**Speaking With God's Voice** Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it s not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that s you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you re a believer God appoints you to two roles immediately One as the receiver of God s word one as the deliverer of God s word Many faithful men and women have little problem understanding the first

role They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God's word It is as they move into the role of deliverer of God's word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words      **Methodist Magazine and Review**

speaking to us. Has his speech changed over time? And how do we hear the voice of God? In this insightful book Ben Campbell Johnson explores the subject of divine speech, highlighting its importance to faith and leading Christian believers into the practice of listening for God's voice in daily life. Johnson first explores the biblical foundations of divine communication, tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church. He then gleans important lessons about God's language from a wide range of Christian figures throughout history: Polycarp, Julian of Norwich, Teresa of Avila, Henri Nouwen, and others. As this historical record shows, God communicates with us in a variety of ways. In exploring these different modes of God's speech, Johnson deftly guides readers into the practice of intensive listening, a way of posing issues to God and discerning his response. Numerous anecdotes illuminate Johnson's discussion, and each chapter ends with questions for reflection and discussion, as well as suggestions for journaling. Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God's voice. At a time when many Christians hunger for a more personal, meaningful connection with God, this book shows readers how to discern divine language and forge a closer, richer relationship with the God who speaks.

**Washed-By-The-Word** Isaac Newton Corns, 2025-05-02. Washed By The Word: The Fast Track To Walk As Christ Today is who I am since I received Christ. I am not who I was. The Word has washed me. The Spirit has filled me. Christ has been formed in me. I don't just carry truth, I live it. I don't just read the Bible, I become the message. Every page of this book has been my transformation. Every declaration has shaped my identity. I don't wait for revival, I release it. I don't ask for power, I walk in it. I don't delay obedience, I live ready. This is not the end, it's the launch. I've been trained, I've been changed, I've been filled with Christ. And now I walk as He walked. Speak as He spoke. Love as He loved. And finish as He finished. Washed by the Word. Filled with the Spirit. Sent by the King. I live like Christ now.

Robert Antwi,2012-09 Many prayers go without answered so I decided to seek the face of God to know how Christians will be able to get their prayers answered Since I became a Christian in August 1984 I have seen most of my prayers answered in a very special way so I would like to share with you some of the secrets I learned in getting my prayers answered Our God is a prayer answering God First we must have faith in God and trust that He is prepared to answer when we call on Him But without faith it is impossible to please him for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him Heb 11 6 Prayer is diligently seeking the face of God so if we are going to pray then we should believe that God is going to listen and answer our prayer

hop studies and that the field is broad enough for numerous monographs edited works and journal publications in the future
