Twentieth-Century Chinese Art Lian Duan,2023-07-28 This study constructs a framework of narratology for art history and
rewrites the development of twentieth century Chinese art from a narratological perspective Theoretically and
methodologically oriented this is a self reflective meta art history studying the art historical narratives while narrating the
story of modern and contemporary Chinese art Thus this book explores the three layers of narrative within the narratological
framework the first hand fabula the secondary narration and the tertiary narrativization With this tertiary narrativization the
reader author presents three types of narrative the grand narrative of the central thesis of this book the middle range
narrative of the chapter theses and case analyses supporting these theses The focus of this tertiary narrativization is the
interaction between Western influence on Chinese art and the Chinese response to this influence The central thesis is that
this interaction conditioned and shaped the development of Chinese art at every historical turning point in the twentieth
century The book will be of interest to scholars working in art history critical theory Chinese studies and cultural studies
