The Reality of God and the Problem of Evil Brian Davies, 2006-10-11 An important new book on how we can still believe in a God of love and confront the problem of evil in the world. Probably the most important book on the subject since John Hick's book *Evil and the God of Love*. Professor Davies says we should tackle this problem by attending to the basics by asking whether there is a God and then What is God. He starts by summarizing the arguments so far from Seneca to the present day. He then moves to what he describes as the basics (see above) and demonstrates that much of what has been written about on the topic of evil is in fact irrelevant or just plain wrong. This is a lively book on a tricky subject written at all times with humour and much practical example.

The Idea of God and the Reality of Evil R. W. K. Paterson, 2010-12-01 The *Idea of God and the Reality of Evil* is the perfect book for readers who have a broad interest in fundamental religious issues. It offers a balanced, clear and non-technical view of the religious problem of evil which often forms an insurmountable barrier to faith. For Atheists the existence of evil is categorical proof that a higher omnipresent and omnipotent creator cannot exist. This book takes a fresh look at the arguments of the Atheists and re-examines their perspective that a perfect being implies a perfect world and offers a rational answer to the apparent conflict between faith and an imperfect reality. Paterson's treatment of the problem of evil is clear. He offers readers a balanced look at all the conflicting views in this book which will appeal to Christians, Humanists and members of many other faiths.

New Creation Realities E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought: the inward soul, the re-created spirit, the focus of God's great redemptive work on earth. The four Gospels give us a wonderful

picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul s Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul s teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God s presence without a sense of guilt condemnation or inferiority A
