My fellow Americans I m pleased to tell you today that I ve signed legislation that will outlaw Russia forever We begin bombing in five minutes Ronald Reagan 1984 With these words spoken as a sound check to a radio broadcast President Reagan came dangerously close to igniting the long simmering Cold War Although Soviet forces were placed on alert following reports of this comment the full scale conflict between the West and the Soviet Bloc did not break out Cold War Gone Hot the latest companion volume for Force on Force looks at the 44 year history of the Cold War and asks what if With the orders of battle vehicle stats and missions included in this volume Force on Force players can simulate the advance of Soviet tanks across Western Europe a thrust into Alaska or any number of other plausible scenarios where history took a slightly different path **Armored Cav** Tom Clancy,1994-11-01 A penetrating look inside an armored cavalry regiment the technology the strategies and the people profiled by Tom Clancy His first non fiction book Submarine captured the reality of life aboard a nuclear warship Now the 1 bestselling author of Clear and Present Danger and Without Remorse portrays today s military as only army personnel can know it With the same compelling you are there immediacy of his acclaimed fiction Tom Clancy provides detailed descriptions of tanks helicopters artillery and more the brilliant technology behind the U S Army He captures military life from the drama of combat to the daily routine with total accuracy and reveals the roles and missions that have in recent years distinguished our fighting forces Armored Cav includes Descriptions of the M1A2 Main Battle Tank the AH 64A Apache Attack Helicopter and more An interview with General Frederick Franks Strategies behind the Desert Storm account Exclusive photograph illustrations and diagrams PLUS From West Point cadet to Desert Storm commander an interview with a combat cavalry officer on the rise **ADA.** ,1990-07 *Fighter Wing* Tom Clancy,John Gresham,2007-09-04 Now for the first time an insider s look at an Air Force combat wing the planes the technology and the people with Tom Clancy as your guide Tom Clancy s previous explorations of America s armed forces Submarine and Armored Cav revealed exclusive never before seen information an the people and technology that protect our nation Now the acclaimed author of Clear and Present Danger and Debt of Honor takes to the skies with the U S Air Force s elite the Fighter Wing With his compelling style and unerring eye for detail Clancy captures the thrill of takeoff the drama of the dogfight and the relentless dangers our fighter pilots face every day of their lives showing readers what it really means to be the best of the best Fighter Wing includes Detailed analyses of the Air Force s premier fighter planes including the F 15 Eagle Exclusive photographs illustrations and diagrams An insider s look at the people behind the planes and weapons Combat strategies and training techniques used by the U S Air Force *Power, Threat, Or Military Capabilities* Carmel Davis,2011-11-16 Power

Threat or Military Capabilities assesses two mainstays of international relations balance of power and balance of threat using the case of US balancing against the Soviet Union in the later Cold War It also proposes balance of military capabilities which uses offense defense theory to argue that countries balance against the ability of others to conquer or compel them Power Threat or Military Capabilities finds that the US was more powerful than the Soviet Union so US behavior is not explained by balance of power The US did not perceive the Soviet Union as likely to initiate war or to run risks that might lead to war so US behavior is not explained by balance of threat This book determines that the US was concerned about its ability to defend Europe and the Persian Gulf so US behavior is explained by balance of military capabilities *Air University Library Index to Military Periodicals* ,1991 **Parameters** ,1990 **Arms Diffusion** Thomas W. Zarzecki,2018-12-20 Weapons proliferation is one of the most pressing global concerns following the end of the Cold War Despite the absence of an overarching superpower conflict armaments and related technologies have continued to spread throughout the international system This has been particularly true in areas like East Asia and the Middle East where the traditional two party arms races are not readily apparent This text addresses these concerns and shortcomings using data on fourteen specific military technological innovations that diffused throughout the international system from 1960 to 1997 **The Army Quarterly and Defence Journal** ,1991 **Armies of Sand** Kenneth Michael Pollack,2019 Since the Second World War Arab armed forces have consistently punched below their weight They have lost many wars that by all rights they should have won and in their best performances only ever achieved quite modest accomplishments Over time soldiers scholars and military experts have offered various explanations for this pattern Reliance on Soviet military methods the poor civil military relations of the Arab world the underdevelopment of the Arab states and patterns of behavior derived from the wider Arab culture have all been suggested as the ultimate source of Arab military difficulties *Armies of Sand* Kenneth M Pollack s powerful and riveting history of Arab armies from the end of World War Two to the present assesses these differing explanations and isolates the most important causes Over the course of the book he examines the combat performance of fifteen Arab armies and air forces in virtually every Middle Eastern war from the Jordanians and Syrians in 1948 to Hizballah in 2006 and the Iraqis and ISIS in 2014 2017 He then compares these experiences to the performance of the Argentine Chadian Chinese Cuban North Korean and South Vietnamese armed forces in their own combat operations during the twentieth century The book ultimately concludes that reliance on Soviet doctrine was more of a help than a hindrance to the Arabs In contrast politicization and underdevelopment were both important factors limiting Arab military effectiveness but patterns of behavior derived from the dominant Arab culture was the most important factor of all Pollack closes with a discussion of the rapid changes occurring across the Arab world political economic and cultural as well as the rapid evolution in war making as a result of the information revolution He suggests that because both Arab society and warfare are changing the problems that have bedeviled Arab armed forces in the past could dissipate or even vanish in the future with potentially dramatic consequences

for the Middle East military balance Sweeping in its historical coverage and highly accessible this will be the go to reference for anyone interested in the history of warfare in the Middle East since 1945 **Foreign Policies of the Soviet Union**

Richard Felix Staar,1991 In Foreign Policies of the Soviet Union Richard F Staar places revolutionary contemporary events into historical perspective Citing Russian language sources he charts the recent structural changes within the USSR and how they have affected foreign policy Detailing the shift of power from the CPSU political bureau to the presidential council he explores the increasing importance of the foreign affairs ministry in the exercise of presidential power **Airborne**

Tom Clancy,1997-11-01 They are America s front lines serving proudly in forward areas around the world Representing the very best from the Army and Air Force the Airborne Task Force is an unstoppable combination of manpower and firepower Now Tom Clancy examines this elite branch of our nation s armed forces With pinpoint accuracy and a style more compelling than any fiction the acclaimed author of Executive Orders delivers an fascinating account of the Airborne juggernaut the people the technology and Airborne s mission in an ever changing world Two Tom Clancy mini novels real world scenarios involving the airborne task force Airborne s weapons of the 21st century including the Javelin anti tank missile the fiber optically guided N LOS fire support system and the Joint Strike Fighter 18 weeks Life in an Airborne Alert Brigade Exclusive photographs illustrations and diagramsPLUS An in depth interview with the incoming commander of the 18th Airborne Corps General John Keen **Inside the Blue Berets**

Steve Zaloga,1995 Inside the Blue Berets looks at the origins of the Russian shock troops It provides an exciting description of the harrowing Russian airborne assaults of World War II and the combat uses of these troops in the Cold War years as they took on an important new role as imperial storm troopers the infantry that enforced Soviet power first in Hungary and later in Czechoslovakia By then paratroopers had become a true elite with the best and brightest of the Red Army competing for the prized blue beret In the 1980s the VDV became trapped in the quagmire of Afghanistan Bloodied and weary after ten years of brutal fighting the paratroopers returned home and were immediately ordered to don their flak jackets and control the civil turmoil resulting from perestroika Inside the Blue Berets offers the first lucid description of the murky situation that surrounded the breakup of the USSR
