern and performative politics radically challenge ideas about consumption waste and environmental hazards as well as consider innovative solutions to these problems in the midst of poverty insufficient social welfare lack of access to arts education and basic needs In *Riding with Death* Jana Evans Braziel explores the urban environmental aesthetics of the Grand Rue sculptors and the beautifully constructed sculptures they have designed from salvaged automobile parts rubber tires carved wood and other recycled materials Through first person accounts and fieldwork Braziel constructs an urban ecological framework for understanding these sculptures amid environmental degradation and grinding poverty Above all Braziel presents Haitian artists who live on the most challenged Caribbean island yet who thrive as creators reinventing refuse as art and resisting the abjection of their circumstances

**Surveying the Avant-Garde** Lori Cole, 2018-06-04 *Surveying the Avant Garde* examines the art and literature of the Americas in the early twentieth century through the lens of the questionnaire a genre as central as the manifesto to the history of the avant garde Questions such as How do you imagine Latin America and What should American art be issued by avant garde magazines like *Im n a* a Latin American periodical based in Paris and Cuba's *Revista de Avance* demonstrate how editors writers and readers all grappled with the concept of America particularly in relationship to Europe and how the questionnaire became a structuring device for reflecting on their national and aesthetic identities in print Through an analysis of these questionnaires and their responses Lori Cole reveals how ideas like American art as well as modernism and avant garde were debated at the very moment of their development and consolidation Unlike a manifesto whose signatories align with a single polemical text the questionnaire produces a patchwork of responses providing a composite and sometimes fractured portrait of a community Such responses yield a self reflexive history of the era as told by its protagonists which include figures such as Gertrude Stein Alfred Stieglitz Jean Toomer F T Marinetti Diego Rivera and Jorge Luis Borges The book traces a genealogy of the genre from the Renaissance paragone or comparison of the arts through the rise of enquetes in the late nineteenth century up to the contemporary questionnaire which proliferates in art magazines today By analyzing a selection of surveys issued across the Atlantic Cole indicates how they helped shape artists and writers understanding of themselves and their place in the world Based on extensive archival research this book

reorients our understanding of modernism as both hemispheric and transatlantic by narrating how the artists and writers of the period engaged in aesthetic debates that informed and propelled print communities in Europe the United States and Latin America Scholars of modernism and the avant garde will welcome Cole s original and compellingly crafted work

American Book Publishing Record ,2004      Bookforum ,2003      *Manifestos and Polemics in Latin American Modern Art* Patrick Frank,2017-02-15 Bringing together sixty five primary documents vital to understanding the history of art in Latin America since 1900 Patrick Frank shows how modern art developed in Latin America in this important new work complementing his previous book *Twentieth Century Art of Latin America Revised and Expanded Edition* Besides autobiographies manifestos interviews and artists statements the editor has assembled material from videos blogs handwritten notes flyers lectures and even an after dinner speech As the title suggests many of the texts have a polemical or argumentative cast In these documents many of which appear in English for the first time the artists themselves describe what they hope to accomplish and what they see as obstacles Designed to show how modern art developed in Latin America the documents begin with early modern expressions in the early twentieth century then proceed through the avant garde of the 1920s the architectural boom of midcentury and the Cold War years and finally conclude with the postmodern artists in the new century      Bibliographic Index ,2007      *The British National Bibliography* Arthur James Wells,2006
