Economic Growth and the Origins of Modern Political Economy Philipp R. Rössner, 2016-05-12 *Economic Growth and the Origins of Modern Political Economy* addresses the intellectual foundations of modern economic growth and European industrialization Through an examination both of the roots of European industrialization and of the history of economic ideas this book presents a uniquely broad examination of the origins of modern political economy This volume asks what can we learn from old theories in terms of our understanding of history our economic fate today and the prospects for the modern world's poorest countries Spanning across the past five hundred years this book brings together leading international contributors offering comparative perspectives with countries outside of Europe in order to place the evolution of modern economic knowledge into a broader reference framework It integrates economic discourse and the intellectual history of political economy with more empirical studies in economic history and the history of science In doing so this innovative volume presents a coherent and innovative new strategy towards a reconfiguration of the history of modern political economy This book is suitable for those who study history of economic thought economic history or European history

Writings About Kashmir Nyla Ali Khan, 2022-12-26 Any attempt to homogenize Kashmiri society or the politico cultural discourse on Kashmir is a dangerously flawed exercise To that end the chapters in this book address various aspects of the political cultural and socioeconomic life in Kashmir These chapters are interdisciplinary interventions that could potentially bridge ethnic religiocultural and political divides in the region The book

is divided into three sections the first section explores history and memory offering a critical dialogue between these phenomena and fiction The chapters in section two offer a critical dialogue between history politics and gender analyzing historical and political discourses to underscore the agential capacities of Kashmiri women which are traditionally subsumed within masculinist discourse The sole chapter in section three foregrounds the complex relationship between history trauma and poetry Taken together this book is a nuanced attempt at giving readers the opportunity to engage with multiple subjectivities historical understandings and political opinions It will be of interest to general readers scholars and advanced students of Literature Politics History Human Geography and Sociology This book was originally published as a special issue of the South Asian Review **Annual Catalogue ... with Minutes of the ...
