Real Presence The Holy Spirit In Cs Lewi:

Real Presence Leanne Payne, 1989 **Mere Theology** Will Vaus, 2004-03-30 Will Vaus masterfully brings together Lewis's thought from throughout his voluminous writings to provide us a full orb'd look into his beliefs on twenty five Christian themes *Tolkien and C.S. Lewis* Colin Duriez, 2003 This book explores their lives unfolding the extraordinary story of their complex friendship that lasted with its ups and downs until Lewis's death in 1963 Despite their differences of temperament spiritual emphasis and storytelling style what united them was much stronger A shared vision that continues to inspire their millions of readers throughout the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved C. S. Lewis's Mere Christianity George M. Marsden, 2020-02-25 The life and times of C S Lewis's modern spiritual classic *Mere Christianity* C S Lewis's eloquent defense of the Christian faith originated as a series of BBC radio talks broadcast during the dark days of World War Two Here is the story of the extraordinary life and afterlife of this influential and inspiring book George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican famously converting to Christianity in 1931 after conversing into the night with his friends J R R Tolkien and Hugh Dyson and how his plainspoken case for Christianity went on to become one of the most beloved spiritual books of all time *True Myth* James W Menzies, 2015-02-26 *True Myth* examines the meaning and significance of myth as understood by C S Lewis and Joseph Campbell and its place in the Christian faith in a technological society C S Lewis defined Christianity and being truly human as a relationship between the personal Creator and his creation mediated through faith in his son Jesus The influential writer and mythologist Joseph Campbell had a different perspective understanding Christianity as composed of mythical themes similar to those in other religious and secular myths While accepting certain portions of the biblical record as historical Campbell taught the theological and miraculous aspects as symbolic as stories in which the reader discovers what it means to be human today In contrast Lewis presented the theological and the miraculous in a literal way Although Lewis understood how one could see symbolism and lessons for life in miraculous events he believed they were more than symbolic and indeed took place in human history In *True Myth* James W Menzies skilfully balances the two writers differing approaches to guide the reader through a complex interaction of myth with philosophy media ethics history literature art music and religion in a contemporary world *C. S. Lewis* Margaret Patterson Hannay, 2009-02-02 Readers over the world delight in the Narnia tales the adult novels and the sparkling Christian apologetics of C S Lewis His literary criticism continues to provoke and enlighten Here now is an excellent map of Lewis two worlds his life and his imagination In an appealing style unhampered by academic jargon Hannay offers a biographical sketch of a man haunted by longing a man who progressed from arrogant dogmatism to gentleness concise summaries of each of the major works including tantalizing quotations to entice the reader back to the original a survey of the major themes throughout his writing which connect works as seemingly different from each other as *The Lion the Witch and the Wardrobe* *Screwtape Letters* and *A Preface to Paradise*

Lost an analysis of his literary technique involving his allusive and compelling style **Heaven's Calling** Leanne Payne,2008-09-01 Leanne Payne was called out of brokenness into union with Christ and her nearly fifty year journey with God has been an adventure of healing grace and truth and of the accompanying spiritual battles She has spent her life proclaiming the freeing message that Christ lives in us and offers the ministry of Jesus especially to those suffering from the effects of past sins and woundedness self rejection and long standing addictions By exposing her own life complete with its triumphs and failures Mrs Payne brings extraordinary clarity and understanding on a surprisingly large range of subjects including gender identity sexual neurosis gnosticism false prophecy transference healing prayer incarnational reality and sacramental worship Her story illustrates how one soul listening to and obeying the Lord can revel in the abundant life that is available to us all *Essential C. S. Lewis* Clive Staples Lewis,1996 A selection of Lewis work including essays letters poems and texts of *The Lion the Witch and the Wardrobe* *Perelandra* and *Abolition of Man* **C.S. Lewis--An Annotated Bibliography and Resource** P. H. Brazier,2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to the study of Lewis an introductory essay on Christology in Lewis and a glossary for those unfamiliar with some of the background and terms to Lewis s understanding of revelation and the Christ It will be an invaluable resource for all scholars of C S Lewis The bibliography stands alone but it also serves to complement the three volumes of the series *C S Lewis Revelation and the Christ* **A Field Guide to Narnia** Colin Duriez,Brian Sibley,2004-06-02 Are you traveling to Narnia No matter if this is your first visit to C S Lewis s wonderful fantasy world or if you ve been there many times you ll want to bring along this handy companion to the landscape and inhabitants of Narnia including an A to Z guide to characters places objects and events From Narnia expert Colin Duriez you ll learn Duriez also takes up some the sticky questions that you may be left wondering about such as the destiny of Susan His book will help you dig deeper into the series and its implications for understanding the Christian life
