Rebuilding The Democratic Party From The Grassroots The Ultimate Guidebook For Democrats:

Rebuilding the Democratic Party from the Grassroots Shawn M. O'Donnell, Drucilla Badurina, 2005 Following the presidential election of 2004 many believed the Democratic Party had reached the lowest point in its history Rebuilding the Democratic Party from the Grassroots offers a definitive blueprint for reversing that course and returning the Democratic Party to its roots and its core values Authors Drucilla Badurina and Shawn O'Donnell seek to restore the Democratic Party to the party for the average American and the traditional party for a new century With its candid flowing style Rebuilding the Democratic Party from the Grassroots explains how John Kerry the last Democratic presidential candidate lost the national election It also illustrates campaign realities with in depth examples of what actually happened proposes solutions for bottom up election reform and offers a specific plan to reinvent and reinvigorate the Democratic Party Rebuilding the Democratic Party from the Grassroots is the ultimate guidebook for taking the Democratic Party back to its future back to its values and back to the people The Democratic Party needs a vibrant forward thinking long term presence in every single state and we must be willing to contest every race at every level We will only win when we show up and fight for the issues important to all of us Governor Howard Dean M D Announcement for Democratic National Committee Chair *We, the People: A Guide to Reinvigorating American Democracy* Pasquale De Marco, 2025-03-19 In this thought provoking and timely book Pasquale De Marco offers a roadmap for rebuilding the Democratic Party and reinvigorating American democracy The Democratic Party is facing a crisis It is struggling to appeal to both working class and middle class voters it lacks a clear message and agenda and it is failing to connect with voters on a personal level This book argues that the Democratic Party needs to be rebuilt from the ground up It needs to focus on grassroots organizing building a strong party infrastructure and reaching out to new and infrequent voters It needs to develop a clear and concise message that resonates with voters and a plan for addressing the challenges facing the country The book also discusses the need for a new generation of leaders in the Democratic Party The party needs leaders who are in touch with the concerns of ordinary Americans and who are committed to fighting for justice equality and opportunity for all This book is a must read for anyone who is concerned about the future of American democracy It is a call to action for Democrats and progressives to come together and rebuild the party so that it can once again be a force for progress in America The book is divided into 10 chapters each of which focuses on a different aspect of the Democratic Party and its future The chapters cover topics such as The state of American democracy The Democratic Party's identity crisis Rebuilding the Democratic Party from the ground up A new vision for America The road to victory The challenges ahead The role of citizens in a democracy The Democratic Party and the future of America The time is now This book is a valuable resource for anyone who wants to learn more about the Democratic Party and its role in American democracy It is also a call to action for all Americans who believe in justice equality and opportunity for all If you like this book write a review **Harvest the Vote** Jane Kleeb, 2020-09-15 From Democratic Party rising star Jane Kleeb an

urgent and stirring road map showing how the Democratic Party can and should engage rural America The Democratic Party has lost an entire generation of rural voters By focusing the majority of their message and resources on urban and coastal voters Democrats have sacrificed entire regions of the country where there is more common ground and shared values than what appears on the surface In *Harvest the Vote* Jane Kleeb chair of Nebraska's Democratic Party and founder of Bold Nebraska brings us a lively and sweeping argument for why the Democrats shouldn't turn away from rural America As a party leader and longtime activist Kleeb speaks from experience She's been fighting the national party for more resources and building a grassroots movement to flex the power of a voting bloc that has long been ignored and forgotten Kleeb persuasively argues that the hottest issues of the day can be solved hand in hand with rural people On climate change Kleeb shows that the vast spaces of rural America can be used to enact clean energy innovations And issues of eminent domain and corporate overreach will galvanize unlikely alliances of family farmers ranchers small business owners progressives and tribal leaders much as they did when she helped fight the Keystone XL pipeline The hot button issues of guns and abortion that the Republican Party uses to wedge voters against one another can be bridged by putting a megaphone next to issues critical to rural communities Written with a fiery voice and commonsense solutions *Harvest the Vote* is both a call to action and a much needed balm for a highly divided nation Nina Turner former state senator from Ohio and co founder of Our Revolution

Rebuilding America John Haseitel, John And Gabriel Haseitel, 2006-05-01 This book was written with the purpose of clarifying the objectives set forth by the National Democratic Party on how to rebuild America The authors of this book have spent thousands of research hours finding clear democratic views principals and solutions to issues which are of prime concern in these times The research was primarily derived from Democratic speeches interviews debates media coverage and historical events which clearly demonstrate where we stand as Democrats and where we are going as a Nation

Hidden Power Charles Derber, 2010-06-21 Presents an original analysis of what the real sources of power are in America today Reveals the tactics used by corporate interests to wield hidden power Offers detailed strategic advice for how the Democrats can unite with grassroots social movements and form a powerful coalition for fundamental change Thom Hartmann Air America radio host and bestselling author of *Screwed* says *Hidden Power* is the must read book of the year Buy three copies at least because you'll want to share a few with friends and will never want to part with your own well marked up copy read the full review Political parties and elections are increasingly political theatre with real power hidden behind a smokescreen of propaganda carefully manipulated cultural and religious wars and voting rituals But there is another kind of hidden power in America the grassroots social movements working for progressive change If the Democratic Party can ally with these movements America can be returned to its people Derber sees American history as a succession of regimes each spanning several administrations Since the end of the Civil War regimes of hidden power in which corporate interests control both parties behind the scenes have alternated with more open inclusive and democratic regimes Derber details how and

