Rebuilding The Front Porch Of America Essays On The Art Of Community Making:

Rebuilding the Front Porch of America Patrick Overton, 2016 Re-building the Front Porch of America Patrick Overton, 2001 *The Compassionate Mind Workbook* Chris Irons, Elaine Beaumont, 2017-09-14 There is good and increasing evidence that cultivating compassion for one's self and others can have a profound impact on our physiological psychological and social processes. In contrast, concerns with inferiority, shame, and self-criticism can have very negative impacts on these processes and are associated with poorer physical and mental health. The Compassionate Mind Workbook is for anyone who is interested in how compassion in the form of ideas and practices derived from Compassion Focused Therapy (CFT) and other approaches may help us to engage with, understand, and ultimately try to alleviate suffering. CFT utilises both Buddhist practices and Western psychological science. It draws on neuroscience insights into emotion regulation and identity formation, interpersonal psychology, and a range of psychotherapeutic models. CFT-based interventions can help people with a range of mental health problems develop compassion for themselves, be open to the compassion of others, and develop compassion for others. This workbook is a step-by-step guide to CFT in which the chapters build your understanding of yourself, the skills that give rise to a compassionate mind, and ways to work with whatever difficulties you're struggling with in life. The exercises, prompts, and case stories in this book provide an understandable and practical way to develop compassion. *Hearing John's Voice* M. Eugene Boring, 2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture. But how can Scripture offer any specific guidance for hearers' lives today? What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation? What are we to make of a man who turns water into wine while comparing himself to bread? Can people today know what the Bible says and means? The world of the Bible is strange and distant, not only in time and space but also in language, culture, and in its basic assumptions about reality. The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it. Communication across the gap is the task of the church's preachers and teachers. Drawing on his years of teaching and study, Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously: a message from a world different from our own. Beginning with Revelation, Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers. **Song of a Wounded Heart** Lora Jones, 2019-03-05 In November 2004, Lora Jones was a happy wife and proud mother of two beautiful children. Lora and her family left for a family vacation excited to celebrate the holidays, but sounds of music and laughter in their van were shattered by a head-on collision. Lora watched helplessly as one by one her beloved family slipped into eternity. Awake in a nightmare, all traces of laughter were replaced by the mournful cries of a wounded heart. How in the world could Lora go on alone? *Song of a Wounded Heart* tells the true story of Lora's journey from death to hope. Unbelievably, God sang to her the night of the accident. Do not be afraid. He whispered, "This is for my glory." How could

that be possible She was crushed under the enormous pain unable to think In the months to come as she struggled to understand God patiently continued to sing drawing her gently to His side daring her to trust Him Lora shares her personal journal entries including the Bible reading plan God used to speak to her and stories of people in the Bible who also struggled with faith Join Lora in Song of a Wounded Heart as she asks God questions deals with anger and loneliness and chooses to believe in the goodness of God in spite of the circumstances Iowa Heritage Illustrated ,1997
