Son of the Old West Nathan Ward, 2023-09-05 An epic narrative of the Old West told through the vivid outsized life of cowboy detective and chronicler Charlie Siringo No figure in the Old West lived or shaped its history more fully than Charlie Siringo as Nathan Ward reveals in his colorful portrait of this epic era and one of its primary protagonists Born in Matagorda Texas in 1855 Charlie went on his first cattle drive at age twelve and spent two decades living his boyhood dream as a cowboy As the dangerous lucrative beeves business boomed Siringo drove longhorn steers north to the burgeoning Midwest Plains states cattle and railroad towns inevitably crossing paths with such legendary figures as Billy the Kid Bat Masterson and Shanghai Pierce In his early thirties he joined the Pinkerton Detective Agency s Denver office using a variety of aliases to investigate violent labor disputes and infiltrate outlaw gangs such as Butch Cassidy s train robbing Wild Bunch As brave as he was clever he was often saved by his cowboy training as he traveled to places the law had not yet reached Siringo s bestselling landmark 1885 autobiography A Texas Cowboy helped make the lowly cowboy a heroic symbol of the American West His later memoir A Cowboy Detective influenced early hard boiled crime novelists for whom the detective story was really the cowboy story in an urban setting Sadly sued into debt by the Pinkertons determined to prevent their sources and methods from being revealed Siringo eventually sold his beloved New Mexico ranch and moved to Los Angeles where he advised Hollywood filmmakers and especially actor William S Hart on their early 1920s Westerns watching the frontier history he had known first hand turned into romantic legend on the screen In old age Charlie Siringo was called Ulysses of

the Wild West for the long journey he took across the western frontier Son of the Old West brings him and his legendary world vividly to life **Annual Reports of the War Department** United States. War Department,1891 **A Life Cut Short at the Little Big Horn** Todd E. Harburn,2023-02-23 Of the three physicians at the Battle of the Little Big Horn Doctor George Edwin Lord 1846-76 was the lone commissioned medical officer an assistant surgeon with the United States Army's 7th Cavalry one more soldier caught up in the U S government's efforts to fulfill what many people believed was the young country's Manifest Destiny A Life Cut Short at the Little Big Horn tells Lord's story for the first time Notable for its unique angle on Custer's last stand and for its depiction of frontier era medicine the book is above all a compelling portrait of the making of an army medical professional in mid nineteenth century America Drawing on newly discovered documents Todd E Harburn describes Lord's education and training at Bowdoin College in Maine and the Chicago Medical College detailing what the study of medicine entailed at the time for a young man of promise held in universal esteem Lord's time as a contract physician with the army took him in 1874 to the U S Northern Boundary Survey From there Harburn recounts how after a failed romance and the rigors of the U S Army Medical Board examination the young doctor proceeded to his first and only appointment as a post surgeon at Fort Buford in Dakota Territory What followed of course was Lord's service and his death in the Little Big Horn campaign which this book shows us for the first time from the unique perspective of the surgeon A portrait of a singular figure in the milieu of the American military's nineteenth century medical elite A Life Cut Short at the Little Big Horn offers a close look at a familiar chapter in U S history and a reminder of the humanity lost in a battle that resonates to this day **Cutter - Director's Cut** J. Woodburn Barney,2016-08 Cutter Williams is back this time taking his own brand of justice to the ski resort town of Columbus Colorado His crusade takes him from saloons to riots in the streets with the occasional time out of course for a round of golf or a couple of beers But like many a Knight Errant Cutter is saddled with the foibles which could sabotage his mission and destroy him *Congressional Record* United States. including congressional hearings and campaign speeches true crime classics like *In Cold Blood* and films like *Dead Man Walking* Daniel LaChance shows how attitudes toward the death penalty have reflected broader shifts in Americans thinking about the relationship between the individual and the state Emerging from the height of 1970s disillusion the simplicity and moral power of the death penalty became a potent symbol for many Americans of what government could do and LaChance argues fascinatingly that it is the very failure of capital punishment to live up to that mythology that could prove its eventual undoing in the United States
