Research in the Social Scientific Study of Religion R. L. Piedmont, 2008-06-25 This volume provides a wide range of research on the psychological and sociological aspects of spirituality and religiousness Volume 19 also contains a special section focusing on issues related to adolescent spirituality *Research in the Social Scientific Study of Religion, Volume 19* Ralph L. Piedmont, 2008-07-31 A wide range of research and review articles are presented Topic areas include mental and physical health personality correlates of spirituality validity evidence for the ASPIRES and the role of religious values on socio political attitudes Also included in this volume are studies examining women s issues surrounding body image and disordered eating Another paper addresses Christian Serpent handlers a very understudied group and the legal religious and moral issues surrounding this practice There is also a special section edited by Dr Christopher Boyatzis that addresses specific issues around adolescent spirituality This volume provides a diverse snapshot of cutting edge research in the field across multiple disciplines Readers will come away with an appreciation for the broad interests that characterize this field and the fascinating empirical findings that continue to draw professional interest in numinous constructs *Healing at the Borderland of Medicine and Religion* Michael H. Cohen, 2006 One of the transformations facing health care in the twenty first century is the safe effective and appropriate integration of conventional or biomedical care with complementary and alternative medical CAM therapies such as acupuncture chiropractic The Status of Religion and the Public Benefit in Charity Law Barry W. Bussey, 2020-02-29 The Status of Religion and the Public Benefit in Charity Law is an apologetic for maintaining the presumption of public benefit for the charitable category advancement of religion in democratic countries within the English common law tradition In response to growing academic and political pressure to reform charity law including recurring calls to remove tax exemptions granted to religious charities the scholars in this volume analyse the implications of legislative and legal developments in Canada the UK Australia New Zealand and South Africa In the process they also confront more fundamental sociological or philosophical questions on the very nature and role of religion in a secular society that would deny any space for religious communities outside their houses of worship In other words this book

is concerned with the place of religion and religious institutions in contemporary society It represents a series of concerns about the proper role of the state in relation to the differing beliefs of citizens some of which will quite rightly manifest in actions to benefit the wider society This debate then naturally engages with broader issues related to secularism civic engagement and liberal democratic freedoms
