Rebuilding the Land of Israel Anatole A. Solow,1954

The Restoration of Israel Michael E. Fuller,2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel s future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel s restoration is characterized by the features of a a future re gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco Roman period could draw on Israel s history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

The Future Restoration of Israel Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

The Coming Captivity and Restoration of Isreal Rabbi Allan

Moorhead,2016-11-01 Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on

revelations concerning the captivity and restoration of Israel While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel Rabbi Allan exegetes through thought provoking evidences that there is more to take place before we see the restoration of the Israeli nation and poignantly correlates it to end time Bible prophecy End time Prophecies have proven to be an imperfect study since all has not been revealed to God s people yet We cannot understand prophecy in its entirety without understanding the history of Israel how it has affected many nations and brought us where we are today

The Land of Israel in the Book of Ezekiel Wojciech Pikor,2018-05-31

Pikor anaylzes the land of Israel in the book of Ezekiel showing how its preoccupation with the Babylonian exile and the loss of the Promised Land that this entails is directly linked to the danger this poses to Israel s covenant with God Pikor examines

the motif of land in its literary and historical contexts and in relation to the oracles of salvation in chapters 34-39 as well as the vision of the new Israel and the return of Yahweh's Glory to the temple. Pikkor begins by examining the motif of land in its literary and historical contexts. The main body of the book then addresses specific sections of Ezekiel. Chapter two analyzes the oracles of punishment addressed to Israel in which the land undergoes a process of anthropomorphization. Chapter three situates the punishment experienced by Ezekiel and his listeners in a broader historical context suggested by the prophet in Ezekiel 20. Chapter four analyses the oracles of salvation in Ezekiel 34-39 in which the restoration of the land of Israel remains intertwined with the promise of the new covenant. Finally, chapter five addresses the closing vision of the new Israel, Ezekiel 40-48, which is characterized by the territorial dimension of the future restoration. This feature is shown via analysis of the rhetoric of the land, the crucial element of which is the return of Yahweh's Glory to the temple. God's presence adds sacral value to the land in which his covenant with his people is to be realized. The covenant will be finalized through Israel's repopulation of the renewed land.
