Hyper Biblical Duke Jeyaraj, 2024-07-10 Well it is not simply enough to merely pray against hell populating false teaching We must do more We must contend for the faith once for all delivered for the saints Jude 3 We must open our mouths and uncork our pens to warn about savage wolves which will come among you the local church believers not sparing the flock Acts 20 29 Spread virally thanks to the social media modern cultic false teachings such as 1 Hyper Grace No judgement for believers post Cross 2 Hyper Supernaturalism It is always God's will to heal me here and now Believers in Jesus need not die if they chose to and 3 Hyper Love Everyone is already saved but they just don't know it yet You will stop existing in hell or will eventually come to heaven from there have locust swarmed churches in South Indian cities and beyond In this book the incensed author argues vehemently from the Bible to show how much these scripture twisting half truth full of diabolical teachings have majorly deviated from the whole counsel of God The author offers these five loaves and two fish unto the Lord Perhaps the Lord use it for the restoration of the gangrene of false teaching infested Body of Christ back to sound doctrinal health this book also includes a section where there is an antidote against false teaching Those embracing these false teachings must be warned to steer clear of this book as it would greatly infuriate them calling a spade a spade without putting blade using illustrations from the world of Cricket The author's prayer is that the Holy Spirit could possibly cajole and convince such blood bought precious believers through these peppery pages to swiftly abandon these eternity shipwrecking doctrines and wholly embrace biblical balanced sound

Ojigbani, 2009-02 Being a Christian is not a guarantee that you will receive all your heart desires. Though God wants you to receive all your heart desires, you must conform to the principle of Spiritual Warfare before you can receive them. The physical is governed by the spiritual. For you to control your physical environment, you have to win your Spiritual Warfare. If you want to enjoy good health, prosper in the area of marriage, prosper financially or receive any desire of yours, you must win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it warfare prayers. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully. Pastor Chris Ojigbani is the Senior Pastor of Covenant Singles and Married Ministries. God commissioned him to liberate marriages through the preaching of the Word.
