Rebel Love:

Courage Osho, 1999-11-20 Courage is not the absence of fear says Osho It is rather the total presence of fear with the courage to face it This book provides a bird's eye view of the whole terrain where fears originate how to understand them and how to find the courage to face them In the process Osho proposes that whenever we are faced with uncertainty and change in our lives it is actually a cause for celebration Instead of trying to hang on to the familiar and the known we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us The book begins with an in depth exploration of the meaning of courage and how it is expressed in the everyday life of the individual Unlike books that focus on heroic acts of courage in exceptional circumstances the focus here is on developing the inner courage that enables us to lead authentic and fulfilling lives on a day to day basis This is the courage to change when change is needed the courage to stand up for our own truth even against the opinions of others and the courage to embrace the unknown in spite of our fears in our relationships in our careers or in the ongoing journey of understanding who we are and why we are here Courage also features a number of meditation techniques specifically designed by Osho to help people deal with their fears

with a growing following Tyrone's podcast called The Rebel's Hike Podcast explains many Biblical truths OSOLAT had revealed to him presented in easy to understand hiking metaphors He talks about such topics as hikers choosing which trail to take giving their rocks to OSOLAT to carry learning where the Experts might be hiding along the way and how to use the Trail Guide when making decisions After Tyrone passes away Elijah's 16 year old brother Axel with whom Tyrone shared a room eventually takes over the podcasts With the help of Alyssa's 16 year old cousin Nora who becomes Axel's girlfriend they continue the mission to help their generation take The Rebel's Hike possibly changing society and the world for the better Readers have said This is the type of book that will give readers some spiritual food for thought and I think they'll still be thinking about it long after they've read the last page I think your book embraces imagination to understand and value the hopeful message of the Gospel Over and over we face a choice even in small moments and what that choice comes down to Who or what am I listening to Who or what do I answer to **Love's Fickleness and Other Poems** W.