why these hidden power systems finally collapsed and what determined the types of regimes that succeeded them Hidden Power reveals how the current regime possibly the most corporate in history has maintained power by intensifying the red blue culture wars supporting religious extremists exploiting terrorism fears and manipulating the electoral process Will this latest corporate regime be replaced by one that is more progressive Or it could turn even further right and yield to something even worse a uniquely American form of fascism The best hope for positive change lies in an alliance between the Democratic Party and the grass roots progressive movements that Derber shows have always been the catalysts for change Hidden Power concludes with an impassioned argument for why this would be in the Democrats best interests as well as the country s and a detailed program for exactly how to go about it Thoughtful eloquent and compelling Hidden Power offers real hope for restoring genuine democracy to America

The Democrats Must Lead James MacGregor Burns, William J Crotty, Lois Lovelace Duke, Lawrence D Longley, 2019-07-11 All over the world political parties are being born and political pluralism is being fostered Ironically here in the United States the parties are blurring together ideologically and the political process is suffering One of the messages of this book is that a vital two party system is essential to America s political health The last thing this country needs the authors argue is two Republican parties At this critical moment in history the Democratic party has the opportunity to offer the nation a real political choice a sense of direction and a program to address the needs of Americans in a changing world It is time they say for a change a change that only the Democrats can provide As recounted here a generation of Republican administrations have had their chance The results have not been happy deepening social divisions heightened inequalities in income distribution a decaying educational system environmental exploitation an insensitivity to the concerns of the less powerful the largest public debt in history and a foreign policy based on force Recurring constitutional crises have also erupted as epitomized by the Iran Contra affair The record is a sorry one Alternatives exist and the best ones rest with the Democratic party The Democrats must lead It is their responsibility to offer a new vision of the future and the means for achieving it to provide a program that is compassionate just and inclusive of all The politics of greed exploitation self promotion and militarism must be put behind us Such are the themes of this extraordinary book Leading academicians each an expert in his or her area emphasize the need for new leadership propose contributions that a progressive Democratic party could make and suggest what this party should stand for as well as how it can win in 1992 They urge the Democrats to be both brave and principled brave in defying the conventional wisdom that Democrats must be moderate to win and principled in sticking to progressive ideals The book provides analysis of such areas as the political impact of an issue oriented liberal party the campaign and media choices required to get a progressive message across the role and concerns of women blacks Hispanics and other 262underrepresented groups electoral and legislative strategies for success and the substance of what a progressive policy agenda should contain Challenging and thought provoking these essays will help reshape political thinking during this critical period in the nation s history Their

objective is creation of a society that represents and responds to human needs and the authors indicate the way to achieve these goals through an invigorated forward looking Democratic party Herding Donkeys Ari Berman,2025-09-23 After the 2004 election the Republican Party held the White House both houses of Congress twenty eight governorships and a majority of state legislatures One party rule it seemed was here to stay Herding Donkeys tells the improbable tale of the grassroots resurgence that transformed the Democratic Party from a lonely minority to a sizable majority It chronicles the inside story of Howard Dean s visionary yet deeply controversial fifty state strategy charting his unpredictable journey from insurgent presidential candidate to front running flameout to chairman and conscience of the Democratic Party in an unexpected third act Ari Berman reveals how the Obama campaign built upon Dean s strategy when others ridiculed it expanding the ranks of the party and ultimately laying the groundwork for Obama s historic electoral victory but also sowing the seeds of dissent that would lead to legislative stalemate and intraparty strife Revelatory and entertaining in the vein of Timothy Crouse s The Boys on the Bus and Rick Perlstein s Nixonland Herding Donkeys combines fresh reportage with a rich and colorful cast of characters It captures the untold stories of the people and places that reshaped the electoral map painting a vivid portrait of a shifting country while dissecting the possibility and peril of a new era in American politics **Rebuilding the**

Democratic Party Penn Kemble,1979 **The Argument** Matt Bai,2007 While pundits obsess over who s up and who s down on Capitol Hill the real action in Democratic politics is happening among the grass roots where an emerging progressive movement the first popular movement of the Internet age is seizing power from the party s weakened Washington establishment Bai gets deep inside this movement penetrating a secret club of wealthy donors and following a group of other progressive power brokers Howard Dean the blogger Markos Moulitsas the union chief Andy Stern the leaders of MoveOn org as they vie with party leaders for control of a vastly changed Democratic landscape What does it mean to be a Democrat seventy five years after the New Deal in a society transformed by the suburb the Internet and the mutual fund
BOOK JACKET The Democrats Robert Rutland,1995-10 Interlacing humor into his ongoing narrative Robert Allen Rutland provides in The Democrats a readable balanced account of how the Democratic party was founded evolved nearly died and came back in the twentieth century flourishing as a political melting pot despite numerous setbacks This updated version of Rutland s much heralded The Democrats From Jefferson to Carter provides new insight into the long hiatus in the Democrats presence in the White House between Carter and Clinton In additon to analyzing Carter s successes and failures as president Rutland also examines the forces that went into the Democratic defeats and Republican victories in 1980 1984 and 1988 concluding with the election of another Jeffersonian Democrat William Jefferson Clinton The book ends with an examination of the dramatic results of the 1994 congressional elections that began to alert President Clinton to the challenge he would face in winning reelection in 1996
