Reba My Story:

Reba Reba McEntire, Tom Carter, 2015-04-15 With the same straightforward honesty that made her one of country's top selling female recording artists Reba McEntire tells her phenomenal story From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit from her early days as a performer in honky tonks to her many awards and a sold out appearance at Carnegie Hall Reba relates her experiences with heartfelt emotion and down to earth humor With the same warmth and generous spirit that infuses her music she introduces us to the most important people in her life the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision With great poignancy she also recounts the lowest points of her life the breakup of her first marriage and the plane crash that took the lives of eight of her band members and the highest her remarriage and the birth of her son Shelby Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God Reba My Story is an intimate portrait of one of America's most beloved and successful entertainers NOTE This edition does not include a photo insert

The Awkward Phase Tyler Gillespie, Claire Linic, 2016-02-02 Based on the popular Tumblr a collection of funny stories that commemorate the awkward phases in our lives Back in the 1990s when slap bracelets and Velcro ruled supreme two adolescents were stumbling their way through life on gangly limbs One Claire Linic had self permed her bowl cut and the other Tyler Gillespie had purchased self tanner telling the cashier it was for his girlfriend Now in their twenties and still just a tiny bit awkward Linic and Gillespie have joined forces to ask the question If we could talk to our fourteen year old selves what would we tell them now Based on the hit Tumblr The Awkward Phase this book answers that question with personal stories and cringe worthy photos from seasoned comedians YouTube stars and people like the rest of us that cover everything from sweaty palm moments to bad band photos In these pages you'll hear about the moment Shaun Sperling realized he was gay at a Richard Simmons's workout studio how Bente Engelstoft made her own bra out of her dad's old underwear and why even though Robert Bacon's awkward phase was mortifying it was the beginning of his new happier life Ultimately The Awkward Phase encourages us to laugh and celebrate the moments that have helped shape who we are As Gillespie and Linic say Everyone is in on the joke You don't have to eat your lunch alone in the bathroom stall You can sit with us

Oldest Living Confederate Widow Tells All Allan Gurganus, 2010-09-08 Allan Gurganus's *Oldest Living Confederate Widow Tells All* became an instant classic upon its publication Critics and readers alike fell in love with the voice of ninety nine year old Confederate widow Lucy Marsden one of the most entertaining and loquacious heroines in American literature Lucy married at the turn of the twentieth century when she was fifteen and her husband was fifty If Colonel William Marsden was a veteran of the War for Southern Independence Lucy became a veteran of the veteran with a unique perspective on Southern history and Southern manhood Lucy's story encompasses everything from the tragic death of a Confederate boy soldier to the feisty narrator's daily battles in the Home complete with visits from a

mohawk coiffed candy striper Oldest Living Confederate Widow Tells All is a marvel of narrative showmanship and proof that brilliant emotional storytelling remains at the heart of great fiction **Life Upon the Wicked Stage** Jacqueline

Boles,2010-07 Show business is a multimillion dollar business and its celebrities and sports figures are the most famous people on earth Yet most entertainers are neither rich nor famous In Life upon the Wicked Stage author Jacqueline Boles provides an academic portrait of live performers and offers insight into their unique world Based on the biographies and autobiographies of one hundred and seventeen American show people Life upon the Wicked Stage delves into the lives of entertainers musicians singers dancers comics and variety artists This sociological study first shares the history of show business from its beginnings to present day where the public s fascination with entertainers and celebrities is avid Then Boles analyzes the entertainers and their family backgrounds investigates their reasons for choosing entertainment and explores their career patterns This study also shows the affects that show business has on family and relationships and it discusses the costs and rewards of life as a performer Life upon the Wicked Stage illustrates that live entertainment has changed dramatically over the last one hundred and fifty years while remaining remarkably unchanged Boles communicates that the show must go on **The New Generation of Country Music Stars** David Dicaire,2014-11-21 This book highlights

50 of the most important entertainers in contemporary country music providing a brief biography of each artist with special emphasis on experiences that influenced their musical careers The artists are divided into five categories The New Traditionalists artists such as George Strait Reba McEntire and Clint Black who established the mainstream country sound in the 1980s Alternative Country artists such as Steve Earle and Bela Fleck who made country music on their own terms Groups ensemble acts such as Alabama the Dixie Chicks and Rascal Flatts that have carried on the traditions of the Carter Family and other prominent groups of the 1920s and 1930s Country Pop artists such as Garth Brooks and Shania Twain who firmly established the countrypolitan sound as the cash cow of Nashville and New Country the next generation of country pop artists with particular attention paid to international megastars such as Keith Urban and teen sensations including LeAnn Rimes and Taylor Swift *Love in Reverse/Scarred for Life* Garland Ladd,2008-07-02 Why do love relationships fail A more appropriate question is why do many succeed Finding answers to both questions is analogous to defining infinity impossible

because the unknowns are infinite and this author will not go there However two aspects of lasting love loom extremely important namely the origin of love that indefinable spark of attraction that unites people and the admirable quality of ingenuity that is required for relationships to survive Love In Reverse and Scarred For Life are fictional attempts to highlight those aspects of lasting love *The Finder of Lost Things* Frank Hibbs,2007-11-13 A man with an unusual talent for finding lost objects searches for the man that kidnapped and assaulted his young niece The search and chase leads him across half the nation to a large metropolitan area where his senses tell him the culprit is hiding During his search he meets and falls in love with a beautiful widow The culprit is a sly and cunning adversary and leads the hunter on a long and arduous chase

Make Me a Star Anastasia Brown, Brian Mansfield, 2008-04-08 Talent is not enough to make it in the music business and the insights tips and techniques in *Make Me A Star* will give readers the edge they need to stand out to even the toughest judges on television or anywhere in the music business Anastasia Brown music producer and judge of Nashville Star provides the insight anyone wanting to make it in the music business needs to know whether through music contests or going the traditional route From creating a memorable first impression to planning a winning strategy for sustained success every step of the process is addressed Behind the scenes stories of what worked and what didn't from such performers as Keith Urban Reba McEntire Carrie Underwood and many more show the human side of the journey *Make Me a Star* helps the reader determine his or her strengths and gives advice based on those strengths Each chapter will also include insight from top producers agents publicists and stylists They say a smart man learns from his mistakes but a wise man learns from another's mistakes Some pitfalls are necessary for an artist's development but not all The stories and advice within these pages are not merely rhetoric or theory they are hard fought and hard won experiences from those who've been in the trenches Keith Urban
