Souljastory@itrilla.com Richard Warren Crosson,2012-08 The year is 2016 in the mist of the great recession hangs like an ominous storm cloud in the backdrop of this story which is told in hindsight through the blogs of a chick named Isis In her sometimes salacious narrative this iTrills com blogger has taken her readers back in time when she was a young crazy sexy cool ride or die type that shamelessly rocked a red flag She knew more computer codes than a Silicon Valley whiz kid Readers of her blog also get a peek into her sizzling hot sexual affair with a devilishly influential guerilla gansta named Soulja leader of the notorious B R M clique and founder of the even more influential iTrilla com Never mind that Isis has a man that worships her like her goddess name She s become a drifting moth attracted to the flame of Soulja ever since she and her boyfriend met him While still in the hands of the Feds Soulja evolved into an informed convict disguised as a blogger Unfortunately for the powers that be he is laced with controversial convictions that has inspired millions Soon after his release into the free world he covertly used his own social networking site to chop it up with other leaders of illicit underground street orgs With them he devises a radical blueprint to destroy every prison plantation in America hoping to create a slavery revolt just like the legend of his hero Nat Turner Of course no plan of this magnitude could ever unravel without a significant glitch
