Girls Inc. Presents You're Amazing! Claire Mysko, 2008-06-01 You've heard it all before: Get good grades. Keep your room clean. Wear the right clothes. Try new extracurricular activities. And why don't you have a boyfriend? All these demands can be mind-boggling. What's a girl to do? Girls Inc. Presents You're Amazing is a guide to help you deal with the amount of pressure you endure to be perfect. In this fun and enthusiastic, not your mother's book, you'll get advice on not-so-easy topics including how to deal with stereotypes and cliques, figure out the best way to balance school and a social life, navigate the crushes and dating world, find a place in your family. Packed with guidance from older teens, female role models, and activities from Girls Inc., this fun-to-read book is truly a guide to being your very best and happiest self. **Girls Make Media** Mary Celeste Kearney, 2013-08-21 More girls are producing media today than at any other point in U.S. history, and they are creating media texts in virtually every format currently possible: magazines, films, musical recordings, and websites. Girls Make Media explores how young female media producers have reclaimed and reconfigured girlhood as a site for radical social, cultural, and political agency. Central to the book is an analysis of Riot Grrrl, a 1990s feminist youth movement from a fusion of punk rock and gender theory, and the girl power movement it inspired. The author also looks at the rise of girls-only media, education programs, and the creation of girls studies. This book will be essential reading for anyone seeking to understand contemporary female youth in today's media culture. **A Better Today Brings a Brighter Tomorrow** Lashanda Henry, 2007-05 A Better Today Brings a Brighter Tomorrow is an Educational Guide for Parents of Color. It includes information about youth programs for minority students, mostly in New York but also across the United States. The programs range from after-school tutoring, pre-college preparation, mentoring, talent, summer opportunities, camps, internships, and career training. It's a great resource for anyone, even non-New Yorkers, because it breaks down the different types of programs that exist for young people in practically every state. Please visit the official website: A Better Today Brings a Brighter Tomorrow Black Youth Programs and Minority Student Educational Resources. **Fashion Finds** Jamie Campbell, 2016-08-15 Please note: This is a novelette. Shorter fiction is a fun and quick read, not a full-length novel. In the third part of the Fashion Series, Truly and Jane's business is having some trouble. They have too many orders and not enough time or money to fill them. Juggling the grim fact that she has fashion designer writer's block, Truly is trying to keep her secret from her business partner. If she can't design anymore, what will happen to her future? Meanwhile, Jane has problems of her own: trying to fill the orders and satisfy their customers. When it all comes to a head, they just might have to close down their business and let go of their dreams. Find out if the girls have what it really takes to succeed in Fashion Finds. Also in the series: Fashion Fraud, Fashion Friends, Fashion Finds, Fashion Faux Pas. The Fashion Fraud Collection. Grab all four together and save. *We Were Feminists Once* Andi Zeisler, 2016-05-03 Feminism has hit the big time. Once a dirty word brushed away with a grimace, feminist has been rebranded as a shiny label sported by movie and pop stars, fashion designers, and

multi hyphenate powerhouses like Beyonc It drives advertising and marketing campaigns for everything from wireless plans to underwear to perfume presenting what s long been a movement for social justice as just another consumer choice in a vast market Individual self actualization is the goal shopping more often than not the means and celebrities the mouthpieces But what does it mean when social change becomes a brand identity Feminism s splashy arrival at the center of today s media and pop culture marketplace after all hasn t offered solutions to the movement s unfinished business Planned Parenthood is under sustained attack women are still paid 77 percent or less of the man s dollar and vicious attacks on women both on and offline are utterly routine Andi Zeisler a founding editor of Bitch Media draws on more than twenty years experience interpreting popular culture in this biting history of how feminism has been co opted watered down and turned into a gyratory media trend Surveying movies television advertising fashion and more Zeisler reveals a media landscape brimming with the language of empowerment but offering little in the way of transformational change Witty fearless and unflinching *We Were Feminists Once* is the story of how we let this happen and how we can amplify feminism s real purpose and power
