Receiving Woman:

Receiving Woman - Studies in the Psychology and Theology of the Feminine Ann Belford Ulanov, We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions The old stereotypes are all but dead But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN grew out of a decade of reflections on women s experiences my own my patients and my students writes Professor Ulanov From all of them a common voice emerged speaking about each woman s struggle to receive all of herself Each was trying to find and put together different parts of herself into a whole that was personal alive and real to her and to others I know that women want to be all of themselves and want to be their own selves not examples of types They want to work out their own individual combinations of what have been called the masculine and feminine parts of themselves This book focuses on that possibility on women receiving themselves all of themselves wisely and gladly *The Political Consequences of Being a Woman* Kim Fridkin,1996 The Political Consequences of Being a Woman explores how women s perceived liabilities and capabilities make or more often break their campaigns **The Man and Woman Manifesto** Christopher Alan Anderson,2017-05-04 In The Man and Woman Manifesto What We Believe the author gives an accounting of what this paradigm shift into man and woman balance is about both individually and for the world at large We are at a turning point in the conscious evolution of mankind on planet earth We all feel the change and turbulence although we are not sure of which way to turn We are being offered an empty sexual progressivism through L G B T Q as well as an existential threat in Islamic radicalism In the meantime our own Constitutional system of governance with its Christian roots seems to comprise a history what is the way forward These are not easy questions This is not an easy book But if you can capture its essence your life will forevermore have purpose This writing will forevermore change your life as well as the world at large Keywords Metaphysics Spiritual Sexual Love Man Woman Balance Freedom Life Eternal *On Gender, Labor, and Inequality* Ruth Milkman,2016-07-15 Ruth Milkman s groundbreaking research in women s labor history has contributed important perspectives on work and unionism in the United States On Gender Labor and Inequality presents four decades of Milkman s essential writings tracing the parallel evolutions of her ideas and the field she helped define Milkman s introduction frames a career spanning scholarly project her interrogation of historical and contemporary intersections of class and gender inequalities in the workplace and the efforts to challenge those inequalities Early chapters focus on her pioneering work on women s labor during the Great Depression and the World War II years In the book s second half Milkman turns to the past fifty years a period that saw a dramatic decline in gender inequality even as growing class imbalances created greater than ever class disparity among women She concludes with a previously unpublished essay comparing the impact of the Great Depression and the Great Recession on women
