Tales of the Nation Lene Bull-Christiansen,2004 In light of the uses and misuses of history in Zimbabwean politics in recent years this research report focuses on how versions of the country s liberation war history have become a site of struggle over the definition of Zimbabwean national identity As identity politics often do Zimbabwean nationalism draws on a wide field of cultural symbols of identity and political discourses of inclusion and exclusion Therefore the report takes a cross disciplinary approach to the issue of national identity by mapping out the imaginary field of Zimbabwean nationalism This approach opens up the possibility of cross reading the political discourses of the President and the ruling party ZANU PF with opposing voices such as those in the works of the author Yvonne Vera This cross reading shows how Vera s novels and the political discourses participate in the struggle over Zimbabwean national identity by offering different versions of the nation s history in the form of patriotic history feminist nationalism or narratives of difference In this way the research report adds to our understanding of power and resistance in Zimbabwean politics of national identity Rebirth of a Nation John P. Halstead,1967 **The Historical Film** Marcia Landy,2001 What is history How do we represent it How do our notions of history change over time The essays in *The Historical Film History and Memory in Media* probe the roles that cinema and television play in altering and complicating our understanding of historical events The book brings together representative examples of how both media critics and historians write about history as it is created and disseminated through film and television The essays explore what is at stake culturally and politically in media history and how this form of history making is different from traditional historiography The volume is divided into four parts Regarding History History as Trauma History Fiction and Postcolonial Memory and History and Television that progressively deepen our understanding of just how complex the issues are Essays by top scholars analyze many different kinds of film historical film documentary costume drama and heritage films The section on television is equally broad examining phenomena as diverse as news broadcasts and Ken Burns s documentary *The Civil War* Contributors are Mbye Cham George F Custen Mary Ann Doane Richard Dienst Taylor Downing Gary Edgerton Naomi Greene Miriam Bratu Hansen Sue Harper Sumiko Higashi Anton Kaes Marcia Landy Shawn Rosenheim Robert A Rosenstone Pierre Sorlin Maria Wyke and Ismail Xavier **Music Makes the Nation** ,
