Rebellious Slave The Image Of Nat Turner In American Memory

Allen C. Guelzo

Rebellious Slave The Image Of Nat Turner In American Memory:

The Rebellious Slave Scot French, 2004 Peterson's Lincoln in American Memory and Nell Painter's Sojourner Truth A Life a Symbol The Rebellious Slave will alter our views of both slavery and its complex everchanging legacy BOOK JACKET

Afrodiasporic Forms Raquel Kennon, 2022-06-29 *Afrodiasporic Forms* explores the epistemological possibilities of the Black world paradigm and traces a literary and cultural cartography of the monde noir and its constitutive African diasporas across multiple poetic visual and cultural permutations Examining the transatlantic slave trade and modern racial slavery Raquel Kennon challenges the US centric focus of slavery studies and draws on a transnational eclectic archive of materials from Lusophone Hispanophone and Anglophone sources in the Americas to inspect evolving multitudinous and disparate forms of Afrodiasporic cultural expression Spanning the 1830s to the twenty first century *Afrodiasporic Forms* traverses national linguistic and disciplinary boundaries as it investigates how cultural products of slavery's afterlife including poetry prose painting television sculpture and song shape understandings of the African diaspora Each chapter uncovers multidirectional pathways for exploring representations of slavery considering works such as a Brazilian telenovela based on Bernardo Guimaraes's novel *A Escrava Isaura* Robert Hayden's poem *Middle Passage* Kara Walker's sculpture *A Subtlety* and Juan Francisco Manzano's *Autobiografía de un esclavo* Kennon's expansive method of comparative reading across the diaspora uses eclectic pairings of canonical and popular textual and artistic sources to stretch beyond disciplinary and national borders promoting expansive diasporic literacies

Slavery, Surveillance and Genre in Antebellum United States Literature Kelly Ross, 2023-01-23 This book argues for the existence of deep often unexamined interconnections between genre and race by tracing how surveillance migrates from the literature of slavery to crime gothic and detective

fiction not only through the traditional concept of surveillance top down but also the tactics of sousveillance watching from below

American Homicide Randolph Roth, 2010-02-15 Roth charts changes in the character and incidence of homicide in the U S from colonial times to the present He examines the four factors that explain why homicide rates have gone up and down in the U S and in other Western nations over the past four centuries and why the U S is today the most homicidal affluent nation

Southern Women Novelists and the Civil War Sharon Talley, 2014-04-09 During and after the Civil War southern women played a critical role in shaping the South's evolving collective memory by penning journals and diaries historical accounts memoirs and literary interpretations of the war While a few of these writings most notably Mary Chesnut's diaries and Margaret Mitchell's novel *Gone with the Wind* have been studied in depth by numerous scholars until now there has been no comprehensive examination of Civil War novels by southern women In this welcome study Sharon Talley explores works by fifteen such writers illuminating the role that southern women played in fashioning cultural identity in the region Beginning with Augusta Jane Evans's *Macaria* and Sallie Rochester Ford's *Raids and Romance of Morgan and His Men* which were published as the war still raged Talley offers a chronological consideration of the novels with informative

introductions for each time period She examines Reconstruction works by Marion Harland Mary Ann Cruse and Rebecca Harding Davis novels of the Redeemed South and the turn of the century by Mary Noailles Murfree Ellen Glasgow and Mary Johnston and narratives by Evelyn Scott Margaret Mitchell and Caroline Gordon from the Modern period that spanned the two World Wars Analysis of Margaret Walker's Jubilee 1966 the first critically acclaimed Civil War novel by an African American woman of the South as well as other post World War II works by Kaye Gibbons Josephine Humphreys and Alice Randall offers a fitting conclusion to Talley's study by addressing the inaccuracies in the romantic myth of the Old South that Gone with the Wind most famously engraved on the nation's consciousness Informed by feminist poststructural and cultural studies theory Talley's close readings of these various novels ultimately refute the notion of a monolithic interpretation of the Civil War presenting instead unique and diverse approaches to balancing fact and fiction in the long period of artistic production concerning this singular traumatic event in American history Sharon Talley professor of English at Texas A M University Corpus Christi is the author of Ambrose Bierce and the Dance of Death and Student Companion to Herman Melville Her articles have appeared in American Imago Journal of Men's Studies and Nineteenth Century Prose

