Reason Freedom And Democracy In Islam:

Reason, Freedom, & Democracy in Islam 'Abd al-Karīm Surūsh, 2002 Soroush and his contemporaries in other Moslem countries are shaping what may become Islam's equivalent of the Christian Reformation a period of questioning traditional practices and beliefs and ultimately of upheaval Reason, Freedom, and Democracy in Islam Abdolkarim Soroush, 2000-04-20 Abdolkarim Soroush has emerged as one of the leading moderate revisionist thinkers of the Muslim world He and his contemporaries in other Muslim countries are shaping what may become Islam's equivalent of the Christian Reformation a period of questioning traditional practices and beliefs and ultimately of upheaval Presenting eleven of his essays this volume makes Soroush's thought readily available in English for the first time The essays set forth his views on such matters as the freedom of Muslims to interpret the Qur'an the inevitability of change in religion the necessity of freedom of belief and the compatibility of Islam and democracy Throughout Soroush emphasizes the rights of individuals in their relationship with both government and God explaining that the ideal Islamic state can only be defined by the beliefs and will of the majority Reason, Freedom, & Democracy in Islam 'Abd al-Karīm Surūsh, 2023 Abdolkarim Soroush is one of the leading moderate revisionist thinkers of the Muslim world These essays set forth Soroush's views on such matters as the freedom of the Muslim believe to interpret the Qur'an the inevitability of change in religion the necessity of freedom of belief and the compatibility of Islam with democracy **Dialogue Among Civilizations** F. Dallmayr, 2016-04-30 Dialogue Among Civilizations explores the social cultural and philosophical underpinnings of civilizational dialogue by asking questions such as What is the meaning of such dialogue What are its preconditions Are there different trajectories for different civilizations Is there also a dialogue between past and future involving remembrance Exemplary voices range from Ibn Rushd Goethe and Hafiz to Soroush Gadamer and the Mahatma Gandhi Contemporary Thought in the Muslim World Carool Kersten, 2019-06-17 This book presents an intellectual history of today's Muslim world surveying contemporary Muslim thinking in its various manifestations addressing a variety of themes that impact on the lives of present day Muslims Focusing on the period from roughly the late 1960s to the first decade of the twenty first century the book is global in its approach and offers an overview of different strands of thought and trends in the development of new ideas distinguishing between traditional reactionary and progressive approaches It presents a variety of themes and issues including The continuing relevance of the legacy of traditional Islamic learning as well as the use of reason the centrality of the Qur'an the spiritual concerns of contemporary Muslims political thought regarding secularity statehood and governance legal and ethical debates related current issues like human rights gender equality and religious plurality as well as globalization ecology and the environment bioethics and life sciences An alternative account of Islam and the Muslim world today counterbalancing narratives that emphasise politics and confrontations with the West this book is an essential resource for students and scholars of Islam *Muslims in Modern Turkey* Sena Karasipahi, 2008-12-18 Modern Turkey is the site of a

powerful Islamic revival with a strong intellectual elite dedicated to the overthrow of secular modernism Why have modern Muslim intellectuals turned against the ideals of Kemalism on which the modern Turkish nation state is founded What does this reveal about the future of Turkey And how are Islamic intellectuals in Turkey affected by developments in the Middle East Muslims in Modern Turkey is the first book to analyse this phenomenon tracing the evolution of Muslim intellectual thought from the 1980s to the present day It focuses on six leading Muslim thinkers Ali Bula Rasim zden ren smet zel lhan Kutluer Ersin Nazif G rdo an and Abdurrahman Dilipak who belong to a single school and share a novel understanding of Islam They act as public intellectuals who aim to reform and enlighten society by educating them and raising their awareness of Islamic values arguing not for the compatibility of Islam and European values but the fundamental superiority of Islam over secular democracy Sena Karasipahi places the Turkish experience in its broader international context and shows how Turkish Islamic intellectuals are affected by the earlier Muslim intellectuals and revivalists in the Arab world and in Turkey This important study makes connections with the Islamic revival process throughout the contemporary Middle East as well as with comparable movements in Turkey s own past making this a crucial contribution to an understanding of contemporary Islamic political thinking

Religious Liberty in Western and Islamic Law Kristine Kalanges,2012-04-04 In Religious Liberty in Western and Islamic Law Toward a World Legal Tradition Kristine Kalanges argues that differences between Western and Islamic legal formulations of religious freedom are attributable in substantial part to variations in their respective religious and intellectual histories Kalanges suggests that while divergence between the two bodies of law challenges the characterization of religious liberty as a universal human right the dilemma of religious freedom the difficult choice between the universality of religious liberty rights and peaceful co existence of diverse legal cultures may yet be transformed through the cultivation of a world legal tradition This argument is advanced through comparative analysis of human rights instruments from the Western and Muslim worlds with attention to the legal political processes by which religious and philosophical ideas have been institutionalized

The Conflict Within Islam Israr Hasan,2011-12 This is not a book of history it does not claim to cover every aspect of Islam religion It confines itself to the search for the true mission of Islam and how that mission has been hijacked in the struggle of faith and power This is the story of contest between religion and politics where politics was made a sacrament and religion abused In describing this aspect the historical part naturally cannot be ignored This is not a book of religion either Since religion and politics overlap each other in this study theology and jurisprudence have their interplay also The conflict within Islam for the soul of Islam continues Will the struggle be resolved in the present and the foreseeable future Or will it make life more difficult for the faithful This book attempts to find the answers

Freedom of Religion, Apostasy and Islam Abdullah Saeed,2017-03-02 Debate on freedom of religion as a human right takes place not only in the Western world but also in Muslim communities throughout the world For Muslims concerned for this freedom one of the major difficulties is the punishment for apostasy death for those who desert Islam This

book argues that the law of apostasy and its punishment by death in Islamic law is untenable in the modern period Apostasy conflicts with a variety of foundation texts of Islam and with the current ethos of human rights in particular the freedom to choose one's religion Demonstrating the early development of the law of apostasy as largely a religio political tool the authors show the diversity of opinion among early Muslims on the punishment highlighting the substantial ambiguities about what constitutes apostasy the problematic nature of some of the key textual evidence on which the punishment of apostasy is based and the neglect of a vast amount of clear Qur'anic texts in favour of freedom of religion in the construction of the law of apostasy Examining the significant challenges the punishment of apostasy faces in the modern period inside and outside Muslim communities exploring in particular how apostasy and its punishment is dealt with in a multi religious Muslim majority country Malaysia and the challenges and difficulties it faces there the authors discuss arguments by prominent Muslims today for an absolute freedom of religion and for discarding the punishment of apostasy

Revolution and its Discontents Eskandar Sadeghi-Boroujerdi, 2019-02-21 With a focus on the political elite Sadeghi Boroujerdi analysis the intellectual and political trajectory of post revolutionary Iranian reformism
