Rebel Against Love:

Rebel Against Love Elizabeth Ashton, 1982 **Rebel Against Love** Brenda Jackson, Penguin Books Staff, Ronald L McDonald, 1960-01-01 **The Truth of the Unshakable** Joanna Freeman, 2008-05 It takes faith to trust in the Truth while being tried by the fire FAITH TRUST TRUTH TRIED FIRE This book takes the reader on a journey to discover the meaning behind those five key biblical words The understanding of Truth has the power to shake that which can be shaken the lies of the devil and the power to strengthen that which is unshakable In Hebrews 12 26 27 the Word says that all creation will be shaken and only unshakable things will remain to inherit an unshakable Kingdom The Message Bible describes this shaking as a thorough housecleaning getting rid of all the historical and religious junk so that the unshakable essentials stand clear and uncluttered Come dig deeper Take a journey that will shine light on the unshakable nature of YOU Rejoice in the revelation of the Word Explore its treasures and know that they are for you Scripture describes the author of this book as a child of the Most High God created in the image of love for the purpose of love She has the mind of Christ a new nature a redeemed soul She is sanctified a clay vessel being molded and shaped to perfection by the Master Potter being tried by fire for the approval of the Word Through the blood of Christ Jesus she has the power to overcome the sins of the flesh She is equipped with the armor of God prepared for battle against the wiles of the enemy All that she is she is because of the Great I Am that dwells within her Without Him she is dust That brief description of the author is just a small taste of what the Word of God Truth says about all God's children **Answers for the Honest Skeptic** Ted Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ's radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing **Female Rebellion in Young Adult Dystopian Fiction** Sara K. Day, Miranda A. Green-Barteet, Amy L. Montz, 2016-04-15 Responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood

The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood Divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her In a series of thought provoking essays on a wide range of writers that includes Libba Bray Scott Westerfeld Tahereh Mafi Veronica Roth Marissa Meyer Ally Condie and Suzanne Collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture Hellrazed? Kevin Miller,2017-11-15 In September 2012 the feature length documentary Hellbound was released in theaters across North America Joining a growing chorus of voices that were questioning the traditional view of hell as a place of eternal conscious torment the film asked a handful of burning questions Does hell exist If so who goes there and why More importantly what do our views about hell say about us and our understanding of God And how do our beliefs about these issues affect the kind of world we create the kind of people we become Five years later the debate over hell is far from settled but the landscape in which such questions are being asked has changed radically Hence filmmaker Kevin Miller decided it was time to go back to some of the people who appear in Hellbound and others he met along the way to get their input on how the debate has shifted and how it s remained the same The result is a plethora of voices offering all sorts of perspectives some highly academic some polemic some intensely personal and all bound to impact how readers think and feel about this issue