Nat Turner's Slave Rebellion Michael Burgan, 2006 In graphic novel format tells the true story of the 1831 Virginia slave rebellion led by slave Nat Turner who believed he was a prophet

Disunion! Elizabeth R. Varon, 2008-11-15 In the decades of the early republic Americans debating the fate of slavery often invoked the specter of disunion to frighten their opponents As Elizabeth Varon shows disunion connoted the dissolution of the republic the failure of the founders' effort to establish a stable and lasting representative government For many Americans in both the North and the South disunion was a nightmare a cataclysm that would plunge the nation into the kind of fear and misery that seemed to pervade the rest of the world For many others however disunion was seen as the main instrument by which they could achieve their partisan and sectional goals Varon blends political history with intellectual cultural and gender history to examine the ongoing debates over disunion that long preceded the secession crisis of 1860-61

Robert E. Lee Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award-winning historian and best-selling author of Gettysburg comes the definitive biography of Robert E. Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E. Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E. Lee

the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty John Pendleton Kennedy Andrew R. Black,2016-07-11 John Pendleton Kennedy 1795 1870 achieved a multidimensional career as a successful novelist historian and politician He published widely and represented his district in the Maryland legislature before being elected to Congress several times and serving as secretary of the navy during the Fillmore administration He devoted much of his life to the American Whig party and campaigned zealously for Henry Clay during his multiple runs for president His friends in literary circles included Charles Dickens Washington Irving and Edgar Allan Poe According to biographer Andrew Black scholars from various fields have never completely captured this broadly talented antebellum figure with literary critics ignoring Kennedy s political work historians overlooking his literary achievements and neither exploring their close interrelationship In fact Black argues literature and politics were inseparable for Kennedy as his literary productions were infused with the principles and beliefs that coalesced into the Whig party in the 1830s and led to its victory over Jacksonian Democrats the following decade Black s comprehensive biography amends this fractured scholarship employing Kennedy s published work and other writing to investigate the culture of the Whig party itself Using Kennedy s best known novel the enigmatic Swallow Barn or A Sojourn in the Old Dominion 1832 Black illustrates how the author grappled unsuccessfully with race and slavery The novel s unstable narrative and dissonant content reflect the fatal indecisiveness both of its author and his party in dealing with these volatile issues Black further argues that it was precisely this failure that caused the political collapse of the Whigs and paved the way for the Civil War Stars for Freedom Emilie Raymond,2015-05-01 From Oprah Winfrey to Angelina Jolie George Clooney to Leonardo DiCaprio Americans have come to expect that Hollywood celebrities will be outspoken advocates for social and political causes However that wasn t always the case As Emilie Raymond shows during the civil rights movement the Stars for Freedom a handful of celebrities both black and white risked their careers by crusading for racial equality and forged the role of celebrity in American political culture Focusing on the Leading Six trailblazers Harry Belafonte Ossie Davis Ruby Dee Sammy Davis Jr Dick Gregory and Sidney Poitier Raymond reveals how they not only advanced the civil rights movement in front of the cameras but also worked tirelessly behind the scenes raising money for Martin Luther King Jr s legal defense leading membership drives for the NAACP and personally engaging with workaday activists to boost morale Through meticulous research engaging writing and new interviews with key players Raymond traces the careers of the Leading Six against the backdrop of the movement Perhaps most revealing is the new light she sheds on Sammy Davis Jr exploring how his controversial public image allowed him to raise more money for the movement than any other celebrity The result is an entertaining and informative book that will appeal to film buffs and

civil rights historians alike as well as to anyone interested in the rise of celebrity power in American society A Capell Family
